The Internal Revenue Service (IRS) Will NOT Contact You By Phone

The IRS impersonation scam is back in the Cullman area with a vengeance. The Better Business Bureau has received numerous complaints about aggressive calls by fake IRS agents.

HERE'S HOW IT WORKS: You get a call from someone claiming to be from the IRS. The fake agent informs you that you are being sued for unpaid taxes. They may give you a fake badge number and name.

The "representative" tries to pressure you into paying a fee by using a prepaid debit card or wire transfer. If you don't pay up immediately the "agent" will sign a warrant for your arrest. No matter how much the caller threatens you, don't fall for it!

These scammers typically try to push you into action before you have had time to think.

The IRS won't call about payment or overdue taxes without first contacting you by mail. The IRS says it will never demand immediate payment, require a specific form of payment, or ask for credit card or debit card numbers over the phone.

If you receive one of these phone calls, report the incident to the Department of the Treasury at 800-366-4484 and call your local law enforcement agency.

GOSPEL SINGING, SUNDAY
 August 16th, 6 p.m. at Greater Vision Church with The Jamerson's from Cleveland, TN. Everyone Welcome!

The Bible gives he that committeth sin is of the devil and Christ was manifested to destroy the works of the devil (1Jn 3:8-10). Why do many Christian churches (43,000 different denominations) call Jesus Christ Lord, Lord, and do not the things He say (Lk 6:46, His Father's Words, Jn 14:24)? Many Christian's doctrine (belief) is that the grace of their God absolves all sin. Then why did Christ seek repentance (Mt 9:13, Mk 2:17, Lk 5:32), to confess (Jas 5:16, 1Jn 1:9), to be born again (Jn 3:3-7), to sin no more (Jn 5:14, 8:11)? Those who do or don't (Rev 21:7-8, 22:14-15)!

The U.S. Food and Drug Administration has expanded the approved use for Lucentis (ranibizumab injection) 0.3 mg and Eylea (aflibercept) injection to treat diabetic retinopathy (DR) in patients with diabetic macular edema (DME). Diabetic retinopathy is the most common diabetic eye disease and is a leading cause of blindness in adults in the United States. According to the Centers for Disease Control and Prevention, diabetes (type 1 and type 2) affects more than 29 million people in the United States and is the leading cause of new blindness among people ages 20 to 74 years. In 2008, 33 percent of adults with diabetes aged 40 years or older had some form of DR. In some cases of DR with DME, abnormal new blood vessels grow on the surface of the retina. Severe vision loss or blindness can occur if the new blood vessels break.

Patients taking digoxin to control atrial fibrillation face a 27 percent greater risk of dying than atrial fibrillation patients who are not taking digoxin, according to an analysis of 19 studies involving more than 500,000 patients presented at the American College of Cardiology's 64th Annual Scientific Session in San Diego.

Taking commonly used medications with anticholinergic affects is associated with a significantly higher risk for developing pneumonia in a study in the Journal of the American Geriatrics of more than 3,000 older Group Health patients living in the community— not in nursing homes.

Paulene Woodard Parker

October 14, 1924 ~ July 31, 2015

The family of Paulene Woodard Parker would like to thank everyone who sent flowers, prepared food, sent cards, spoke comforting words, said prayers for us, or simply blessed us with your presence following the loss of our beloved Mother & Grandmother. Your many acts of kindness will never be forgotten.

Our special thanks goes to Rev. Wayne Williams for the beautiful service, Kay Watson Townsend for the beautiful songs, to Jerry, Keith & Darrell of Moss Service Funeral Home for their many acts of kindness and support.

We love and miss Mother, but we find comfort in knowing she is with our Lord, is healed from Alzheimer's and we will be together again.

Dancing at Morningside of Cullman

Residents, staff and visitors enjoyed watching the "First United Methodist Dance Troop" perform several line dances. Mrs. Jean Holt is the organizer of the group and does an outstanding job. Everyone was dancing in their chairs as the group performed to the song, Saturday Night Fever. Thank you all for the wonderful show, we look forward to your next performance.
