The U.S. Food and Drug Administration has granted accelerated approval to Opdivo (nivolumab), new treatment for patients with unresectable (cannot be removed by surgery) or metastatic (advanced) melanoma who no longer respond to other drugs. Melanoma is the fifth most common type of cancer in the United States. It forms in the body's melanocyte cells, which develop the skin's pigment. The National Cancer Institute estimated that 76,100 Americans will be diagnosed with melanoma and 9,710 will die from the disease this year.

A large international study, published in The Lancet, has shown conclusively that statin treatment reduces the risk of cardiovascular disease in women. Whether statin therapy is as effective in women as in men is debated, especially for primary prevention. This study compared the effects of statin therapy between men and women. The research confirms that statins are beneficial not only to women who have already had a cardiovascular event such as a heart attack or stroke, but also in those who - while they have not yet developed cardiovascular disease - are at an increased risk of such diseases.

Women with Alzheimer's disease showed stable cognition for a year when leuprolide acetate (Lupron Depot), used to treat cancer in men and severe endometriosis in women was added to their drug regimen, according to a new study published in the Journal of Alzheimer's Disease.

The beast ordained many so called protestant Christian preachers with a poetic license to preach against The Holy Written Word of The Almighty and call it Christianity and his pagan holidays taught in most churches as a memorial to Christ. Some 43,000 denominations that cannot agree as one, yet all claim to be Christians! It was given unto the beast to think to change times and laws (Dan 7:25)! Why? It proves you as it did Adam (Rev 21:6-8, 22:14-15). Whosoever loveth The Almighty Holy Father is a witness to the beast's pagan ways of trying to nullify Righteousness. The Holy Messiah is the only acceptable Sheppard for the sinner (Jn 14:6), hear Him Mt 3:17, 5:17-19, 7:21-23, 17:5, Mk 9:7, Lk 9:35, Jn 4:22, 5:14, 46-47, 8:11, 14:15, 24, Acts 7:37, hear not Him Acts 3:23!
