5 STAR REVIEW ★★★★★

My wife and I had rented a home on Spirit Lake for a week last August, but had not rented a boat in advance. Our children and grandchildren (15 of us total) also came up, so we knew we would want a boat. We called around to rent a boat, but none were available, and if they had been, they wanted \$5-600 per eight hr. day. Long story short, I decided to buy a boat! We went to Boji Boat, saw a boat we liked, and made an offer. The owner accepted our offer that same day, and within about 24 hours, we had test driven the boat, written a check, signed the paperwork, and had our boat delivered to our dock!! I cannot recall a time in my 66 years when I have had a better experience as a buyer. Julie and Barry (the owners) were great to work with! No pressure, no hassles, and extremely helpful. Boji Boat receives my highest recommendation! Bryan Rozendaal

Fareway Discontinues Weekly Print Ads

The Fareway grocery store in Spirit Lake will no longer have a full-page weekly ad in The Lakes News Shopper or any other print platform as their corporate office is finalizing the transition to go completely digital to advertise their weekly ad. Fareway first opened in Spirit Lake in 1985 and has advertised with The LNS since their opening.

"We have been proud to bring you Fareway grocery specials and deals in our paper for over 35 years, and have thoroughly enjoyed working with the many Fareway employees who strive to provide great customer service," said LNS owner/publisher John Adams, Jr. "Our circulation recently grew from 20,000 to 26,000 with the addition of Spencer in our coverage area, and we will continue to grow our brand to provide an outstanding reach for our customers through our loyal readers" continued Adams.

"We hope Fareway will reconsider this decision in the future and we look forward to continuing our strong relationship with the Spirit Lake Fareway staff through working on planned advertised specials," said Adams.

If you have comments or concerns about Fareway moving their ads to a digital platform, please reach out to their corporate office at 515-432-2623 or call the Spirit Lake store at 712-336-5802.

YMCA of the Okobojis Announces the 'Igniting A Healthy Legacy' Campaign

The YMCA of the Okobojis' (Bedell Family YMCA and Camp Foster YMCA) staff and volunteers have been working since the early months of 2019 to align the organization with a long-term plan for a fully sustainable Y now, and for years to come.

A feasibility study was launched in the fall of 2020 to investigate donor and community support for organizational reinvestment. Seeing positive results, a multilayered campaign was launched in December 2020 including renovations and new construction projects at Camp Foster, upgrades to the Bedell Family YMCA Aquatics Center and dedicated funding for endowment growth and long-term debt elimination. The \$6.5M Igniting a Healthy Legacy Campaign now has a clear path to achieving 100% fulfillment.

"We formed committees in the first quarter of 2021 with community members and supporters of the Y and Camp Foster who could reach out to potential donors on our behalf and share our vision for the future," said YMCA of the Okobojis CEO Andrew Fisher. "I'm thrilled to announce that through our campaign's divisional leaderships we were successful in raising over 70% of our campaign goal! We're now asking the public to help support our vision of Igniting a Healthy Legacy and raise the final \$2.1M. This has been an effort made possible by more than 100 volunteers across the Iowa Great Lakes and our country supporting the YMCA and Camp Foster."

Knowing the support of community members would be a vital key to the success of the campaign, Nate and Greta Gruys were recruited to serve as Campaign Chairs to help lead the charge and build relationships with volunteers and donors. "The YMCA and Camp Foster are wonderful assets for our community. One of the organization's best strengths is its ability to make a profound, positive, and lasting impact upon the lives of the people that both visit and live here, regardless of age, background, or income," said Greta. "Over time, the Y and Camp Foster's needs have continued to grow and evolve, and it must adapt to better serve the anticipated future needs of our community. This organization has been committed to strengthening our kids, families, and community, and now it is our time to give back and show our commitment as to why this organization matters to us. We all have a great opportunity to be a part of this investment in the future, not just for our Y, but for our families and the community that we all care so much for!"

Lakes Area Farmers Market News
Located at Dickinson Co. Fairgrounds
15th Street & Peoria Avenue, Spirit Lake, IA 51360

Thank you to all the loyal customers who shopped at Lakes Area Farmers Market in Spirit Lake this summer. We enjoy meeting new people each year and look forward to seeing old friends again. However the market has now closed for this season. A few produce vendors will stay outside on Wednesday and Saturday from 8:00am to 12:00 noon for a couple of more weeks to finish sales of fall produce. Then, on December 11, craft and baking vendors will be in the Community Building for 'A Handcrafted Christmas' event from 9:00am to 1:00pm. Some new craft vendors will be there too. This market will feature candy, baked treats, honey, eggs, decorating items, jelly, toys and games, crocheted and quilted items, wood crafts, soap, cards, and maybe even some fresh produce. More complete listings will be given as we get nearer to the event. Plan to attend 'A Handcrafted Christmas' this December 11, at the Community Building, on the fair grounds in Spirit Lake. We hope to see you there.

IT'S ONLY A PAPER MOON!
New band on campus

News of a new band in town is always good news, especially when its name is a part of musical history.

The story of several con artists in the 1930s was the foundation for the song, *It's Only A Paper Moon*, written by Harold Arlen, Billy Rose, and Yip Harburg. The lyrics (*Look 'em up or check out the song on YouTube*) require some knowledge of history to understand the references to such things as "A Barnum and Bailey World," which is a reference to the Ringling Bros. and Barnham and Bailey Circus that toured the United States from 1919, until about 2007. Reading the next question on your lips as to who was first to sing the song, *It's Only A Paper Moon*, we'll tell you it was Claire Carlson, in 1932; though the big hit came for *Nat King Cole's Trio*, in 1944, as a breakout from a self-titled first album. The song was much later recorded by Ella Fitzgerald...

The motion picture, *Paper Moon*, Starring Ryan O'Neal and his daughter Tatum, was released in 1973 with great box office success...

Two long-time area musicians, Mike Monnahan, and Tim Schumacher will handle the Guitar and Bass parts, while Milford native Rebecca Carlson is the vocalist in *The Paper Moon Trio*. The three will be performing Thursday, October 28th, at The Beach Club, in Arnolds Park. They are also scheduled to perform at the Inspiration Winery in Linn Grove, from 6:30-8:30, on Friday, November 19th.

In between those shows, Monnahan said the trio will be performing as a part of a fund-raiser for the Everly Heritage Museum, which will see its Ribbon Cutting and Grand Opening party on the weekend of November 13th, with the Trio performing that Saturday night...

Before we left for a brief vacation two weeks ago, we noted the success of the 2021 Clay County Fair from an entertainment standpoint. Right after we left, Fair manager Jeremy Parsons made some numbers public, noting, that after a hiatus in 2020, due to the COVID-19 pandemic, the Clay County Fair returned to a lot of sunshine and smiling fairgoers -- all eager to participate in many new events. Parsons measured the Fair's success with its youth Involvement of 708 4-H and FFA exhibitors from 42 counties in Iowa, Minnesota, and Nebraska participating in livestock and human sciences events, along with approximately 1,300 third and fourth grade students from 16 regional schools visiting the Fair as part of the AgCiting and SciCiting field trip programs coordinated by ISU Extension Clay County.

Fairgoer Spending at concessions, and carnival rides totaled over \$2.5 million dollars, breaking the record set in 2017. Preliminary fairgoer spending set three single-day records. More than 450 commercial exhibitors, concessionaires, and vendors showcased at the Fair. And with at least 150 ag-specific exhibitors, the Fair again hosted the largest farm machinery and ag equipment show at any fair in the United States.

Fair attendance totaled 277,389. Obviously, there were many records set this year -- more than we have space for in *Ramboling*; but you get the idea. Congratulations is in order to all who participated -- as concessionaires, vendors, volunteers, exhibitors, as staff, and/or visitors. To note a refrain from a Sinatra song, "It was a very Good Year."

You can find more details online @ <https://claycountyfair.com/history/bythenumbers/>

Glenn Henriksen will be performing in the Gallery at Spencer's Arts on Grand, on Thursday night, October 21st, from 7-9:00. AOG is also preparing for a new exhibition, *Dick Termes' Termespheres: The Total Picture*, on November 13th....

Thursday night will see Mark Lair on the stage in the barn at the Little Swan Lake Winery, from 6-8:00. *Duo Republic* will follow on Saturday, from 6-8:00. *Storm Rising* will take that same stage on Sunday, from 4-6:00...

Research director RD came up with "Something Nice" this week to celebrate today as Do Something Nice Day. Her suggestion involves the song *Try a Little Kindness*, the title track from Glen Campbell's 1969 Capitol LP. The song was written by Curt Sapaugh and Bobby Austin. Amazingly, it was a hit on three different music charts -- Country, Billboard Hot 100, and Adult Contemporary, where it peaked at Number One for just one week...

Tin Pan Alley composer **Vernon Duke** was born on October 10, 1903, and posthumously inducted into the Songwriters Hall of Fame in 1970. His catalog of music features well-known titles such as *Taking a Chance on Love*, *I Can't Get Started*, and *April in Paris*, which was most famously performed by Ella Fitzgerald, with *The Count Basie Orchestra*, in 1956...

Huge Game for Hawks

Iowa will host one of their biggest games in recent memory when Penn State comes to Kinnick Stadium on Saturday for a 3:00 kickoff. This is a top five matchup between the #3 Hawkeyes and #4 Nittany Lions and will go a long way to helping one of these teams have a solid chance at making the College Football Playoffs. One could argue the game is bigger for Penn State as far as their BIG championship hopes as the Nittany Lions can ill-afford a loss because they have #7 Ohio State and #9 Michigan in their division while there is not another team in the West that is sniffing the Top 25.

Iowa flexed their muscle against Maryland on Friday night in a game that featured two 4-0 teams heading into the game that the Hawkeyes dominated in their 51-14 win. Iowa forced seven (no that's not a misprint) Terrapin turnovers, including six interceptions, and Spencer Petras threw for three touchdowns while running for two in the Hawkeye route. Maryland's Taulia Tagovailoa came into the game leading the BIG in passing with just one interception, but Iowa's defense picked Tagovailoa off five times and the Hawks outscored Maryland 31-0 in the second quarter to blow the game wide open. Iowa's defense leads the nation with 12 interceptions (no other BIG team has more than five), and the unit continues to put the offense in great field position with their turnovers. If the Hawks don't force a turnover, they are capable of flipping the field with All-American punter Tory Taylor.

Penn State enters this contest coming off a 24-0 win against Indiana and looks very similar to Iowa. Much like Iowa, the Nittany Lions are fueled by an incredibly strong defense. Penn State is allowing only 4.7 yards per play and has allowed only 10 total points in their two BIG victories. Also similar to Iowa is that Penn State had a very impressive non-conference win when they took down #18 Auburn 28-20 a week after Iowa won 27-17 at then #7 Iowa State. Another similarity in these two teams is that neither offense has been spectacular, but both have had moments where they have shown potential. Penn State's passing offense ranks 42nd nationally with 286 yards per game, but their rushing offense is 164th nationally at 132 yards per game. Iowa's passing offense is 169th nationally at 194 yards per game and their rushing offense is 173rd with 126 yards per game.

All this sets up to be a defensive showdown in front of a frenzied Kinnick Stadium crowd. Although the offensive numbers haven't shown it yet, I do think Iowa's offense is more explosive than Penn State's with running back Tyler Goodson and the big arm of Spencer Petras. I also believe that Iowa's defense is superior to Penn State's and will once again win the turnover battle, which will be the key factor in this game. Look for Iowa to continue their strong start with a 21-10 victory over the Nittany Lions, giving the Hawks two Top 10 victories and putting them strongly in the driver's seat of the BIG West.

Be a Tourist in Your Backyard

by Rebecca Peters, Okoboji Tourism Director

Each year thousands of people visit the Iowa Great Lakes to enjoy the activities and attractions our area has to offer. Join me each week as I become a tourist in our backyard to explore a few of the spots that make the Iowa Great Lakes special!

This week I went to Boji Scare at Arnolds Park Amusement Park. This is the second year Arnolds Park has offered this haunting experience. It continues every Friday and Saturday through October beginning at dark.

Entered Boji Scare at the Arnolds Park Raceway. They limit the number of people who enter at a time, so the group ahead of you doesn't ruin your scare. While waiting in line, spooky characters roamed around setting the mood for the evening. The girls waiting in line behind me warned me that I would be terrified going through, but I'd survive. The closer I got the entrance, the less I was sure of that. (I don't even like watching scary movies!)

Boji Scare is a winding path through the entire amusement park. Around, what felt like, every corner was a spooky character lingering and ready to jump out and scare me. I would scream at the top of my lungs and then immediately start giggling at myself. At times I thought, "Nope! I'm not going any further," but then I kept going and of course got scared again! By the time I exited at the normal entrance of the park my throat was scratchy from screaming, but I was already thinking about who I was bringing with me next week! It was such unexpected fun!

The Iowa Great Lakes Area has a wide variety of fall attractions like Boji Scare to keep us entertained! Take advantage of this spooktacular experience! It's definitely fun for high school and young adults, but regardless of your age I'd recommend getting a group of friends together for this! Learn more about Boji Scare and all of the fall fun Okoboji offers at www.VacationOkoboji.com.

Obituaries

David Ralph Smith, 70, of Milford, passed away peacefully in his home on Thursday, September 30th. Dave was born November 17, 1950, to Bonnie (Brown) and Francis "Smitty" Smith. In 1970, Dave graduated from Spirit Lake High School and started working for Dickinson County in the Engineer's Office. By the time he retired in 2006, Dave had worked for the county for over 36 years. He was united in marriage to Beth (Rickman) on December 28, 1971. To this union, Dave and Beth were blessed with the birth of their only child, Kathy, in 1976.

Dave loved walking on the Henderson Trail, playing cards, listening to music and spending time with his grandkids.

Dave was preceded in death by his parents Bonnie and Smitty Smith, his brother Roger, and in-laws Jody and Bob Rickman.

He is survived by his wife, Beth, of 49 years; daughter Kathy; grandchildren Liam (f. Burkelyn), Jack, and Brooke; siblings Bonnie (Bill) Duhn, Marvin (Kathy) Smith, Bruce Smith; many nieces and nephews.

A celebration of Dave's life will be held 10:30 a.m. on Thursday, October 7th, at Calvary United Methodist Church. There will be visitation from 5:00 p.m. until 7:00 p.m. on Wednesday, October 6th, also at the church. A graveside service and interment will be held at a later date. Arrangements are under the direction of the Schuchert-Lentz Funeral Home in Spirit Lake. Online condolences may be left at www.spiritlakefuneralhome.com. The family is requesting no flowers; memorials will be used to purchase a bench on Dave's beloved Henderson Trail.

Obituaries

Fareway Discontinues Weekly Print Ads

The Fareway grocery store in Spirit Lake will no longer have a full-page weekly ad in The Lakes News Shopper or any other print platform as their corporate office is finalizing the transition to go completely digital to advertise their weekly ad. Fareway first opened in Spirit Lake in 1985 and has advertised with The LNS since their opening.

"We have been proud to bring you Fareway grocery specials and deals in our paper for over 35 years, and have thoroughly enjoyed working with the many Fareway employees who strive to provide great customer service," said LNS owner/publisher John Adams, Jr. "Our circulation recently grew from 20,000 to 26,000 with the addition of Spencer in our coverage area, and we will continue to grow our brand to provide an outstanding reach for our customers through our loyal readers" continued Adams.

"We hope Fareway will reconsider this decision in the future and we look forward to continuing our strong relationship with the Spirit Lake Fareway staff through working on planned advertised specials," said Adams.

If you have comments or concerns about Fareway moving their ads to a digital platform, please reach out to their corporate office at 515-432-2623 or call the Spirit Lake store at 712-336-5802.

Walk for Breast Cancer Awareness

Breast cancer is the most commonly diagnosed cancer in women. About one in eight women will develop invasive breast cancer in her lifetime. (Just a heads up, there are risks to men too, though much lower; approximately one in 833 men will develop breast cancer in his lifetime). It's important to focus and encourage early detection as breast cancer is often successfully treated when caught early, and to educate people about diagnostic and treatment options. You can help by joining in the 2021 Breast Cancer Walks for Awareness throughout the month of October.

"Typically we do a one-day event for our Breast Cancer Awareness Walk, which is so fun and impactful, yet we've sometimes run into inclement weather on that day. Also, we're also conscientious that we typically attract a crowd of around 200 participants, which is terrific, yet with higher COVID-19 positive numbers lately, it didn't feel responsible to host a health-focused event with that many bodies side-by-side," explained Jeannette Hasley, Women's Health Director at Spencer Hospital. "So, we're giving everyone an opportunity to walk one day or more days, or even every, day of October in their personal Pink Walk for Awareness."

Participation is easy. Dress in pink apparel and take a brisk, healthy walk in your community. Take a photo of yourself or you and your group while walking, then send to Spencer Hospital's marketing department at marketing@spencerhospital.org or to the hospital's Facebook Messenger page. Your photo will be posted during the month to help promote breast cancer awareness, and you'll also be entered into a drawing for a fun Pink Gift Package.

On Wednesday, Oct. 6, is Iowa's Healthiest State Walk so people could choose to participate in the Healthiest State Walk and wear pink for breast cancer awareness. For more information on the Healthiest State Walk, check out the website at www.iowahealthieststate.com.

"We especially wish to remind women to schedule their screening mammogram," Hasley said. "Typically, women age 40 and older qualify for an annual screening mammogram; however, coverage may vary depending on your insurance. Also, for those who are uninsured or under-covered through insurance, check with Clay County Public Health about the Care for Yourself program, which offers assistance for women's health screenings including breast and cervical cancer screenings."

Hasley added that Spencer Hospital's Women's Health Center offers educational materials regarding a myriad of women's health topics, including breast cancer. The Women's Health Center is accredited by the American College of Radiology as a Breast Imaging Center of Excellence and features 3D mammography. All of Spencer Hospital's mammographers are registered through the American Registry of Radiologic Technologists.

If a breast health concern is detected, the hospital has certified breast health navigators to assist patients through their treatment journey. For more information regarding services, go to www.spencerhospital.org.

ISU Extension and Outreach Dairy Team Launches Spanish Newsletter

Topics include life skills and other areas of interest

The Iowa State University Extension and Outreach Dairy Team has been proactive in bringing education to Spanish-speaking employees in the agricultural industry over the past several years.

This has included on-farm training, videos and resources for working in dairies. While sharing these resources, the team found that a focus on life skills in Spanish was also needed to help the two cultures understand and prosper in these changing times.

That idea evolved into partners across the communities joining together to provide a bi-monthly newsletter in Spanish to bring timely and topical information to employees and their families. The "Latinos Trabajando en Siouxland/Celebración de Vida" newsletter has been distributed to employers in Northwest Iowa for placement on breakroom tables and throughout local businesses. It is also available as a free download at <https://www.extension.iastate.edu/dairyteam/hispanic-resources>.

While producers use the dairy team's Spanish videos and brochures to teach professional skills, this newsletter will address life skills for employees working in a new culture, according to Fred Hall, dairy specialist with ISU Extension and Outreach.

"The dairy team is excited to expand our reach to Spanish-speaking employees in the food-producing and handling industries," said Hall. "By working with employers to make the newsletter available on break room tables, we hope it develops conversations on topics that will help blend the two cultures in the workplace."

In addition to the Iowa State University Extension and Outreach dairy team and the Human Sciences team, Iowa Legal Aid and Head Start are partners who have provided information for the first issue. Other community service providers are encouraged to become partners and can do so by contacting Fred Hall, dairy specialist with ISU Extension and Outreach, at 712-737-4230 or fredhall@iastate.edu.

Iowa agricultural or other industry employers with Spanish-speaking employees can be added to the mailing list by contacting ISU Extension and Outreach Sioux County at 712-737-4230.

For more information, contact Fred Hall at 712-737-4230 or fredhall@iastate.edu.

bridge to life

The Bible teaches that God loves all men and wants them to know Him.

But man is separated from God and His love.

“God is on one side and all the people on the other side.”
(1 TIMOTHY 2:5)

Why is man separated from God and His love?

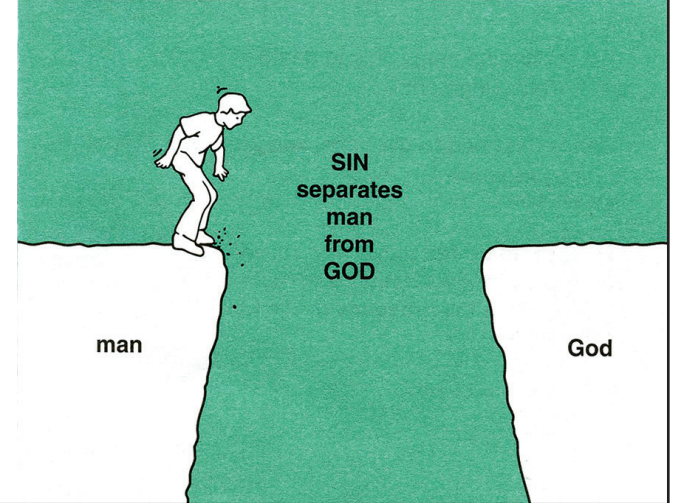

Because he has sinned against God.

“Your sins have cut you off from God.”
(ISAIAH 59:2)

“All have sinned and fall short of the glory of God.”
(ROMANS 3:23)

Where does this separation lead?

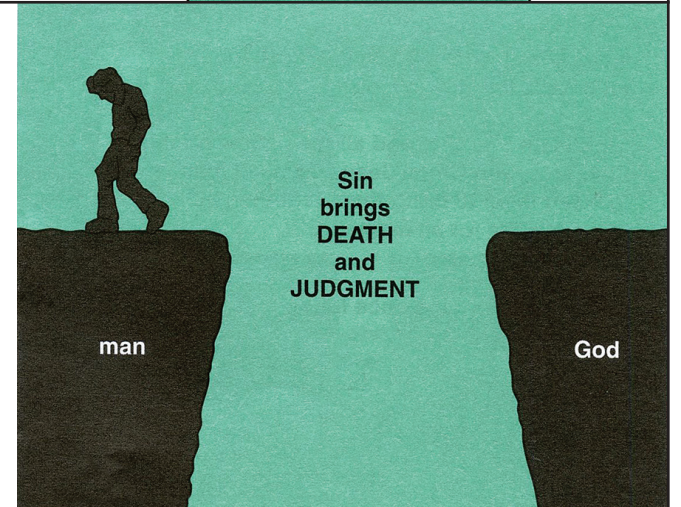

This separation leads only to death and certain judgment.

“Man is destined to die once, and after that to face judgment.”

(HEBREWS 9:27)

“Those who do not know God ... will be punished with everlasting destruction and shut out from the presence of the Lord.”
(2 THESSALONIANS 1:8-9)

But, there is a solution.

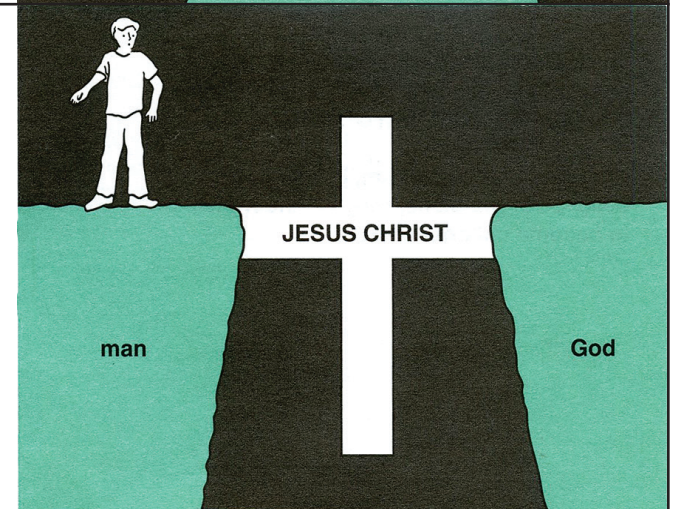

Jesus Christ, who died on the cross for our sins, is the way to God.

“God is on one side and all the people on the other side, and Christ Jesus, Himself man, is between them to bring them together, by giving His life for all mankind.”

(1 TIMOTHY 2:5-6)

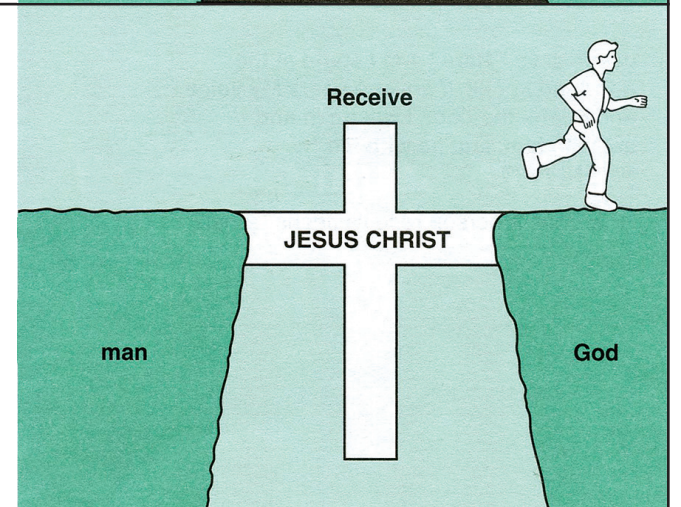

“Christ died for sins once for all... to bring you to God.”
(1 PETER 3:18)

Does this include everyone?

Yes. But only those who personally receive Jesus Christ into their lives, trusting Him to forgive their sins, can cross this bridge.

“To all who received Him, to those who believed in His name, He gave the right to become children of God.”
(JOHN 1:12)

Jesus says, **“Here I am! I stand at the door and knock. If anyone hears My voice and opens the door, I will go in and eat with him, and he with Me.”**
(REVELATION 3:20)

How does a person receive Jesus Christ?

Everyone must decide individually whether to receive Christ.

Jesus said, **“You may ask Me for anything in my name, and I will do it.”**
(JOHN 14:14)

Therefore, if you pray sincerely, asking Him this:

**Lord Jesus, please come into my life and be my Savior and Lord.
Please forgive my sins,
and give me the gift of eternal life.**

He will do it now.

If you have invited Jesus Christ into your life, the Bible says you now have eternal life.

“God has given us eternal life, and this life is in His Son. He who has the Son has life; he who does not have the Son of God does not have life.”
(1 JOHN 5:11-12)

Free Medicare Guidance

It can cost you money not to review your Medicare Part D drug coverage annually. In one hour a Senior Health Insurance Information Program (SHIIP) counselor can complete a review and let you know if you can save money and make sure you have access to the medications you need.
 SHIIP counselors Pat Andersen, Robert Emgarten, Jim Hitchcock, Milo Kindwall, and Betsy Tonsfeldt are available to help anyone newly eligible for Medicare or already on Medicare:
 • Check current Part D or Medicare Advantage plans to make sure medications are covered at the lowest cost and with the least amount of restrictions
 • Review employer drug coverage and compare to other Medicare options
 • Check eligibility for Part D Extra Help
 • Understand options if currently not enrolled in a drug plan
 This is a great opportunity for people on Medicare to review and choose what coverage they want for 2022. Every year Medicare Part D and Medicare Advantage plans can change their premiums, deductibles, co-payments, benefits, and the drugs they cover. To avoid costly surprises on January 1, a free, confidential counseling appointment with a SHIIP volunteer may be beneficial. Appointments are held at Lakes Regional Healthcare. Those with SHIIP appointments are encouraged to enter the hospital through Door A, which is the main door on the west side of the hospital off of Highway 71.
 Although counseling services are available year round, the open enrollment period for Part D drug coverage and Medicare Advantage plans runs from October 15 through December 7. Those interested in scheduling an appointment can call 712-336-6698 Monday through Friday from 8:00 am until 4:30 pm.

Duffy Featured at Kiwanis Meeting

Enthusiasm was on full display as Lexi Duffy, OHS Senior, gave an informative program for a recent meeting of the Milford Kiwanis Club. Lexi, pictured above with Kiwanian Eyleen Anderson, told the group about her experiences with Girls State this summer. Lexi was chosen to be a delegate by the Milford Legion Auxiliary unit, who was happy to support Lexi in this endeavor.

There were 130 girls present at this virtual training, necessary because of the pandemic. The camp was designed to teach girls about local and state government, and Lexi stated they did a great job of not only informing the attendees about leadership and government functions, they also made the experience fun and very relevant. Lexi relishes public speaking and was determined and passionate to gain as much out of this experience as she could. Girls were assigned to one of two political parties, and represented fictional districts within the state. One of their assignments was to author a bill that would become part of their political party's platform. Lexi chose to submit a bill to "Reform the Foster Child System."

Each state can send two delegates to the national "Girls Nation" training, and Lexi was so excited to learn she was one of them! She flew out of Sioux Falls to Washington, DC, where the training was held at the William Boulder Conference Center. There were a total of 94 "Senators" present, and Lexi not only met every one, she also memorized everyone's name, a remarkable feat! She was nominated and ran for President, but was defeated. She did end up with an appointment as an Associate Justice on the Supreme Court. She was happy to report that the bill she proposed at the state training was fortunate enough to be adopted at the national level.

In closing, Lexi told us that "...when you have a group of people who are passionate about getting things done, it will get done. This experience not only builds emerging relationships, it also grooms future leaders of America." The Milford Kiwanis Club has no doubt Lexi will be one of those leaders!

A Special Okoboji Queen

Members of Iowa Questers Okoboji Queen Chapter celebrated their tenth anniversary with a very special tea featuring a very special program "The Life and Times of Sue Fontaine," the chapter's 97 year-old co-founder.

After being seated at the beautifully decorated tables and enjoying a varied menu, at the home of Immediate Past President Donna Mau, the Questers wearing hats appropriate for a special occasion, listened as Co-founder Sue Fontaine began her story.

She was born in the small town of Rolfe, Iowa, in the Victorian home of her maternal grandparents. She shared an old photo of the house that she lamented was not restored or preserved.

Sue's childhood and teenage years always included summers at her grandparents' cottage at Lake Okoboji. Despite growing up in Sioux City, Iowa, she considers Okoboji as "home" and told of the early years on the lake sailing and visiting the original Amusement Park and the many entertainment sites that are now long gone.

After graduating from the University of Iowa, with a journalism major, Sue went on to marry, raise two children, get a master's degree in library science from the University of Missouri, and move around the country with her husband, a geologist with Shell Oil. Professionally she became the first female TV producer in New Orleans, LA and later worked in the New York City Public Library system eventually being the Public Relations and Marketing Director for the Queens Library which had the largest circulation numbers in the United States. Sue wrote numerous publications and was once listed in "Who's Who in America." At the tea she shared many photographs and souvenirs from her past.

After retiring, Sue chose to come "home" to her family's 124 year-old cottage on the shores of West Lake Okoboji but spends winters near her daughter in St. Louis, MO. Fortunately for Questers Sue is an enthusiastic member who with Daphne Davis co-founded the local Okoboji Queen Chapter #1489 in 2010. This founding was celebrated this year in grand style by chapter members.

Beginner Trapping Workshops

The Iowa Department of Natural Resources (DNR) is offering a program to teach skills needed to trap furbearers. The workshops feature several knowledge and skill building sessions teaching the basics of trapping in Iowa for those with little to no trapping experience.

Participants will learn basic strategies for trapping such as proper equipment, trap placement, trapping regulations and steps for preparing hides for trade.

"This program provides the opportunity to learn the skills and the knowledge it takes to learn the tradition of trapping as a means of sourcing fur," said Jamie Cook, program coordinator with the Iowa DNR.

The course will take place at the Lost Island Nature Center northeast of Ruthven, Iowa, on October 10, and in St. Charles, Iowa on November 20. Each course is designed for participants 16 years of age and older. Space is limited, so early registration is encouraged.

For more information and to begin the registration process for the October 10 workshop in Ruthven, visit: <http://events.constantcontact.com/register/event?llr=dep4quab&oeid-k=a07eikfqc3b1fd7deac>

For more information and to begin the registration process for the November 20 workshop in St. Charles, visit: <http://events.constantcontact.com/register/event?llr=dep4quab&oeid-k=a07eikfrvfd03f426a5>

The program is provided through a partnership with the Iowa DNR and Iowa Trapper Association. It is part of a national effort to recruit, retain and reactivate hunters, anglers and trappers due to the overall decline in hunting and outdoor recreation.

Knights of Columbus Coats for Kids

The Iowa Great Lakes Knights of Columbus Council 5043 is again holding its Coats for Kids campaign this month. They distributed new hats, coats, gloves and snow pants to children at Spirit Lake Elementary School in the past, and are focusing this year on Graettinger/Terril and Harris/Lake Park school districts.

Anyone may donate new hats, coats, gloves and snow pants for elementary school aged children. Donations of clothing or money (checks payable to Knights of Columbus) may be dropped off at St. Mary's Catholic Church, 1005 Hill Avenue, Spirit Lake. Or call Grand Knight Jed Skogerboe with any questions 712-330-8892.

Iowa Great Lakes Council 5043 is one of the most active in Iowa, in the past two years contributing more than \$18,000 to local community needs, including Hope Haven, Iowa Helping Hands Fund, American Wheelchair Mission, the Grotto of the Redemption, Cherish House, as well as to local family, community and parish needs. Local Knights sponsor annual youth events including the Free Throw Competition and the Knights of Columbus Spelling Bee. They also run the Tootsie Roll Drive for Persons with Intellectual Disabilities over Labor Day weekend, and the Soup and Pie supper in the fall, benefiting local organizations.

The Knights of Columbus is an international Catholic family fraternal service organization with 1.9 million members in more than 16,000 local councils. Last year, Knights donated more than 76.7 million volunteer hours and \$185 million to charitable and benevolent causes, sponsoring projects to benefit their church, councils, communities, families and youth.
