# WELCOME - BENVENUTO!

## Ciao!

Welcome to the 11th Annual Italian American Heritage Festival. We anticipate great success again in our 11th year of celebrating the unique personality of Italian American heritage and culture in the Delaware Valley.

Our vendors will prepare their sweet and savory specialties once again that will take Festival attendees on a "culinary journey through Italy."

Savor the poetry and melody of Italian favorite songs from our renowned performers that capture the ears and hearts of all with each performance.

Italy has long been known as a leader in automotive design...peruse the sleek, streamlined designs that will have you swooning at the exotic Italian car exhibit right here in Rose Tree Park!

Visit the novelty tables with an eclectic selection of goods and services for all; watch some expert bocce ball playing; and be sure to bring the kids to the "Kid's Field of Fun!"

*Many thanks to the Rose Tree Park management and staff for their generous help in making the Festival possible!*

*We are pleased to welcome the following Dignitaries; we are grateful for their support of the Italian American Heritage Festival each year. We thank you for joining us in 2019 for The Decade Celebration ... A Salute to First Responders & Fallen Heroes "Those who put their own lives on the line to ensure our safety!"*

# CONTINUOUS ENTERTAINMENT

This year the Festival is pleased to welcome **Mary Lou Koch** and **Lauren Cifoni** as Masters of Ceremonies.

Mary Lou Koch has performed in theatre and does commercials in the Tri-state area. She appears on QVC; has directed for Murder Mystery Player; and has emceed at many ARA DelCo events.

Lauren Cifoni not only entertains as a guest singer in various chamber music recitals and concerts in both Italy and Philadelphia, but she has also debuted in title roles in the most prestigious theatres in Tuscany, Italy.

The Verdi Band will start the festivities with a parade around the grounds at Rose Tree Park at 11:00 a.m. to 12:00 Noon.

"Music is the Gospel of the Human Heart, the Soul of Humanity." These deeply

moving words were often spoken by Professor Loreto Marsella, the man who founded the Verdi Band in 1920 at the peak of the immigration phenomenon.

Prof. Marsella wanted to give the people something that would allow them to keep their heritage, their traditions and most of all, their faith. These then, were the driving forces which caused him to seek out men who felt as passionately about music as he did, and who shared the same desire to establish in their new country, the traditions of their motherland.

And so, with about 30 men, he began the "Verdi Band of Norristown." And now, over 100 years later, his legacy and his music continue.
