Registration Under Way For 2016 Relay For Life

The American Cancer Society's Relay For Life of Cullman County is offering "A Cure for Every Season" as the theme of its 2016 event to encourage area residents to support the fight to allow more celebrations, more ballgames, more festivals, more holidays and more birthdays for everyone.

"I know with each holiday that passes, I still miss the family members I've lost to cancer," said Helen Allen, a longtime volunteer with Relay For Life of Cullman County. "I also appreciate the loved ones I still have around me, and it's for them that I've volunteered for more than 20 years with Relay For Life to support the American Cancer Society's research efforts. The American Cancer Society has funded research for more than 65 years, finding answers that have saved the lives of my own family and friends as well as people all over the world."

"We're blessed in Cullman County to have many churches and organizations that can provide assistance to families in need," Allen said. "But if we don't also support the research that will help find better treatments, more preventative measures, early detection and, I pray, a cure for cancer all of those organizations could be swamped with even more people in need."

Along with research, the ACS does provide services to cancer patients and their families. Through its website and toll free service, people have 24/7 access to support, information and resources. Through programs like Reach to Recover, Road to Recovery, TLC (Hair and Mastectomy Products) and Look Good Feel Better, cancer patients have access to support and services. Through its Hope Lodges and Hotel Partners Programs, it offers accommodations for free or greatly reduced rates in many cities where patients are taking treatments.

Relay For Life of Cullman County is currently signing up teams for the 2016 fundraising season. Any group (church, school, family, etc.), business, industry, or individual is welcome. Teams, volunteers and cancer survivors can sign up at www.relayforlife.org/cullmanal. Contact Allen at 256-709-4019 or helen@weltmail.com for assistance or for any questions about Relay For Life.

A Kickoff Rally will be held at 5:30 p.m., Thursday, Jan. 21, 2016, in the Fellowship Hall at First Baptist Church of Cullman. Relay For Life of Cullman County will be held 6 p.m.-midnight, Friday, May 6, 2016, at Cullman County Fairgrounds.

Visit www.relayforlife.org/cullmanal for more information, form or join a team or make a donation. Follow Relay For Life of Cullman County on Facebook at www.facebook.com/RFLCullmanAL.

Revenue Commissioner to Visit Area Senior Centers, Explain Discounts on Property Taxes

Any property owner who is age 65 or older may qualify for additional discounts on his or her homestead (primary residence). Owners must request this additional discount through the local Revenue Commission office. The exact amount of the discount is based on the household taxable income as indicated on annual income tax forms.

Beginning September 1, Cullman Revenue Commissioner Barry Willingham will visit all area senior centers to share helpful information on submitting requests for over age-65 exemptions. Following his brief presentation, attendees may ask questions as needed to prepare themselves for applying for the exemptions.

For questions on this or any topic related to property tax, residents may contact the Cullman County Revenue Commission office at (256) 775-4776 or visit the website at www.cullmanrevenuecommissioner.com.

.About a quarter of all atrial fibrillation patients at the lowest risk for stroke receive unnecessary blood thinners from cardiology specialists, according to University of California San Francisco researchers. Their research letter appears in JAMA Internal Medicine.

Few doctors are prescribing a low-cost drug that has been proven effective in preventing the onset of diabetes, according to a UCLA study. The study, published in the peer-reviewed journal Annals of Internal Medicine, found that only 3.7 percent of U.S. adults with pre-diabetes were prescribed metformin during a recent three-year period.

The U.S. Food and Drug administration has approved Kybella (deoxycholic acid), a treatment for adults with moderate-to-severe fat below the chin, known as submental fat. Using Kybella for the treatment of fat outside of the submental area is not approved and is not recommended. Kybella is administered as an injection into the fat tissue in the submental area. Patients may receive up to 50 injections in a single treatment, with up to six single treatments administered no less than one month apart. Kybella is being provided in single patient use vials and should not be diluted or mixed with any other compounds. The safety and effectiveness of Kybella for treatment of submental fat were established in two clinical trials which enrolled 1,022 adult participants with moderate or severe submental fat. Participants were randomly assigned to receive Kybella or a placebo for up to six treatments. The results showed that reductions in submental fat were observed more frequently in participants who received Kybella versus placebo.

It is shameful how many churches claim to be Christians, call Christ Lord (Mt 7:21-23) then not obey Him (Lk 6:46-49). By these acts, the Bible reveals they are not His sheep (Jn 10:26-27), do not love Him or His Father (Jn 10:30,14:15, 21, 23-24, Mt 22:37, Mk 12:30, Lk 10:27), do not love truth (Jn 14:6), for every one that is of the truth heareth my (His) voice (Jn 18:37) and The Holy Elohim is not their Father (Jn 8:42). Pagan festivals are kept holy by most protestant churches (Mt 15:9) not The Holy Biblical festivals. Tithing is about all they accept of the law (Mt 5:18). Claiming the promises Christ made to His disciples, are theirs to ask for (Mt 7:7, 21:22, Lk 11:9,13, Jn 14:13-14, 15:7,16,16:23-24, 26). Paul speaks against those who do not love the Holy Christ (1Cor 16:22). All will appear before the judgment seat of Christ (2Cor 5:10). Yom Kippur is here, keep it Holy! So Be It!
