Fareway Discontinues Weekly Print Ads
The Fareway grocery store in Spirit Lake will no longer have a full-page weekly ad in The Lakes News Shopper or any other print platform as their corporate office is finalizing the transition to go completely digital to advertise their weekly ad. Fareway first opened in Spirit Lake in 1985 and has advertised with The LNS since their opening.
“We have been proud to bring you Fareway grocery specials and deals in our paper for over 35 years, and have thoroughly enjoyed working with the many Fareway employees who strive to provide great customer service,” said LNS owner/publisher John Adams, Jr. “Our circulation recently grew from 20,000 to 26,000 with the addition of Spencer in our coverage area, and we will continue to grow our brand to provide an outstanding reach for our customers through our loyal readers” continued Adams.
“We hope Fareway will reconsider this decision in the future and we look forward to continuing our strong relationship with the Spirit Lake Fareway staff through working on planned advertised specials,” said Adams.
If you have comments or concerns about Fareway moving their ads to a digital platform, please reach out to their corporate office at 515-432-2623 or call the Spirit Lake store at 712-336-5802.

Increasingly Popular Beauty Trends

Fashion is fickle, and so are the techniques men and women rely on to look and feel great. Because trends change so often, it can be challenging to figure out which have staying power and which might be passing whims. Here are some of the trends to keep in mind for those who want to stay abreast of the latest in hair, makeup and skincare.

Simplistic, natural skin
Women who do not like a heavily made up look may be glad to learn natural features and skin tones are in style. To this end, many women will be skipping heavy foundations in lieu of quality skin cleansers and moisturizers that let their natural skin shine. Combined with multitasking products like moisturizer with SPF, this means fewer products clogging up makeup cases and bathroom counters.

Masked faces
It's not Halloween revisited, but rather beauty basics 101. Face masks continue to be the DIY beauty treatment of the moment, and the mask market is expected to expand even further. Beauty retailer Superdrug has seen mask sales double. Masks are advantageous because they can target specific problems and provide noticeable results right from home. Masks that target crows feet or dry patches around the nose are already popular, and masks are even being developed for the chest, arms and breasts.

Bold eyes
Another popular trend involves playing up the eyes. Models flashed holographic perspec liner at The Blonds fashion week show, and aqua-tinted lashes and liner can offer a beachy, mermaid inspiration for summer. Intense kicks of color are typically balanced out with neutral features elsewhere.

Customized body care
Expect to find more products that treat skin on the body as carefully as skin on the face is typically treated. Cleansers, serums and exfoliators for bodily use are just some of the offerings.

Natural tooth whitening
If Amazon's top-selling activated charcoal tooth whitener is any indication, more than 14,000 reviewers have touted the benefits of this natural material for getting their teeth pearly white again. Other manufacturers are jumping on the bandwagon, offering alternatives to bleach-based tooth strips and gels that sometimes create sensitivity issues for people.

Sample boxes
Don't know which products to buy? Beauty retailers have gotten increasingly innovative by packaging together sample-sized items that customers can purchase or have shipped to their homes regularly on subscription. The price is minimal, and there's no commitment to buy if the sample isn't just right. Customers may even be eligible for discounts when buying the full-sized product.

Fall and Winter Skincare Tips

As summer transitions to fall, many changes take place. In addition to changing landscapes, men and women may need to adapt their health and wellness habits to ensure that they stay healthy and happy. Part of that daily regimen includes how to care for skin as the seasons change.

Just as skin requires certain protection from the sun and heat in the summer, skin has special needs in the fall and winter. Fall and winter are often characterized by cold, dry weather, which can make these times of year particularly challenging for people with dry or sensitive skin. These tips can help people maintain their skin's appearance and health.

• Don't skip the sunscreen. Sunscreen is not a summer-only requirement. UV rays can damage the skin any time of year, even if the rays are not as strong as during the summer. UV radiation accelerates and increases the risk of skin cancer. It also can lead

to premature aging. Utilize a sunscreen with an SPF of 30 or higher every day.

• Invest in a humidifier. Dry, cold temperatures can rob the skin of essential moisture, even

indoors. Dermatologists suggest using a humidifier at home to boost the amount of moisture in the air. This can make skin more comfortable and can have other health benefits as well.

• Skip hot showers. It can

be tempting to sit under a hot stream of water to warm up. However, hot water dries out the skin by depleting its stores of natural oils, says Glacier Med Spa. Take warm showers instead and don't stay in for longer than 15 minutes.

• Limit exfoliation. While exfoliation can remove dead skin, overdoing it can make already sensitive skin more raw. Increase the time between exfoliation treatments. Consult with a dermatologist for more advice about dealing with flaky skin.

• Don't forget your lips. Using a thicker moisturizer on the body and face can help add and retain moisture. But pay attention to your lips and eyes as well. Something as simple as petroleum jelly on the lips can help prevent chapping.

Invest in a quality eye cream to help the delicate skin around the eyes as well.

Modifications must be made to skincare routines in anticipation of seasonal weather changes. @metrocreativeconnection

National Cosmetology Month

The month of October celebrates National Cosmetology Month, when the talents of our area professionals, as well as those throughout the country, are recognized for their commitment to their profession. They make us look beautiful and help us achieve the latest looks, hairstyles and trends. We can thank them for a professional look for our office, careers, and lifestyles. National Cosmetology Month is a time to show cosmetologists how much they mean to us. Let us give them encouraging words of gratitude and appreciation this month and throughout the year.

Spencer Hospital Physician Named ‘Hospital Hero’

The Iowa Hospital Association (IHA) has named Dr. Sonia Sather, hospitalist for Spencer Hospital, as a recipient of the 2021 Hospital Hero awards. As such, Sather will be honored during IHA’s virtual annual meeting in October.

“Dr. Sather has been a hero to many, helping patients manage complex medical conditions, while doing the extra things that exemplify her compassion,” commented hospital president Bill Bungarner. “She is an extraordinary and skilled physician who takes a personal interest in each of her patients.”

Carole Feldhacker, one of the nurses on the hospitalist care team, noted in her letter of support for Dr. Sather’s nomination that routinely, she observes the kind physician going the extra mile to meet patients’ needs.

“Sometimes it’s the little things,” Feldhacker wrote. “We had a patient who wanted gum but due to having dentures, couldn’t chew the kind we had available. She queried him to determine his preferences and went out and got it herself. She simply said she needed to get out in the fresh air for a few minutes anyway.”

She continued, “Other times, it’s the big things. A year or so ago, we had a hospice patient who needed inpatient checked for hospice volunteers, music therapy, clergy and others who could sit with the patient in the family’s absence. And, she personally spent as much time as she was able to with the patient. Dr. Sather even sang to her and played music from her phone for her!”

Jennifer Dau, Vice President of Patient Care at Spencer Hospital, also wrote a letter supporting Dr. Sather’s nomination. She shared this story in her letter: “There are so many examples of her kindness. Here’s one that comes to mind. We had a long-term skilled patient who had been in and out of our facility and a tertiary facility in Sioux Falls for months. Dr. Sather

care. It was difficult for the family to be with their loved one. Dr. Sather personally made sure the family had her personal cell phone number and often contacted the

patient’s spouse during off hours. When the patient’s birthday rolled around, she make a raspberry cheesecake, purchased a gift, and coordinated the staff singing Happy Birthday.”

The Iowa Hospital Association initiated the Hospital Heroes Award in 2007 and through 2019, more than 100 healthcare professionals have been recognized. In 2020, IHA honored all hospital workers in recognition of outstanding efforts during the COVID-19 pandemic and response to the derecho windstorm in August of 2020. This year, 11 people were selected from a pool of nominees to be recognized as Hospital Heroes.

Be a Tourist in Your Backyard
by Rebecca Peters, Okoboji Tourism Director

Each year thousands of people visit the Iowa Great Lakes to enjoy the activities and attractions our area has to offer. Join me each week as I become a tourist in our backyard to explore a few of the spots that make the Iowa Great Lakes special!

This week I explored the Barney Peterson Memorial Trail at Gull Point State Park. This well maintained, 1.5 mile natural trail loops through a wooded area and along the canals.

I was eager to get outside and enjoy some changing fall colors, and knew this trail would be just starting to pop with color. There is a lot of sumac throughout the trail that is starting to turn a bright red. The trail is also a good spot to enjoy some bird watching. I'm terrible at actually seeing the birds, but I could hear them! The other sound I could hear was "fall." It was so quiet and peaceful at times that I could literally hear the leaves falling.

I grabbed a guide at the kiosk when I entered so I would have the opportunity to learn about it more about the history of the trail and points of interest along the way. I'm now a bit better at identifying trees, but will admit I must have been so focused on my walk that I missed a couple of markers. Just another reason to go back and enjoy more nature!

The Iowa Great Lakes Area has a number of great trails to explore, especially right now as colors are starting to change! I've been told this trail is also fun for biking and cross country skiing. Get out and explore all of the beautiful natural areas our community has to offer! Learn more about the Barney Peterson Memorial Trail and other nature trails in the area at www.VacationOkoboji.com.

Grace Catlin Benefit Luncheon

Grace Catlin was recently diagnosed with pancreatic and liver cancer. As a Spirit Lake resident, she is mom to Kaitlin (Craig) and Alexis (Noah). She enjoys spending time with her granddaughter Sofia and her significant other, Rob Ritzer.

Grace is self-employed and has basic health insurance. Please come out to support Grace and her family by attending a Benefit Luncheon at Grace Lutheran Church, 801 Hill Avenue, Spirit Lake, on Sunday, October 24, from 11:00am - 2:00pm. Homemade soups, bars and a drink will be served for a free will donation. Donations will help with out-of-pocket medical and travel costs. Take out and curbside pickup will be available by calling 712-320-0536.

Well wishes and donations may be sent to Grace at 2809 Zenith Avenue, Spirit Lake. For questions on the benefit, contact Judy Salzwedel at 712-320-5327.

Kiwanis Duck Derby 2021

The Spirit Lake Noon Kiwanis Club held their second Duck Derby race on Saturday, September 25, 2021. One thousand rubber ducks were released into West Lake Okoboji and raced to shore. The first three rubber ducks were awarded \$1,000, \$250, and \$100.

The first and second place winners have chosen to Pay it Forward and donate their winnings. The first place winner, Mary Textor, has chosen the Spirit Lake Noon Kiwanis Club, and second place winner, Deb Lenz, paid it forward to Hope Rolls.

All of the funds for this event are used to help children and families in need in our community. The club wants to thank each and every person who donated and purchased tickets for this year's event! We would also like to thank Tom Kuhlman and Kuhlman Lake Service & Welding for their assistance in releasing and enclosing the ducks for this race the last two years.

If you are interested in joining a fun club, please meet us at Wesley Place, in spirit lake, every Thursday at noon!

Smoked Pulled Chicken - \$7.99/lb

Chicken Enchiladas

- Flour tortillas
- Smokin' Boji pulled chicken
- Monterey Jack Cheese
- Butter • Flour • Chicken broth
- Sour cream • Diced green chiles

Preheat oven to 350F degrees. Spray 9x13 baking dish with nonstick cooking spray. Add in 1 cup of shredded cheese. Season with salt, pepper and a little Adobo seasoning.

Place Smokin Boji Pulled chicken mixture in each of the flour tortillas. Place chicken mixture in each of the flour tortillas.

In a medium sauce pan, melt butter. Whisk in flour and let cook and thicken for 1 minute (don't let it burn.)

Add chicken broth and whisk until smooth.

Stir in sour cream and chiles. Be sure not to let the mixture boil.

Take sauce off the heat and pour it over the enchiladas. Top with remaining shredded cheese.

Bake for about 20-25 minutes. If you'd like, you can turn the broiler on high and broil these for a minute or two until cheese is slightly browned and bubbly. Serve warm with your favorite sides.

Smoking Boji Gyro sandwiches inside Sunshine from 4 to 6. Friday, October 15th.

Cooperative Energy Company Donates \$2,000 to 4-H Program

A generous donation from local Cooperative Energy Company has been made to support Dickinson County 4-Hand Youth Development programming and events.

Cooperative Energy Company donated \$2,000 to the 4-H program in Dickinson County.

"We choose to support the Dickinson County 4-H program as it shapes the future leaders in agriculture in North-west Iowa," said Hilary Halverson of Cooperative Energy Company. "We are proud to support the education that 4-H provides for the youth in our communities."

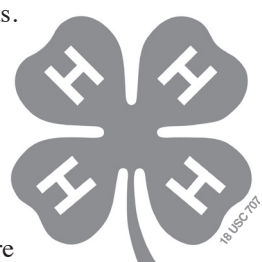

Local Dickinson County Youth Coordinator Madeleine Bretey-Smith said that the 4-H program is successful because of support from community businesses, organizations, and volunteers. Financial donations, donations of time, resources and talents all allow 4-H members to grow, learn and find their passions in Dickinson County 4-H.

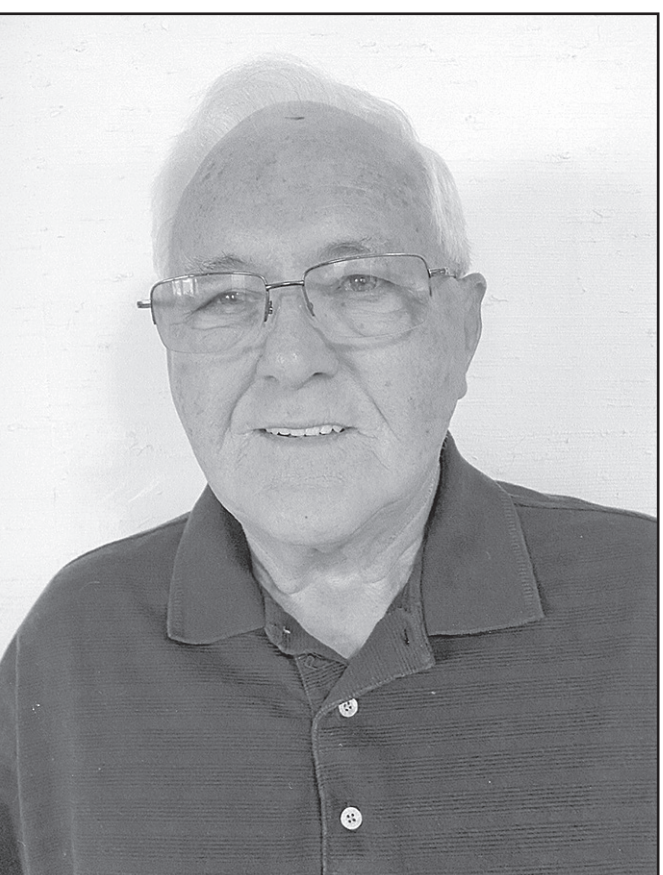

"4-H is successful because of the support we have from community volunteers, sponsors, and supporters," Bretey-Smith said. "We greatly appreciate Cooperative Energy Company's donation and are excited to put it to use reaching more local youth and having a measurable impact in our communities."

Bretey-Smith said that the Dickinson County 4-H program is currently kicking off a new 4-H year with regular enrollment open through Dec. 31. She encourages parents and youth to reach out to her if they are interested in joining the program.

"Whether youth are interest in fashion, livestock, cooking, communicating, agronomy, photography, community service, aerospace or something else, 4-H will help them find their passions and be mentored in growing those interests," Bretey-Smith said.

For more information on the 4-H program and how you can get involved, contact Bretey-Smith at 712-336-3488 or email mbretey@iastate.edu.

Spirit Lake High School Marching Band

The Force earns top spot Twice, Saturday!

While we were home Saturday enjoying a nice day to work in the yard, students in the Spirit Lake High School Marching Band, *The Force*, earned top honors in two Northwest Iowa competitions.

The *Force* started the day in Sheldon, as a part of the Iowa High School Music Association marching band competition, where they earned a straight Division I rating in all six areas of the competition. From Sheldon, *The Force* bussed down to Orange City for the *Pride of the Dutchmen Festival*, where they also earned top honors in Class 3A!

Band director Tyler Pedersen praised the band members Sunday afternoon, and noted that they were already making plans for the upcoming Marching Band concert in the SAMI Center...

On a related note, *The Northwest Iowa Community Concert Band*, directed by Rich Nicklay, and the *Northwest Iowa Community Jazz Band*, directed by Scott Benjamin, are making plans for their Winter concert that will include some holiday music, at the VFW in Estherville. The date is set for Monday night, November 15th with a "snow date" two weeks later, on the 29th...

More details are to be forthcoming on the community bands' event. While the VFW is usually closed Mondays, there is to be a light menu...

(Note for the record: History shows more snow-related postponements in April than in November!)

Tim Schumacher, who directs *The Many Voices Choir*, notes that like the two community bands, his group has already had three rehearsals for its holiday concert series, which will be announced in the very near future...

And, *The Pearson Lakes Art Center* has already announced that Dave and Ryan will be performing their annual Holiday Show on Saturday, November 20th, in the Lauridsen Performing Arts Theatre, starting at 7:30...

Between now and the holidays, The Little Swan Lake Winery will have *Laureen and The Drifters* on stage in the barn, Saturday evening, from 6-8:00; and Dave & Ryan on the same stage, Sunday afternoon, from 4-6:00...

Research director RD has once again had too much fun seeking material for *Rambolling*. It was Saturday, October 12, 1963, that *Sugar Shack*, by Jimmy Gilmer and the Fireballs hit Number One on the *Billboard* charts, then remained there for five weeks! The song was written by Keith McCormack and released on the Dot label. Since '63 it has appeared on several motion picture soundtracks, including *Forrest Gump*, in 1994...

Keeping her dates in order, RD also notes that *I Love Lucy*, starring Lucille Ball and Desi Arnaz, premiered Monday, October 15, 1951, to begin its six year run on CBS Television. Memorable music moments include Desi performing his signature song, *Babalu*, twice, along with *We're Having a Baby*, which was co-written by Vernon Duke...

Harpo Marx also played an instrumental version of *Take Me Out To The Ballgame*, on his Harp, for the May 9, 1955 edition of the program...

This weekend will see *Wear Something Gaudy Day*, Sunday -- for which RD was quick to come up with *A White Sport Coat and a Pink Carnation*, written and sung by Country Music singer Marty Robbins, for Columbia Records, in 1957. You might be surprised to know that Ray Conniff earned production credits for the success of that release, which climbed to the top of the charts as Robbins' third Number One Hit!

Okoboji Motor Company Announces Permanently Closing Spencer Location

Okoboji Motor Company has announced the closure of Spencer location, Clay County Motors. Due to inventory shortage and building location; Okoboji Motor Company finds it in the best interest of their clients to house all vehicles at one primary location.

In the Spring of 2021, Okoboji Motor Company made the decision to move all of Clay County Motors inventory to their primary location in Spirit Lake, Iowa. The decision was made to help with vehicle shortages and staffing concerns due to Covid-19. With that change, the management team felt it was the right decision, and has decided to make it permanent.

"Our top priority is our guests and employees, and we wouldn't be implementing this change unless we believed it was for the benefit of everyone involved. With the merge of both dealerships, we have seen internal growth and job opportunities for our employees, while also maintaining vehicle value at one location. We are excited to see the changes to come with this development." – Steven Williams, General Manager

Okoboji Motor Company is your Chevrolet, Buick, and Toyota dealer in northwest Iowa. One Low Price, Plain and Simple...Always.

Lakes Area Farmers Market News

Located at Dickinson Co. Fairgrounds
15th Street & Peoria Avenue, Spirit Lake, IA 51360

You can still find vegetables at Lakes Area Farmers Market. Some vegetable growers are setting up outside on the fairgrounds. They have squash, pumpkins, gourds, potatoes, sweet potatoes, peppers, onions, some tomatoes, some watermelon and more. There are also some crafts available. They will be on the fairgrounds this week and after that, depending on the weather, may be at the northeast corner of Great Lakes Mall parking lot. Meanwhile we are planning for our winter market event, 'A Handcrafted Christmas', which will be December 11 at the Community Building on the fair grounds. We will be open 9:00am to 1:00pm and will be bringing candy, baked treats, soap, jelly, honey, toys and games, apparel, quilted items, wood crafts and much more. We hope to see you there.

PLAC Receives Cultural Leadership Partners Program Operating Support Grant

Okoboji, IA - The Pearson Lakes Art Center is pleased to announce that it has received a Cultural Leadership Partners Program Operating Support Grant from the Iowa Arts Council, a division of the Iowa Department of Cultural Affairs. Grant funds will support visual arts, performing arts and art education programming. Executive Director, Bob Kirschbaum notes "We are so pleased to learn we are one of 58 of Iowa's leading arts and cultural organizations selected as a Cultural Leadership Partner. It's a competitive process that occurs once every three years. Cultural Leadership Partners receive annual operational support in recognition of their role as community and cultural anchors that maintain high standards of excellence, generate tourism and support high-quality jobs."

Funding for the Cultural Leadership Partners Program Operating Support Grant is made possible by the Iowa Arts Council, a division of the Iowa Department of Cultural Affairs, and the National Endowment for the Arts.

The Iowa Department of Cultural Affairs and its three divisions – the Iowa Arts Council, Produce Iowa-State Office of Media Production and the State Historical Society of Iowa – empower Iowa to build and sustain culturally vibrant communities by connecting Iowans to the people, places and points of pride that define our state. The department's work enables Iowa to be recognized as a state that fosters creativity and serves as a catalyst for innovation where the stories of Iowa are preserved and communicated to connect past, present and future generations. www.iowaculture.gov.

Obituaries

C.W. Scott, best known as "Scotty" or Bill, was born to Clarence and Gertrude (Fisher) Scott in Rolfe, Iowa, on October 6, 1939. He passed away in Rochester, Minnesota, at the exact age of 82 on October 6, 2021.

Bill served his country in the United States Marine Corps from 1958-1963. He was employed many years by the City of Estherville, Water Treatment Division until his retirement in 2003. After retirement he took on the role of full-time "Papa" and spent countless hours caring for his grandchildren. His passion for writing songs and playing guitar remained consistent his entire adult life. He performed at nursing homes and family gatherings, a true country superstar. He enjoyed years of scouting flea markets and collecting or selling antiques. His one true love was Tina-Marie, his beloved dog, which he so proudly taught to stand on her hind legs and "pray for Poppy". He was a lifetime fan of the Chicago Bears and only blessed with one official Super Bowl win. However, that had little to do with his love for the blue and orange. He created and used "the hex" on many opposing teams, obviously never perfecting it based on the sole Super Bowl win.

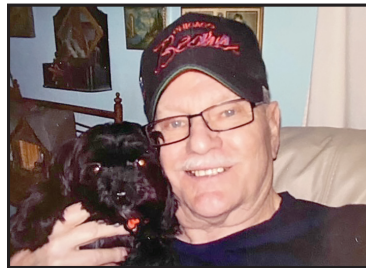

His stories always embellished for the listening ears, still had a grain of truth and healthy amount of comedic value. He was truly funny. He lived and loved honestly, making him a genuine one-of-a-kind to all who knew him.

Left to cherish his memory are four daughters, Tammy (Dan) McGuire of Spring Valley, WI; Melissa (Jason) Petersen of Milford; Billie Jo Scott of Okoboji; Heather (Randy) Pearson of Rochester, MN; one bonus daughter Lacey Holm of Rochester, MN; eleven amazing grandchildren Shelby, Zachary, Jacob, Bailey, Sydney, Carley, Javan, Veda, Kaden, Norah and Brogan; two sisters, Kay Schumacher and Shirley (Paul) Crosby, and many nieces and nephews.

He was preceded in death by his parents, his friend and brother Vern Scott; sister, Mary Haugland; brother-in-law, Harlan Schumacher and many friends.

A private funeral for Bill Scott of Estherville will be held later this month.

The family suggests memorials to the American Heart Association or Friends of Fort Defiance State Park.

Skillet Chicken Parmesan
~ Serves 4

Ingredients:
1 pound boneless skinless chicken breasts cut into 4 oz. portions
1/2 cup all-purpose flour
1/2 cup Italian bread crumbs
1/4 cup shredded Parmesan cheese
1 large egg
1/2 cup milk
1 tablespoon butter
2 tablespoons olive oil
16 ounces pasta sauce
2 tablespoons shredded Parm. cheese
1 cup shredded mozzarella cheese
8 ounces whole wheat spaghetti
4 cups salad greens
1/4 cup salad dressing of choice

Directions:
Place chicken between two pieces of plastic wrap and pound to 1/4" thick. Bring a large pot of salted water to boil. Place flour in a shallow bowl. In another shallow bowl, whisk egg and milk. In a third shallow bowl, mix bread crumbs and Parmesan cheese. Dip chicken pieces in flour, then in egg/milk mixture, then in bread crumbs. Heat butter and olive oil over medium-high heat in a tall walled skillet. Add chicken and cook 3-4 minutes per side, until golden. Remove. Add pasta sauce to the skillet and bring to a simmer. Add chicken and sprinkle with Parmesan and Mozzarella cheese. Cover and simmer 8-10 minutes, until cheese melts and chicken reaches 165 degrees. Meanwhile, add pasta to boiling water and cook according to package directions. Ladle chicken and pasta sauce over top of hot spaghetti. Serve with side salad.

Parks Marina and Barefoot Bar Donate Funds to Abben Cancer Center

In recognition of Breast Cancer Awareness Month, Parks Marina announced the donation of \$3,300 to the Spencer Hospital Abben Cancer Center in Spencer, Iowa. The Marina was able to raise these funds through limited edition Barefoot Bar t-shirt sales as well as a featured “Booby Drink” sold at Snappers Turtle Bay Cafe.

Through their “Booby Drink” Titos sponsorship, Snappers raised \$2,500 to be donated.

“This continues to be a great tradition for our companies to make an impact during Breast Cancer Awareness month,” Debbie Parks, director of marketing for Parks Marina properties, said. “And now with Titos jumping on board with their generous match, we’re proud to raise the bar even higher! We will be making new T-shirts every October and there will be a new Booby Drink on our Snappers menu every season.”

The Bar is excited to announce its new limited edition “Hakuna Matatas” t-shirt, which is now available in store and online. A portion of sales from the shirts will again be donated in support of breast and prostate cancer research. Sales from last year’s shirt raised \$800 to be donated.

More information on fundraising efforts such as the much-anticipated Boatload of Toys Event, among others, will be released on Parks Marina’s Facebook Page as the dates get closer.

To purchase a T-shirt, go to thebarefootbar.com. To learn more about how you can contribute to future charity events, email marketing@parksmarina.com.

FREE Virtual Training for Foster and Adoptive Parents and Workers

On Monday, November 8, 2021, Seasons Center for Behavioral Health will host a free virtual training for current and prospective foster and adoptive parents as well as professionals that work closely with foster and adoptive parents and children. The training, titled Behavior is Communication, will be led by Permanency Support Specialist, Sherri Huizenga, LBSW, CADC, and Outpatient Therapist, Brittany Krause, tLMHC.

It takes years for children to develop the proper language and emotional intelligence to communicate how they are feeling. As parents and professionals who work with children, it can be difficult to tell what a child’s behavior may really mean. This session will cover the function of behavior for children, how to translate behavior into communicated needs and desires, and how to support good patterns of communication through the lens of trauma and brain development.

Sherri Huizenga, LBSW, CADC, states that “we must try not to personalize our children’s behavior if we want to be in the right frame of mind to figure out what they are trying to communicate to us. Their behavior IS their communication.”

“At this training, we’ll dive into the behavior further and try to understand what the behavior is trying to say, so we as caregivers, can do our best in helping the child express themselves in healthier ways,” Brittany Krause, tLMHC, adds.

The training will occur virtually via Zoom on Monday, November 8, 2021, from 6:30 to 8:30pm. Attendees can register via Eventbrite. Zoom links will be provided to those who register via email 1 to 2 weeks prior to when the training occurs. For those with limited access to internet, a dial-in option will be available. Attendees may also opt to submit anonymous questions pre-training for the Q & A panel portion of this event.

Online registration for the event is available at <https://bit.ly/2Z1X66b>. Registration link can also be found on the Events page of the Seasons Center website (www.seasonscenter.org) or on the Seasons Center Facebook Events page.

Social Work, LMHC, LMFT, and Foster/Adoptive CEU’s will be available for this training. If you need CEUs not listed or have any other questions about this training, please contact Taylor Prather at tprather@seasonscenter.org.

Founded in 1959, Seasons Center for Behavioral Health continues to be a leading, comprehensive behavioral health center in the northwest region of Iowa. Offering a broad range of behavioral health services, Seasons recognizes that investing in behavioral health is investing in a community’s economic, education, health and human services systems. Seasons strives to empower individuals so they might become active, contributing members of their communities. To The Editor:

Eminent Domain on the Horizon

The Jackson County Board at their September 21, 2021, meeting heard a presentation from Summit Carbon Solutions, regarding a proposed 8” pipeline with 34 miles through Jackson County.

This is part of a 2,000 mile pipeline through Iowa, Minnesota, Nebraska and the Dakotas. It would end in North Dakota and stored 1 mile underground.

When they made their presentation to the county board, they said any land that would be affected would be through voluntary easements from land owners, but in their talks with Iowa and South Dakota individuals, they can use eminent domain if it is deemed that it serves a public good. (The September 24 and October 1 issues of the Farm Forum go into depth on these issues also if interested.)

The capturing carbon is nothing more than a shell game or pyramid scheme, take your choice. They plan to make their money through this sequestration tax credit and other benefits these plants get from lowering their carbon footprint.

Everyone needs to contact their town boards, county commissioners, and state senators and representatives to insure that this project does not see the light of day.

Even if this one may not directly affect you, there is another one coming down the road. Navigator CO2 Ventures is planning a pipeline through these same states. It is time to stop these individual corporations from running over individual property rights just so they can make money from it.

To The Editor:

Republican Economic Myths

Recently as well as historically, we have seen commentary from both of our Iowa senators, our house representative and other Republican legislators or mouthpieces decrying Democrats as the “tax and spend” party. The problem is the facts do not bear this out! More realistically Republicans should really be branded as the “untax and spend” party, particularly given the party’s actions the past forty years. Deficit spending by administrations from Truman through Carter averaged \$82.6 billion with GDP averaging 3.36%. In 1980 this all changed with President Reagan embracing supply side economic theory which claimed big tax cuts would drive unprecedented growth and prosperity for all. GDP did grow at 3.9% and 16.5 million jobs were gained, but deficit spending ballooned to \$1.412 trillion, tripling the national debt. Much of this spending related to the military including refitting WWII ships and other older systems that had no on-going economic value unless we went to war! The next president, H.W. Bush committed to continue this policy which led to another \$1.036 trillion deficit, job losses and GDP dropping to 2.3%. Even though Bush was forced to raise taxes to cut deficits, his term culminated in a recession for in-coming President Clinton. Clinton raised taxes, gained 18.6 million jobs, achieved 4.4% GDP and left a \$63 billion budget surplus. In comes G.W. Bush who again embraced supply side economics with a huge tax cut. This coupled with a disastrous Iraq war and run-away housing initiatives led to a massive \$3.293 trillion deficit, a 2.4% GDP, huge unemployment and financial collapse/recession for the next president. Obama’s administration came into a no-win situation; continuing wars, a looming potential global depression and Republican-led Congress, after approving the TARP program, blocking any further actions he proposed. He had to agree to a tax cut to avert government shutdowns thus his deficits recorded \$6.781 trillion with GDP growth at 1.7%. However, after rescuing the auto industry, his administration saw annual deficit spending reduced from \$1.5 trillion to \$665 billion with 8.9 jobs created and a rebounding economy for President Trump. Predictably, Trump with a Republican-led Congress enacts the largest individual and corporate tax cut ever! These tax cuts were justified to assure capital investment, job creation and GDP growth. In reality, around 80% of corporate cuts went to stock buybacks, dividend increases and executive bonuses. Individual cuts widened wealth gaps. In only four years, tax cuts and spending coupled with total bungling of the COVID-19 crisis, led to \$6.612 trillion in deficit spending, no growth, mushrooming wealth gaps, spiked unemployment and again a recession for President Biden; guaranteeing his first term would have to show huge deficit spending to right the economy. Now after supporting a COVID-19 relief package, Republicans are right back at blocking any new legislation, refusing to raise the government debt ceiling and threatening government shutdown due to Democratic Party “tax and spend” policies. What hypocrisy!! Since 1980, Republican administrations have run up nearly \$12.5 trillion in spending deficits with no legislation toward a crumbling infrastructure, global warming, healthcare affordability, wealth gaps, immigration policy, gun violence, racial inequality or women’s rights. Their focus has been only on power retention at any cost, tax cuts and judicial appointments; rendering Congress and specifically the Senate inoperative. In fact, during this same time period, only Democratic administrations have pulled us out of recessions, addressed spending deficits and proposed any meaningful legislative priorities. Legitimate government and economic bureau backed facts and numbers do not lie! Stop believing this on-going Republican Party mythical propaganda. It’s bad economics and non-legislative purpose leading our democracy perilously toward authoritarian rule.

“Stay Healthy Tips” for the Approaching Flu Season

Local SERVPRO cleaning and remediation specialist encourages Spencer residents to focus on personal accountability to limit spread of viral infections

Flu season is upon us! According to the Centers for Disease Control and Prevention (CDC), influenza activity often begins to increase in October, peaks between December and February, and can linger into May. At a time when COVID-19 is still the dominant infectious disease concern, cleaning and bioremediation specialist Ryan Brooks of SERVPRO® of Spencer & Iowa Great Lakes reminds local residents that it is important this time of year to take steps to protect yourself and your family from influenza and other seasonal viral infections like Respiratory Syncytial Virus (RSV), which can be especially serious for children and older adults.

Breathing in virus-laden droplets from an infected person's cough, sneeze, or speech from as far away as six feet is believed to be the prime means of virus transmission. Experts agree it is possible to become infected by touching a contaminated surface or object and then touching your mouth, nose, or even eyes. The good news, says Brooks, is that many viruses – including the flu, COVID, and RSV viruses – are easy to kill outside the body using soap and warm water, commercial disinfectants, and hand sanitizers that contain alcohol. As a leading provider of disaster clean-up and remediation services, SERVPRO professionals specialize in this type of surface cleaning and disinfection.

"You can't do much to control the cleanliness of public places, but you can take steps to protect yourself from the consequences of any exposure," advises Brooks. "At home or in the office, remember to pay special attention to 'high touch' surfaces. Doorknobs, faucets, countertops, appliance handles and knobs, the steering wheel of your car, your phone – these are examples of surfaces that you should get in the habit of wiping down at least daily with a disinfectant designed to kill viruses."

At the end of the day, says Brooks, personal accountability is the single, most important factor in controlling the spread of viral infections, including the seasonal flu. Stay home if you are sick and follow suggested guidelines. The CDC offers additional "stay healthy" tips here: <https://www.cdc.gov/flu/prevent/actions-prevent-flu.htm>.

In addition to disaster recovery and remediation services, SERVPRO professionals provide residential deep cleaning services, including air duct and HVAC cleaning, carpet and upholstery cleaning, and odor removal. For more information on SERVPRO of Spencer & Iowa Great Lakes, please contact Ryan Brooks at (712) 262-4379 or rbbrooks@servprospencer.com. For more information about SERVPRO, please visit <https://www.servpro.com/>.

Safe Mushroom Foraging Workshop

Iowa State University Extension and Outreach will host a Safe Mushroom Foraging workshop on Tuesday, October 26, from 6:00 to 7:00pm, at the Dickinson County Nature Center. The free program is for anyone interested in learning more about identifying and foraging local mushrooms.

The one-hour program will focus on safe mushroom foraging and provide information about upcoming morel certification trainings being offered.

"Foraging and consumer awareness is important because there are always risks associated with consuming wild mushrooms," said Madeleine Bretey-Smith, ag program coordinator with ISU Extension and Outreach. "We're hoping this workshop helps those interested learn more about identification, foraging safety, distinguishing between edible and non-edible varieties and best practices for harvesting."

Participants will also receive a Safe Mushroom Foraging book published by Iowa State University.

Participation in the Safe Mushroom Foraging workshop is free but limited to the first 30 registrants. To preregister or for more information, call the ISU Extension and Outreach Dickinson County office at 712-336-3488.

View From The Bench

by John Adams, Jr.

Hawks Flying High

Fresh off their thrilling, come from behind 23-20 victory over Penn State on Saturday night, Iowa has climbed all the way up to #2 in both the Associated Press and Coaches Polls that were released on Sunday and Monday. The Hawkeyes continued to play Iowa football on Saturday, winning the turnover battle 4-1, using All-American punter Tory Taylor to continually flip the field, have stellar defensive play holding the Nittany Lions to just three second half points, and hit a big play on offense just when it was needed the most when Spencer Petras found Nico Ragani for a 43-yard touchdown with 6:26 left to give Iowa the 23-20 lead that you knew their defense would hold.

This is turning into a dream season for Iowa, and with any dream season you have to be really good, you have to have your players believe, and you have to be a little lucky. Iowa is definitely really good, especially on the defensive side of the ball where they continue to turn teams over at an amazing rate with 16 interceptions in six games and have an average of +2.5 turnovers per game, which is number one in the nation. Iowa also is giving up a stingy 3.9 yards per play, is ranked # 4 in scoring defense while allowing just 13 points per game, and is #8 in the country giving up only 274 yards per game. Iowa's special teams are also playing at an extremely high level and that continued on Saturday. Taylor pinned Penn State twice at their 2-yard line and once at their 4-yard line. Placekicker Caleb Shudak was also clutch on Saturday, kicking three field goals including a 48-yarder into the wind near the end of the third quarter that pulled Iowa within seven points. Iowa definitely believes in their style of play and the players have bought into it 100%. They are fine with playing possession football while waiting for their defense to come up with a big play or get great field position due to a Taylor punt and they firmly believe that they will win the game playing this way, which is huge, especially in a game like Saturday where they got behind 17-3 and did not panic. Here's a crazy stat for you regarding Iowa's style of play and how they use punting as a weapon; Iowa is tied for 4th nationally in the number of punts, which is not normally a category you want to be in the Top 10 in. The record of non-Iowa teams in this Top 10 is 12-45 while Iowa is 6-0, which shows just how elite Taylor and the Iowa defense has been. I'm not writing this lucky part because I'm an Iowa State fan, I'm writing it because it is true, any team that has a truly special season has some luck go their way during that season. Iowa State had it last year when they played a Kansas State team that had a lot of guys out with Covid-19 and also an Oregon team that was not at full strength in the Fiesta Bowl. Iowa caught a big break on Saturday when Penn State quarterback Sean Clifford was knocked out of the game in the second quarter with the Nittany Lions leading 17-3. With Clifford in the game Penn State had 17 points on five drives and zero penalties, with backup quarterback Ta'Quan Roberson in the game, the Nittany Lions had 3 points on 11 drives and nine penalties. Give Iowa credit, they took advantage of this opportunity of facing an inexperienced QB while their offense also picked up their play and scored 13 points in the final half. The Iowa crowd also played a big part of those penalties, as the 69,000+ black and gold fans were at a frenzied level the entire game, especially in the second half and were responsible for many of those nine penalties.

Iowa now faces a portion of their schedule where they will be favored in each of their remaining six games, and they have put themselves in a fantastic position to win the BIG West, which will give them a great opportunity at making the College Football Playoffs. Hawkeye fans, enjoy this ride and soak in every minute of this special season. That game and atmosphere on Saturday was an all-timer and one that Iowa fans and that program will be talking about for a very long time. If this team can continue to make their 2021 gameplan work, there will be plenty more for Hawkeye fans to fly high about this year!

The Force also earned straight Division I Superior Ratings at the Iowa High School Music Association State Marching Band Contest in Sheldon that same day.

Spirit Lake Noon Kiwanis Receives Donation

The Spirit Lake Noon Kiwanis Club received a \$500 donation from Bank Midwest for their annual Duck Derby race. Funds were raised by employees for their Friday Jeans Day fundraiser, and the Spirit Lake Noon Kiwanis was chosen for this month's donation. The Duck Derby race was held on Saturday, September 25th. One thousand rubber ducks were released into West Lake Okoboji and raced to shore.

All of the funds for this event are used to help children and families in need in our community. The club wants to thank each and every person who donated and purchased tickets for this year's event! If you are interested in joining a fun club, please meet us at Wesley place, in Spirit Lake, every Thursday at noon!

A "YES" from Wildcat Stadium in Arnolds Park Leads to Big Things in Baseball

(First of a two-part series by Bob Protexer; Founder and Executive Director of Total Baseball Development, Sioux City, Iowa)

As Total Baseball Development (TBD) evolves, we are always looking for people, towns and cities, and organizations to jump on board with us in a collective effort to offer more baseball to more and more baseball players in more areas. In this effort we have found a true gem in Wildcat Stadium in Arnolds Park, Iowa, as well as the field's special curators in the City of Arnolds Park, John Adams Sr., Arnolds Park City Council; and Dr. Tim Blankers, Okoboji Youth League Coach.

TBD is an organization that I started in 2004. It began simply when I started giving baseball lessons to young players in Sioux City, Iowa, when I was an assistant baseball coach at Morningside College.

Since then, TBD has offered "extra baseball" in the form of individualized personal lessons, group instruction, Out-of-Season leagues, clinics, camps, college recruiting showcases, round table events, and player placement services for high school, college, professional, and international baseball players. TBD serves as a local resource for baseball players and teams in the Siouxland region.

Our biggest and most popular Iowa event is the TBD Fall League which has high school players playing games on five Sundays in September and October starting after Labor Day. It keeps player's skills fresh until the snow flies! We started the TBD Fall League in 2005 as a Fall League for high school players.

As the years went by we had so many teams and players from the Iowa Great Lakes area travel to Sioux City to play baseball in the fall, that during the summer of 2015, I asked Andy Wolf, a former baseball player of mine at Morningside that lives in the Lakes area, if he would help start a new location for the TBD Fall League at the Iowa Great Lakes. Wolf said "YES". 2021 marks the 7th year at the Iowa Great Lakes for high school baseball players.

In 2020, with the high school successes in the Iowa Great Lakes, we looked for some more "YESes", and looked for opportunities to offer baseball to the youth players in the Lakes area. Andy Wolf said "YES" again. The City of Milford and their Little League complex at Memorial Park said "YES". And the City of Arnolds Park, John Adams Sr., Dr. Tim Blankers and Wildcat Stadium gave us a big "YES".

So here in our 17th year of offering high school players the opportunity to play fall baseball and our 2nd year in having the 2nd-3rd, 4th-5th, and 6th-7th Grade Divisions play, 2021 marks the biggest year ever with having 38 total teams in all Grade Divisions playing baseball on Sundays in the fall between Sioux City and the Iowa Great Lakes!

Wildcat Stadium is the former home to the Arnolds Park High School Wildcats. It is located at 74 Bascom Street in Arnolds Park, right off of Highway 71, in the heart of the Iowa Great Lakes.

In 2019, the City of Arnolds Park purchased it from the Okoboji Community School, and it was retrofitted to become a top notch youth baseball and softball field.

Next week we tell of the highly successful, recently completed, 2021 Fall TBD season at Wildcat Stadium.

Use our local, long time experience with the nation's largest network to give you the edge on buying or selling your property.

RIDES-Announces Unlimited RIDES for Elderbridge Recipients

Your Full-Service Transportation Company announces along with Elderbridge that effective Oct. 11th all qualifying Elderbridge passengers have access to unlimited RIDES per month. Hugh Lively, RIDES CEO, commented that RIDES is honored to serve the communities of northwest Iowa and the organization hopes this will give back to the communities. Lively, continued with an expression of deep gratitude for our relationship with Elderbridge, who makes this possible with their funding. To qualify for Elderbridge rides, an individual must be over 60 years of age and must have completed the annual Elderbridge Intake forms. Elderbridge Intake forms are available by contacting RIDES at 712-262-7920 or 800- 358-5037 and talk with Andy Woiwood or emailing him at awoiwood@nwi-arides.org. These forms can be completed over the phone and only take a few minutes of your time. These trips may be used for all daily life needs; visit a friend, medical appointments, grocery shopping. RIDES, encourages eligible passengers to participate and asks that you call the RIDES office and speak with Andy. As a reminder, Elderbridge trips have a suggested \$2.00 per trip donation. If you are new to RIDES, we would be pleased to bring a bus for you to see and to feel comfortable with before your first trip. RIDES continues to meet and exceed guidelines for sanitation and federal requirements. Masks remain a requirement on all public transit vehicles. For more information on RIDES, please contact us or visit us on the web at www.nwiarides.org or follow us on Facebook. Established RIDES policies remain in place for 24-hour reservations for designated service areas. RIDES, Taking you there with Care.

Free One-Hour Customer Service Workshop Oct. 28 in Spirit Lake

A one-hour customer service workshop for managers and front-line employees of businesses will be presented October 28, from 2 p.m. to 3 p.m., at the Iowa State University Extension and Outreach Dickinson County office in Spirit Lake. The workshop will focus on best practices in attracting and retaining customers. It is designed for front line employees and managers who interact with the public, including retail, services, convenience stores, restaurants, attractions, and lodging. Workshop participants will learn how to inspire more travelers to stop at their community, stay longer, and keep returning; and how to attract visitors to their own business, and increase their customer base through the "Five Steps of Excellent Customer Service". The program was developed by Iowa State University Extension and Outreach Economic Development staff at the request of Iowa Economic Development Authority and Iowa's three tourism regions. The workshop is free, but pre-registration is requested. To register, call 712-336-3488.
