DEPARTMENT FOR THE AGING – MY RIDE PROGRAM

The City of New York Department for the Aging (DFTA) unveiled its My Ride program for our senior citizens. If you are over the age of 60 and/or have a disability and live in Community Board #10, you are eligible for this free on-demand car service! You can be driven to places such as doctor appointments, shopping malls, places of worship, supermarkets, or a local pharmacy. If you are interested in applying, please contact (212) 244-6469. If you need any additional assistance, please contact our office at (718) 892-1161. This is a great service for our most vulnerable and most deserving populations.

NEW YORK STATE EMERGENCY RENTAL ASSISTANCE PROGRAM

Mostly property owners receive this column. However, you may know someone who is a tenant that could use help from the New York State Emergency Rental Assistance Program (ERAP). ERAP provides financial relief to low- and moderate-income households at risk of eviction. If you need assistance completing the application, you can call (844) 691-7368. You are eligible if you qualified for unemployment insurance, live within a household that is or below 80% of the Area Median Income (AMI) and/or demonstrates a risk of housing instability since March 2020. Please pass this information to any tenant in need. If all else fails, you may call us at (718) 892-1161.

GET YOUR FLU SHOT!

In addition to the COVID-19 pandemic, it is officially flu season. Receiving your flu shot has never been more important as we await the upcoming fall and winter seasons. Local convenient stores such as Walgreens and CVS offer free flu vaccinations. We do not want to overwhelm our heroic healthcare workers by having them treat patients with the flu in addition to patients that contracted COVID-19. If you can, please consider taking someone you know with you when you go for the flu vaccination. If you need a face covering, please stop by our office to pick one up.
