A study published in the Annals of Internal Medicine examining the impact of the two most commonly prescribed oral diabetes medications on the risk for heart attack, stroke and death has found the drug metformin has benefits over sulfonylurea drugs. The study found that both drugs do a good job helping control diabetes and preventing nerve damage and eye disease associated with high sugar levels, but for every 1,000 patients who are using metformin for a year there are two fewer heart attacks, strokes or deaths.

* * *

A new study from Denmark published in the New England Journal of Medicine found that people who regularly used statins to lower cholesterol and then received a cancer diagnosis were 15% less likely to die from cancer or any other cause than cancer patients who had never used statins. Statins are the most commonly prescribed drug for lowering cholesterol and reducing the risk of heart disease.

* * *

If you've had joint replacement surgery, it's likely you've been given warfarin, a common blood thinner and clot-preventer, prior to surgery. While effective, research from the Rothman Institute at Jefferson has shown aspirin to be just as effective in preventing clots, specifically pulmonary emboli, life-threatening blood clots that can develop in the arteries of the lungs following joint replacement surgery.

Estelle Penn

July 8, 1925 ~ March 25, 2015

We would like to thank everyone who had a part in Mother's life the past 3 years. The wonderful people, staff and Mr. Bailey at Country Living. You began this journey with her when she was no longer able to live alone. She made many new friends who helped her enjoy her stay there. We would also like to thank the doctors, nurses and staff at CRMC, the nurses and staff at Summerford Nursing Home, and the nurses and staff at Woodland Nursing Home who took wonderful care of Mother up to the end of her journey. A special thanks to Comfort Care Hospice who helped make her last days easier for her and her family. Also thanks to her roommate and friend, Mrs. Hadden.

We would like to thank Doug Williams and his staff at Cullman Heritage Funeral Home. We want to thank Patrick Penn for his comforting words of her life and her belief in God. Richie Penn for speaking about Biblical principles that she believed in and lived by. Kriston Heatherly for the descriptive poem she wrote for Granny's 85th Birthday, Jeff Penn for the beautiful singing of her favorite hymns, and the grandsons that served as pallbearers.

Our deepest appreciation to Ebenezer, Spring Hill and Macedonia Baptist Churches and Beulah Church of Christ for food, prayers, visits and anything else you did for the family. To all the wonderful friends who called, sent cards, flowers and gave donations to Gideon's and Comfort Care Hospice; your thoughtfulness will never be forgotten.

The Penn Family

Church Christians think to be under a new covenant, Bible Christians (Acts 11:26) knew they were under the covenant given to Israel. The Bible only shows a new covenant for Israel and Judah (Jer 31:31, Heb 8: 8-13,12:22-29). The Holy Father changes not (Mal 3:6), His Holy Son (Christ) is the same yesterday and to day and for ever (Heb 13:8). The so called Christian holidays and worship that many think are showing honor to Christ is not Biblical. The Bible and history reveals most of these days are from heathens and brought forth as Truth. Why Christ said in vain they do worship me, teaching for doctrines the commandments of men (Mt 15:9), He does not receive honor from men (Jn 5:41). The Bible: do not add to or take away from (Deut 4:2, Rev 22:18-19). Be vigilant of words not proved by the Bible (2Cor 11:13-15, 1Pet 5:8)!
