OPEN HOUSE

• MONDAY OCT 4TH FROM 5 TO 7PM •

September 2021

Dear Citizens,

The Orange City Fire Department continues to be grateful for the support of the citizens of Orange City. Your continued support has given us the ability to host many more trainings and hosting of classes with our recently upgraded and remodeled station. We have also been able to keep our other equipment up to date because of the community's support. We remain grateful for your support!

Membership in the department currently has 25 firefighters on call, assisted by 1 student firefighter from local high schools. We strive to have 30-32 fulltime firefighters so if you or someone you know are interested in serving the community contact us or visit our website at orangecityfire.com to download an application.

The focus of our fundraising efforts this year is to fund for future truck replacement. We currently have two units that are coming due or are due for replacement. Currently we are excited to report that we have received a FEMA grant to replace our Tanker 64, a 1968 Chevy ,1400-gallon tanker truck, for which we will need to contribute a percentage of the total purchase price for this unit. Also Ladder 61, a 1998 105ft aerial ladder truck will be coming up for replacement in the next few years. If you would like to support this project, send a check to

Orange City Fire Department □ 125 Central Avenue SE □ Orange City IA 51041

This years Fire Prevention Week theme is "Learn the Sounds of Fire Safety" It puts the focus of educating children and adults about smoke and carbon monoxide alarms, their necessity, and how the sounds they make help save lives.

As always, Fire Prevention Week is a reminder to **test** home smoke detectors and **replace** weak batteries as well as detectors that are more than 10 years old. This year on Wednesday October 6th, join us for an open house at the station, we will be serving a sandwich and drink from 5-7 pm. Come join us and check out your station and equipment.

Thanks again for all your support!

Denny Vander Wel
Chief, OCFD
