Walk MS: Cullman Heritage Park

March 28 • 9 a.m.

Walk MS is a rallying point of the Multiple Sclerosis Movement, a community coming together to raise funds and celebrate hope for the future. It connects people living with MS and those who care about them. It is an experience unlike any other as people celebrate the progress that has been made, and show the power of connections.

The dollars raised support critical MS research along with programs and services for people living with MS. Participation is free, but participants are encouraged to set a minimum fundraising goal of \$100. Individuals raising \$100 will receive the official T-shirt, and participants raising \$500 or more are eligible for other awards and prizes.

Joining or forming a team makes Walk MS an experience you won't forget! And the camaraderie of a team shows those affected by MS that they are not alone – that the movement is working together to end MS forever. If you start your own team, you'll rally friends, family and co-workers together to change the world for everyone impacted by MS.

Join Walk MS and start fundraising today! Call 1-800-344-4867 or go to www.walkms.org

Fishing For A Cure 4 ALS Bass Tournament Scheduled

Smith Lake Park will be the setting April 25 for the 6 a.m. launch of the second annual Fishing For A Cure 4 ALS Bass Tournament. Registration begins at 4 a.m. and weigh in is at 2 p.m. Entry fee is \$100 per boat. Guaranteed payouts will total over \$3000, including \$1000 for first place, and \$250 for big fish. All proceeds will benefit the Fishing For A Cure 4 ALS Walk in Huntsville.

Sponsorships are also available at several different levels. If you have any questions please contact Marc Harris at 256-338-1618, Adam Harris at 256-338-5314 or Dennis Wright at 256-531-4659.

Amyotrophic lateral sclerosis (ALS, also known as Lou Gehrig's Disease) is a progressive neurodegenerative disease that affects nerve cells in the brain and the spinal cord. Eventually, people with ALS lose the ability to initiate and control muscle movement, which often leads to total paralysis and death within two to five years of diagnosis. For reasons unknown, military veterans are twice as likely to develop ALS as the general population. There is no cure and only one FDA approved drug, which modestly extends survival. However, with your help, The ALS Association works tirelessly to fulfill its mission to create a world without ALS.

CHRISTIAN AND SON, LLC HEATING AND COOLING

256-590-1227. Folks we are offering a \$40 full system maintenance this spring. During our maintenance we will inspect all components for wear or an out of tolerance condition, such as fan motors, contactors, capacitors. Additionally we test your defrost control board, termination switch, high and low pressure switches, condensate control switches and we will clear your condensate drain. The condenser coil will also be cleaned. The unit will also be checked for refrigerant leakage and levels and we will apply a coating of protective wax to the outdoor unit. So give us a call today to schedule your Spring Maintenance. It'll be the best 40 bucks you ever spend! Christian and Son LLC, fast, affordable service! 256-590-1227, AL02065 Mar. 18

PHARMACY TOPICS

by **Eddy Hoenig**
Hospital Discount WEST

The drug Stelara (ustekinumab), used to treat the skin condition psoriasis, may also be effective against Crohn's disease, according to a new study published in the New England Journal of Medicine. Crohn's disease patients with moderate-to-severe cases of the debilitating inflammatory bowel disease experienced improvements after six weeks of treatment, the team noted. Roughly 700,000 Americans are currently affected by Crohn's disease, which can cause diarrhea, intestinal bleeding and weight loss as well as complications, such as bowel obstruction and abscesses. There is currently no known cure for the condition.

The U.S. Food and Drug Administration has approved Jetrea (ocriplasmin), the first drug approved to treat an eye condition called symptomatic vitreomacular adhesion (VMA). VMA can contribute to eye problems if the vitreous jelly in the center of the eye starts to move away from the macula (a part of the retina responsible for reading vision). This movement can lead to damage of the macula due to pulling or tugging on the macula.

Statin use is associated with protection from esophagus cancer, according to a new meta analysis of existing clinical studies exploring the cancer prevention effects of statins presented by a Mayo Clinic researcher, Dr. Siddharth Singh, at the American College of Gastroenterology 77th Annual Scientific Meeting in Las Vegas, NV. An analysis of a subset of patients with Barrett's esophagus, a pre-malignant condition associated with chronic acid reflux, revealed that in this higher risk population, statin use was associated with a significant 41 percent decrease in the risk of adenocarcinoma of the esophagus.

Reasons for Pre-planning

• Make Logical Decisions

Pre-planning prior to an illness is less emotional; therefore resulting in more practical decisions.

• Make Your Wishes Known

Pre-plan as many details as you so desire.

• Economical

Prices are locked in with no price increases. This could save hundreds, even thousands of dollars.

• Peace of Mind

Knowing you are not leaving your final arrangements to grieving loved ones.

John Croyle

Former college football All-American, John founded and is the executive director of Big Oak Ranch, a home for abandoned and abused children. As a young man, John passed up a lucrative opportunity to play in the National Football League to do what God had placed on his heart, developing the best children's home in America.

Chad Williams

Chad is a retired Navy seal who served on Seal Team One and Seven. He has been a featured guest on Fox News, CNN, Anderson Cooper 360, TBN and the Hour of Power. He uses the principles learned as a Seal to speak on Leading Like a Seal, Freedom Paid for in Bloodshed and Tragedy to Triumph.

Jerry Lawson

Lead Pastor at Daystar Church in Cullman, Pastor Jerry clearly and often humorously describes the unique man that God created. He will also help us understand why it is so important for men to be the strong leaders of their home, family and community.

Resident has a Special Visitor at Morningside of Cullman

Ms. Lois Ward had a wonderful surprise Friday March 13th when her granddaughter Allison and great grandson Isaac came for a visit from Hawaii. This was the first time Lois saw her great grandson in person and he is now 15 months old. Pictured is Lois with Great Grandson Isaac, and pictured left to right, Lois's daughter-in-law Jennifer, granddaughter Allison holding Isaac, Lois and Lois's son Neil Ward. Little Isaac has been a great entertainment for the residents and staff during his visits.

Many so called Christian preachers call Christ master (Lord) but oppose His Word which is hypocrisy. Will teach against the atheist (heathen), also against the antichrist (who will spread evil on earth). And say they believe all the Bible (front to back) then teach man's false doctrines as truth that opposes The Holy Christ's Words and call it the new covenant of Christ (Mt 5:18, 15: 9, Heb 13:8). Saying (ever so proudly) they are Christians and saved, still oppose what The Holy Word (that's written) saith (Mt 12:30-37). So if it walks like a duck, quacks like a duck, it is most likely a duck (Satan). Those that oppose the Holy Truth (Jn 14:6) are anti-Christ. One that will testify of The Christ (Jn 5:39-47) yet deny (oppose) what Christ said for His sheep to do (Jn 10: 26-27, Acts 3:23) are believers of Satan's ministry (2Cor 11:13-15), not believers of Christ.
