Thank You

for protecting the Iowa Great Lakes

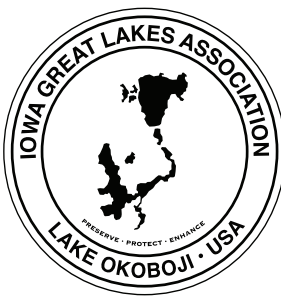

The Iowa Great Lakes Association (IGLA) congratulates the Iowa Natural Heritage Foundation (INHF) and Joe McGovern for the leadership they provided in raising more than \$8 million for the East Okoboji Shore project.

INHF has helped permanently protect more than 7,000 acres in Dickinson County, some of which is placed in conservation easements assuring the property cannot be developed no matter who holds the deed.

Because of the actions of committed citizens, the last undeveloped shoreline on East Lake will forever be protected as a natural space, the lake’s last such space of undeveloped shoreline.

Thank you to all who participated in the preservation efforts:

- Dickinson County residents
- Lake residents
- East Lake Protective Association
- Okoboji Protective Association
- Spirit Lake Protective Association
- Center Lake Protective Association
- Tri-Boji Beach Protective Association

Donated by Carlton and Lois Mitchell, this bell came from the North Superior District School northwest of Superior. It had been in the Mitchell family for decades. It joins bells from the Westport Center School and Diamond Lake Township #2 school. These historic bells may be seen on the east side of the museum building.

Laborshed Study To Be Conducted in Iowa Lakes Corridor Region

The Iowa Lakes Corridor Development Corporation (Corridor) is partnering with Iowa Workforce Development and Iowa Economic Development Authority to complete a Laborshed employment study for the Estherville, Spencer, Spirit Lake and Storm Lake areas. This study will geographically define which communities contribute to each city’s workforce, regardless of political boundaries. This defined area is called a Laborshed area and is based upon commuting patterns.

The purpose of this Laborshed study is to measure the availability and characteristics of a community’s area workers. Laborshed studies are useful tools for economic development teams and existing or prospective employers to understand the local labor market, make informed expansion and site selection decisions, and maintain/recruit a high-quality workforce.

The Laborshed boundary is based on the place of residence of individuals commuting into the community for employment. For the success of this study, the Corridor will send letters to employers in Estherville, Spencer, Spirit Lake and Storm Lake asking that they provide us with aggregate counts of their employees’ residential ZIP codes. This reporting will give us an understanding of where each community’s workforce resides.

Every year Iowa Workforce Development conducts Laborshed studies across the State. The results of each analysis are publicly available online at www.iowalmi.gov/laborshed. If you have any questions about the Laborshed project, please contact Katie Lippold at 515-281-3035 or Shannon Landauer with the Corridor at 712-264-3474.

Thank you for your support and participation.

A QUICK RETROSPECTIVE

The Fair was fun for all!

While we enjoy good tasty food -- and plenty of it -- The Old Professor is a lousy farmer. And he’d be a lousy beef, pork, chicken, or lamb producer, too. (‘Didn’t even get a vegetable garden planted this summer, and will have only a few volunteer Yellow Squash to harvest soon -- from the front yard, where Ms. Rambo has suspicions that our little furry friends with the bushy tails buried seeds they found elsewhere! We’ll let you know...

What we know now -- even as a city kid -- and with the attendance figures still outstanding -- is that the 2021 Clay County Fair, with its many attractions, was fun for all. For us, of course, the entertainers were highest on our list of options -- and top notch, too! It took us until Wednesday to understand why the guys and gals on stage were all so good. Some were singers or musicians, Others were comedians. And we even stopped to see a juggler -- after almost missing the pig and llama show near the Farmers Bank Stage.

(It wasn’t our first choice; but after driving down from her home in Redwood Falls, Minnesota, research director RD insisted on it.) And the live animal show was a hoot -- even for this city kid.

With all the fine performances, it is too still too difficult for us to select the best show. It was easy, though, after seeing many of the free shows (including *Hillbilly Bob* (with *Old Ruthie*), comic C. Willi Myles, *Gary Lewis and The Playboys*, and *Herman’s Hermits*, starring *Peter Noone* (who even sang a ditty about being in Spencer, Iowa at the Clay County Fair!) to understand what made each act so good. While they were all terrific performers, they got their applause by instantly developing a rapport with the audiences!

The simplest example of that came when we entered the Farmers Bank tent to see Steve Russell, who was billed as a comic juggler. The show was fun, of course; but what we watched most was a group we learned only after the show was one of six 4th-grade groups from Spencer’s Lincoln Elementary School -- Ross Johnson’s class. The kids were enthralled with the action and silliness. Then, when Russell asked for a volunteer assistant, two young girls popped up without hesitation and jumped on to the stage. Since Breezelynn Hamrick was first, she became Russell’s assistant, constantly picking up the things he “dropped.” As soon as Breezelynn would pick up one piece, she had another opportunity to do it, again and again, much to the delight of the crowd -- including her classmates!

It takes a lot more than just a song and dance to get the attention and adoration of an audience. It requires showmanship. It’s what Marilyn Maye has been doing since she was old enough to perform on the radio in Des Moines more than 80 years ago! It’s what she is still preaching, teaching and demonstrating on stage, today, to a generation of students who, for the most part, don’t understand face-to-face communication without a cellphone or keyboard to buffer the conversation. Welcome to the 21st Century!

By the way, Ross Johnson told us he is “very proud to represent this group of fourth graders.” He has every right to be proud of his students. They were very well behaved, while having a great time at the Fair. Russell was very willingly sharing his stage with the students, including those who politely remained in their seats to applaud...

For the record, each time we passed the Northwest Bank stage to see and hear *The Britins* (a *Beatles* tribute band) the place was packed, but had fairgoers three and four deep standing, listening intently, on the three exposed sides of the tent.

If you have missed much of the free halls and entertainment over the years, be sure to check out places like Grandpa’s Barn, and the Sundholm cabin and gardens, too, in the years ahead -- or even right after all the big equipment is off the grounds. It’s a nice walk -- ‘til it snows!

With The Fair folding its tents, and the summer season almost history on campus, there will be somewhat less live entertainment in the weeks ahead. Note that the first day of Autumn is Wednesday...

Boji Bill and his better half (Jackie) will be entertaining Sunday afternoon at 2-5:00 at the Senior Center in Spirit Lake. Bill asked us to note that “All ages are welcome...”

Little Swan Lake Winery has a lot planned over the next few weeks, starting Thursday, when *Sounds Fishy* will take the stage in the barn from 6-8:00. Saturday will see the return of *The Ridottos*, also from 6-8:00... And *Charlie Leissler* with *Abby Soul*, along with *Four Way Suite* will perform from 4 -6:00 on Sunday, in tribute to *The Beatles*, and *Crosby, Stills and Nash*. It’s really two shows in one -- for which there will be one small cover charge...

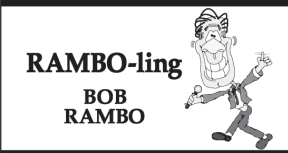

Jeremy DeWall will be performing on Thursday, the 30th, from 6-8:00. Terry Brooks will open October’s entertainment on Saturday, the 2nd, from 6-8:00, with Jacob and Adam filling the stage in the barn on Sunday, October 3rd, from 4-6:00...

It appears that research director RD’s efforts will actually see ink this week -- noting songs that have hit Number One on the charts during the week of September 21st. Included in the group would be *Sleep Walk*, by Santo and Johnny (1959), *My Heart Has a Mind of its Own*, by Connie Francis (1960), *Blue Velvet*, by Bobby Vinton (1963), and *Cherish*, by The Association (1966). Each song remained at the top of the charts for two weeks -- except the last, *Cherish*, which was Number One for three weeks!

Wednesday is Doodle Day, for which there can be only one song, *A Doodlin’ Song*, written by Carolyn Leigh and Cy Coleman, and first recorded by Jackie Cooper in 1958. Other versions soon followed, including those by Blossom Dearie (1959), Peggy Lee (1963), and on *The Dick Van Dyke Show* by Rob and Laura Petrie, in the October 30,1963 episode, *Too Many Stars*...

Singer Ray Charles was born in Albany, Georgia, on September 23, 1930. Also a songwriter, pianist, and composer, Charles was catapulted to fame with *Georgia On My Mind*, written by Hoagy Carmichael and Stuart Gorell in 1930, when he recorded it in 1960, for his *The Genius Hits the Road LP*, on the ABC Paramount label. The song rose to Number One, and was designated the Official State Song of Georgia 19 years later, in 1979...

We’re going to hit the road for a short vacation, intending to be back on Campus in time to put a column together for October 5th. There will be no RAMBOLing in print in the September 28th *The Lakes News Shopper*...

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the “Letters to the Editor” published in The Lakes News Shopper.

Dear Editor,

This letter is prompted by a letter in the September 7 edition which presented a number of clearly erroneous claims about the COVID “jab.” I am not writing to break down each falsehood alleged in the letter. To that end, I hope that my neighbors will thoughtfully consider the advice of their own medical providers and our local public health officials. To listen to the experienced doctors and nurses who care for us when we are sick, who we trust to bring our precious babies into this world, and who, quite literally, have saved my life on more than one occasion.

Instead, I chose to write because The Lakes News Shopper does not have to publish every letter that comes across its desk. Everyone has the right to their own opinion, but, to avoid spreading dangerous misinformation, opinions that are not based on fact should not be published. I appreciate that The Lakes News Shopper is a small, family-owned publication and I recognize that it does not likely have the time or the resources to fact-check every letter. But some letters are so far-fetched and full of incredulous “statistics” with no citations that they defy common sense and simply should not be printed in a respected publication that, according to its website, can reach 177,000 impressions a month. Additionally, I feel as though publishing such blatant misinformation is disrespectful to our local public health officials and healthcare providers who have worked tirelessly over the past 19+ months to keep us educated and safe throughout this pandemic. Just as individuals have the First Amendment right to express their opinions, newspapers have a First Amendment right not to publish every letter to the editor. I urge The Lakes News Shopper to exercise this important freedom.

Sincerely,
Jamie Hunter, Okoboji, Iowa

Be a Tourist in Your Backyard

by Rebecca Peters, Okoboji Tourism Director

Each year thousands of people visit the Iowa Great Lakes to enjoy the activities and attractions our area has to offer. Join me each week as I become a tourist in our backyard to explore a few of the spots that make the Iowa Great Lakes special!

This week I entered the KICD Jell-O Salad Contest at the Clay County Fair! The Fair offers a wide variety of contests for anyone to enter, and I felt it was about time I tried something new -- entering a food item at the fair!

Once the exhibitor handbooks were available online, I reviewed all the special contests. I wanted to enter a category that was judged during the fair, so I could hear the judge’s feedback. I’ve rarely cooked with Jell-O, but the contest sounded intriguing to me. I searched the internet high and low for unique gelatin salads that would set me apart from the competition. I procrastinated, then a couple weeks ago started testing a couple recipes (bubbles & berries, Jell-O chicken salad), but settled on Carrot Cake Jell-O Salad because I ran out of time!

I don’t like carrots, but I like carrot cake, and the flavor profile of this recipe sounded just like carrot cake. As I blended the ingredients, I hoped the gelatin would properly set up, and the salad would taste good. I didn’t have time to try another recipe. It was this one or nothing! I entered the contest and held my breath. The judge seemed pleasantly surprised when she tried it! Following the contest I got my salad back and that was the first time I got to

try it! It was good! Very worthy of my 3rd place ribbon!

The Clay County Fair has so many opportunities for you to try something new or show off a skill you already have, and it’s right in our backyard! Enter a contest next year and win a ribbon (and possibly some prize money)! We’ve got all winter to perfect our entries. Learn about Clay County Fair and competitions at www.VacationOkoboji.com, and start planning your blue-ribbon entry today!

CDA Fall Garage Sale

Spencer Sacred Heart CDA Fall Garage Sale to be held at Sacred Heart School Gym on Friday, October 1, 4:00-8:00pm, and Saturday, October 2, 8:00am to noon. Proceeds go to support our youth and parish needs. Free Will Donations except items marked.

Questers Donate to Dickinson County Museum

The twenty-five members of the Okoboji Queen Chapter #1489 of International Questers voted unanimously at their October 13 meeting in the home of Donna Mau to support the Dickinson County Museum with a donation of \$500 for the purchase of a much needed laser printer. This donation made by a check from the chapter's treasurer Karmon Amsler is in keeping with the International Questers' goals of Preservation, Restoration, and Education.

International Quester Okoboji Queen Chapter's Expenditure Chair Sharon Wellendorf, Immediate Past President Donna Mau, Dickinson County Museum Curator Mary Dreier, Chapter Treasurer Karmon Amsler, and President Maryanna Hubbard recently enjoyed the presentation of the Okoboji Queen Chapter's \$500 donation to the museum. With these funds a laser printer will be purchased.

Okoboji Queen member Sherry Fuhrman first brought the efforts of the museum to the attention of the chapter. An initial \$200 contribution was made by the group to support the special signage of buildings in downtown Spirit Lake for The Stroll Back in Time. Then Curator Mary Dreier was asked by the chapter's Expenditure Chairman Sharon Wellendorf to prioritize the needs of the museum as it seeks to better serve the county residents. Communicating with the community regarding the museum's many activities was a high priority concern as Dreier was having to use her home printer to prepare posters and news releases.

Since its organization in 2010 by co-founders Sue Fontaine and Daphne Davis, the local Questers chapter has financially supported numerous projects in keeping with the International Questers' goals of Preservation, Restoration, and Education. The revitalization of Arnolds Park Amusement Park has been a foremost endeavor including the sponsoring and organization of the fundraiser 125th Anniversary High Tea in 2015, the purchasing and placing of a bench in the Park, and the acquisition and framing of historical posters advertising musical events at the "old" Roof Garden. This last project was partially funded by grants from the Iowa Questers and from International Questers.

A previous International grant had allowed the Okoboji Queen Chapter to contribute to the Sheldon, Iowa community's effort to move and restore the Baker one-room school. Locally members had supported the Dickinson County Sesquicentennial School by volunteering as guides. Modern education efforts were also targeted when the chapter hosted the Graettinger-Terrill students' placing their well-researched marker at the Abbie Gardner Cabin site.

Over the past ten years these various community efforts have been led by presidents Sue Fontaine, Tami Horsman, Donna DeWall, Donna Mau, and the current president, Maryanna Hubbard. The vitality of the local chapter is mirrored by the progress of former Lakes Area resident and co-founder Daphne Davis within the International organization. Davis has organized a chapter in her Arizona retirement community, served as Arizona Quester State President, and is now a candidate for International Quester First Vice President.

Okoboji Queen members are enthusiastically proud of their organization's efforts to meet International goals at the local level and would appreciate any suggestions for appropriate projects needing their support.

Iowa Lakes Music Students Honor Veterans

Iowa Lakes Music Department students shared their musical talents to honor veterans at the Veteran's Program at the Clay County Events Center on Monday, September 13.

"We love playing for the Veterans! We love honoring them with our musical performance. It's just a little thing we can do to give back to them for serving our country," shared Carol Ayres, Music Professor at Iowa Lakes Community College.

The Iowa Lakes Community College Men's Ensemble, Jazz Band, Women's Ensemble, Handbells, and Concert Choir shared many patriotic musical pieces celebrating America and honoring veterans at the concert.

The Iowa Lakes Concert Choir performed the "National Anthem" and "Battle Hymn of the Republic." The Iowa Lakes Jazz Band and Concert Choir performed a "Tribute to Armed Services," a medley of official U.S. military songs including "The Army Goes Rolling Along," "The Marines' Hymn," "Semper Paratus" (Coast Guard), "Anchors Aweigh" (Navy) and "The U.S. Air Force."

The Jazz Band also played "Amber Waves" before joining the Iowa Lakes Handbells and the audience for "God Bless America." The Iowa Lakes Women's Ensemble performed "Travelin' Soldier," the Iowa Lakes Men's Ensemble sang "Who are the Brave," and the Handbells played "God Bless the U.S.A."

Austin Connerley, a freshman trumpet player from Charles City, and Louis Wiley, a freshman trumpet player from Webster, SD, rendered a heartfelt version of TAPS to complete the program.

For more information on the music program at Iowa Lakes, please visit www.iowalakes.edu/music.

Lakes Area Farmers Market News

Located at Dickinson Co. Fairgrounds
15th Street & Peoria Avenue, Spirit Lake, IA 51360

There are about 2 shopping weeks remaining at Lakes Area Farmers Market in Spirit Lake. While some produce vendors may remain outside into October, many of the vendors will be ending by October 2 and starting to plan for fall and winter craft shows. You will find Lakes Area Farmers Market vendors and some others at 'A Handcrafted Christmas' event on December 11 at the Community Building in Spirit Lake. Everything is handmade or home baked for this show. There are still a few openings left for vendors, so if you are interested, call Cathy at 712-320-0576. Our winter market features handmade decorating items, gifts for all ages, stocking stuffers, things for pets, and many kinds of candy, cookies, and bars. There is always something new and the vendors love to see some of the familiar faces from the summer once again. If you can't wait until December, stop at the market in the next two weeks. Stock up on those fall vegetables, get your Halloween pumpkin, and pick up some good home baked treats or some early gifts. Many of the vendors take orders for the Holiday season, so pick up their phone number now, or place an early order. While things are winding down, there is still plenty to find. We're open Wednesdays and Saturdays from 7:30 a.m. to 12:00 noon and are located on the fair grounds in Spirit Lake. We hope to see you there.

Upcoming Kindermusik Events

You are invited to participate in several Kindermusik events around the community. In conjunction with International Kids Music Day on October 1, Kindermusik at the Lakes is hosting several Musical Playdates around the community. "Happy Fall Y'all" will bring singing, dancing, laughter and of course joy to families as we celebrate all the things we love about the fall. These Musical Playdates will be held in Lake Park at Britleigh's Dance and Tumbling on Friday, October 1, at 10:00am or 6:30pm; in Estherville at the Studio 12 Ballroom on Saturday, October 2, at 9:00 or 10:15am; in Okoboji at the Kindermusik studio on Saturday, October 2, at 10:00 or 11:15am; and in Spencer at Arts on Grand Friday, October 8, at 9:00 or 10:15am. This is a perfect chance to see what Kindermusik is all about and to bring a friend along for the fun. Musical Playdates are geared for ages 1-7 though any and all ages of children and family members are welcome to attend. At least one adult must be present with their child or children. The cost is \$24 per family and includes a Take Home Treasure along with some musical, magical and memorable moments. Enroll for Playdates at www.kindermusikatthelakes.com/playdates.

Kindermusik is also excited to announce the first ever Lakes Area Birth Symposium for women who are currently pregnant or who are planning for pregnancy. Pregnancy is an adventure no matter how many times you've done it before. At the Birth Symposium, you will learn things as you glean valuable insights into your body and your baby. Whether this is your first or your fifth pregnancy, the Birth Symposium is for you. Featured speakers include Sarah Tungland- DPT specializing in women's pelvic health, Amanda Jorgensen- natural birth doula and yoga instructor, Laura Ingwersen Slawson- chiropractor, and Allison Antoine- licensed Kindermusik educator. The Birth Symposium will be held Thursday, October 21, at the Studio Yoga and Barre, downtown Spirit Lake, beginning at 8 p.m. To register for the birth symposium, visit www.kindermusikatthelakes.com/birth-symposium.

Kids' Carnival in Spencer

Seasons Center for Behavioral Health is hosting a kids' carnival on Thursday, September 23, 2021 from 4-7 PM in Spencer. This free, family-friendly event is open to the public and families of all ages are welcome. The carnival will take place in front of Autumn's Center located at 120 E. 5th Street.

"We'll have all of the carnival favorites like face painting, inflatables, games and prizes!" said Stephanie Pohar, Marketing & Events Coordinator at Seasons Center. "Due to COVID-19, we were unable to host an in-person event last year. We are really excited to once again be offering this fun event to families in and around the Spencer area."

Autumn's Center, which opened in 2016, is a regional children's center specifically designed to serve children and families. It provides evidence-based treatments for children who have experienced abuse, neglect, grief, loss, bullying, or a mental health condition.

"The COVID-19 pandemic continues to create ongoing challenges for everyone, including kids. Families need to know where they can turn for help. They need to understand the impacts this virus has had, and will continue to have, on each of us and have a plan for getting the support they may need. Events, like the Autumn's Center Kids' Carnival provide an opportunity to promote positive mental health among families, friends and neighbors in a fun environment," said Pohar.

If necessary, updates regarding weather will be posted on Seasons Center's website (Events page) and Facebook page.

For more information on this upcoming event and Seasons' services, please visit our website at: www.seasonscenter.org and Facebook page www.facebook.com/SeasonsCenter-ForBehavioralHealth.

Grilled Italian Chicken Foil Packs ~ Serves 4

1/4 cup olive oil
2 tablespoons BBQ sauce
1 tablespoon apple cider vinegar
2 teaspoons Italian seasoning
1/2 teaspoon seasoned salt
1 pound boneless skinless chicken breasts, cut into 2" wide chunks
2 cups fresh green beans, trimmed
1 red onion, sliced in 1/4" strips
1 bell pepper, sliced in 1/4" strips
4 ounces fresh mushrooms, sliced
Garlic Bread (optional)
4 slices whole grain bread
1 tablespoon butter
garlic powder or garlic salt

Whisk together olive oil, BBQ sauce, cider vinegar, Italian seasoning and seasoned salt in a large storage container. Place chicken in and turn to coat. Cover and refrigerate for several hours. Preheat grill to medium heat. Cut eight 12x12" squares of foil. Lightly grease half of the foil squares, then divide vegetables evenly onto the greased foil. Remove chicken from marinade and divide evenly over the vegetables. Drizzle remaining marinade over the vegetables. Grease one side of remaining foil squares and place over the chicken & veggies, greased side down. Crimp all four edges of each packet. Place packets on grill and cook for 20-25 minutes, flipping the packets once halfway through. If desired, toast bread, then spread with butter and sprinkle lightly with garlic powder or garlic salt.

Northwest Financial Corp Earns Top Workplace Award

Northwest Financial Corp. has been awarded a 2021 Top Workplaces honor by the Des Moines Register. The Top Workplaces are based solely on the results of an employee feedback survey administered by Energage, LLC, a leading research firm that specializes in organizational health and workplace improvement. Several aspects of workplace culture were measured, including alignment, execution, and connection, just to name a few.

"During this very challenging time, Top Workplaces has proven to be a beacon of light for organizations, as well as a sign of resiliency and strong business performance," said Eric Rubino, Energage CEO. "When you give your employees a voice, you come together to navigate challenges and shape your path forward. Top Workplaces draw on real-time insights into what works best for their organization, so they can make informed decisions that have a positive impact on their people and their business."

Greg Post, President and CEO of Northwest Financial Corp. commented, "Receiving the Top Workplaces award for seven consecutive years is a great honor. I'm proud to share that our organization is filled with talented employees who are given the opportunity to grow and develop their skills, encouraged to share ideas for process improvement, continually provide first class service and go out of their way to support and improve the communities in which we serve and live in. Our management's focus on attracting and retaining the best people to work for our company results in becoming an Employer of Choice. We ask ourselves; how can we add value to our employees and what do we do as a company that is unique? We look for people who are team-oriented, engaged and community focused, and who are interested in growing personally and professionally."

Northwest Financial Corp. is a family-owned organization with over \$2.6 billion in assets and includes two bank charters, Northwest Bank and First National Bank in Creston, and Northwest Wealth Management, LLC. The organization employs 425 team members and focuses on the importance of supporting a good balance between work and personal life.

Obituaries

Mark Elon Donkersloot “Maven”, the fourth of five children born to Ed and Alma (Rons) Donkersloot, entered the world on July 14, 1957, in Sheldon, Iowa. He grew up on the family farm on the east edge of Sanborn, Iowa, along with his siblings: Lyle, Leanne, Mary, and Rhonda. Mark’s early years were spent much like other farm kids at the time – going to school, helping with farm chores and fieldwork, and having some fun when he could find the time. He received his education at Sanborn Community School, graduating with the class of 1975. Following high school, Mark moved to Denver, CO, and later attended Worthington Community College in Worthington, MN. He then relocated to Brainerd, MN where he made many lasting friendships.

Finding himself without a driver’s license, Mark enlisted in the United States Army in March of 1979 – which changed his life for the better. Following his honorable discharge in 1981, he returned to Sanborn and began selling insurance and farming with his Dad; in 1990, he started managing his own agency. Mark was always proud to have been involved in the farming operation, especially when their land became a Century Farm in 2013. He understood and appreciated the hard work and risks taken by those who had come before him, and never forgot to be grateful for the opportunity to give back in his own way.

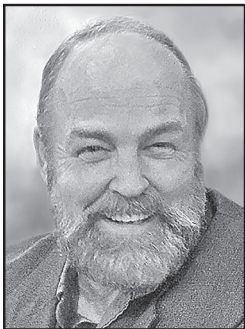

In 1987, Mark was united in marriage to Shelley Kaiser of Milford, Iowa; the union later dissolved. Their daughter, Ashley, was undeniably his pride and joy, the light of his life. In 2006, Mark was married to Karen Dorman of Sanborn, which later ended. Mark’s easy going, genial nature had garnered him many friends and acquaintances throughout his lifetime; especially close friends: Shelley, Karen, Jana and Diann.

Mark was a member of the Sanborn American Legion, serving that organization in different capacities; the latest being Post Chaplin. He was also a member of the First Reformed Church in Sanborn where he sang in the church choir, and also participated in a nondenominational men’s bible study group in Sanborn.

Sometimes it was hard to tell which Mark loved more - his tractor, his Harley or live music? Of his many travels, his favorite places took him to Sturgis, SD, Lake Havasu, AZ and Texas. It didn’t matter if he was riding on the open highway or sitting by the woodstove in his “shack” on the farm, he viewed a sunrise or sunset as a beautiful gift of nature. Yet nothing quite compared to a clear, full moon – especially during harvest or on a cold, Iowa winter night. If the fire got a little low, Mark could call on “man’s best friend”, Rex, to sit a little closer and get things warmed up again...he was always a ready companion. Mark loved the land, his family and friends, and the Lord, who he acknowledged as the Giver of all good things.

On Tuesday, September 14, 2021, Mark passed from this life at the age of 64 years. He was joyfully welcomed by: his grandparents; his parents, Ed and Alma Donkersloot; and his brother, Lyle.

Mark is survived by his daughter, Ashley Donkersloot (Lee Williams) of White Salmon, WA; sisters: Leanne (Jeff) Cline of Elgin, IA; Mary Donkersloot of Los Angeles, CA; and Rhonda (Eric) Rosenbaum of Dakota Dunes, SD; numerous nieces and nephews; other relatives and a host of friends. His free spirit will be greatly missed.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

I am responding to several recent letters to the editor concerning the Covid-19 vaccine; neither of which states the source or reference to any of the information they present. Readers are left to wonder what is fact, what is opinion, what is hearsay? Where does this information come from--radio, TV, Facebook, the beauty parlor, the neighbor next door? We need to know.

I am writing to relate my personal experience as a patient with medical doctors in this immediate area--Estherville, Spencer, and Sioux Falls--whose care I was under for a non-covid medical condition from March-August, 2021.

As I met with them for personal health problems, the question of the Covid vaccine came up. I wanted their opinion. Two medical doctors in Estherville Avera said that the vaccine is safe--get the shot. A surgeon in Spencer said that the vaccine is safe, get the shot. Two internists at Sioux Falls Avera said--get the shot, it is safe, and two cardiologists at North Central Heart Hospital, Sioux Falls, said that the vaccine is safe--get the shot. I can give the specific names of these medical professionals if you want. Contact me. These are trained doctors, not someone on Facebook.

Only a fool would ignore advice from people he trusted his life with, both in daily life and in the operating room.

My conclusion is this--trust your doctor. They know more than you do. The doctors at Avera, Mayo, the A.M.A. and doctors all over the world agree that the vaccine is safe. Ask your personal physician and trust him/her. Do not believe anyone else.

Don Brown,
 Estherville, Iowa

Rocking M Farm Store Fall Experience

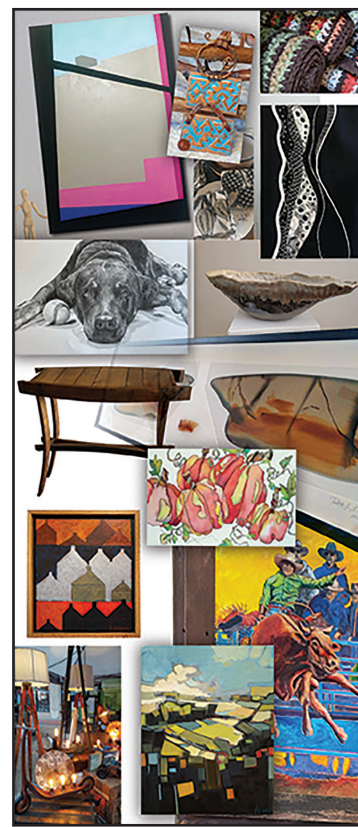

It's all about the experience! Discover artisans and activities at the Rocking M Farm Store, a small family farm in Linn Grove (4254 55th Avenue), from October 8--16. Choose from various activities, creative learning, doing and wellness adventures in a fun and relaxing rural setting. There will be hands-on workshops, talks and demonstrations throughout the nine day "Fall Experience".

There's nothing better than learning something new or returning to your artistic roots. Classes are small and attended by students of all skill levels, and instructors freely give close attention to each individual.

For a full list of classes and experiences, go to <https://www.rockingmfarmstore.com/something-new> where you can register and pre-pay. You can also find more information at <https://www.facebook.com/rockingmfarmstore>.

CDC Health Guidelines: We take safety precautions related to the pandemic seriously. Group class sizes are smaller to enjoy a personal experience and allow space to spread out and enjoy safe social distancing. Many of the activities will be held outdoors. While indoors, plenty of window ventilation is available with no forced-air heat/cooling in exhibit or class settings.

Don't hesitate to contact beth@rockingmfarmstore.com with any questions or concerns. Currently, masks are required while indoors, we encourage anyone who is unable or too young to be vaccinated to always wear a mask when present at the event. We will follow updated Iowa mandates.

Lake Street Transformation

Imagine Iowa Great Lakes (IIGL) in partnership with Historic Arnolds Park and the city of Arnolds Park are planning an upgrade to Lake Street in Arnolds Park. The project will feature traditional brick pavers and large shade trees, as well as layers of colorful landscaping, specialty lighting, and seating options. Materials, landscaping, and site furniture will tie Lake Street to other completed projects in the vicinity; the boardwalk, the Arnolds Park Promenade, and the Berkley Bedell State Pier. Harmony Park renovations will be included in this transformation, and will feature lighting with changeable shades, durable surfacing around the existing musical equipment, landscape beds, and new seating areas.

"We are so incredibly excited about this project," said Jeff Vierkant, CEO of Arnolds Park Amusement Park. "We have been blessed by some great improvements on our property over the past 4 years and this is going to be another one of those transformations that is going to change the way people enjoy our Park and our property and we can't thank Imagine Iowa Great Lakes and the City of Arnolds Park enough for their support," said Vierkant.

Some of the major elements of this design will include:

- Clay paver street and pedestrian spaces
- Honey Locust trees
- New lampposts with hanging baskets (these will match the Boardwalk lighting)
- Specialty catenary light fixtures over the street
- Red "feature" poles consistent with Arnolds Park signature branding
- Illuminated bollards to separate cars and people
- Low stone seat-walls, benches, and tables/chairs throughout
- Levels of colorful landscape – at grade and in raised planters
- Colorful surfacing and dynamic lighting in Harmony Park

The project is expected to begin in the fall of 2021 and will be complete by the summer of 2022.
