## NATIONAL PRESCRIPTION DRUG TAKE-BACK DAY

Sheriff Christopher Bourke is pleased to announce that the Sheriff's Office will yet again participate in this nationwide mission. This takes place on: **Sat., Oct. 23, 2021 between 10 a.m. & 2 p.m.**

This is a collaborative effort between the U.S. Department of Justice – Drug Enforcement Administration and the Orleans County Sheriff's Office.

This is a great opportunity for the public to surrender unwanted and/or expired medications and sharps for safe and proper disposal. Event/s such as these have dramatically reduced the risk of prescription drug diversion, abuse, as well as increasing awareness of this critical public health issue.

Due to the Current COVID-19 restrictions, the Sheriff's Office will be hosting a Drive-Up event. All medications and sharps will be collected from participants at their vehicle. We are kindly requesting face coverings while participating in this event.

The only authorized collection site for this event will be located at the Orleans County Public Safety Building. We apologize for any inconvenience of not having multiple collection locations for this event and thank the community for your understanding.

**Collection Site Address:**

**Orleans County Public Safety Building – 13925 State Route 31 – Albion**

ATTORNEY AT LAW

## THE RIGHTS OF THE ACCUSED

The rights of an accused individual are extensive and include the right to a fair trial, due process, and the right to seek redress or legal remedy. They also include rights of participation in civil society and politics such as freedom of association, the right to assemble, the right to petition, the right of self-defense, and the right to vote. Many people who've been arrested are fearful of law enforcement and often attend court proceedings without representation by legal counsel. It is essential that defendants know their rights and utilize the expert counsel of an experienced attorney who can navigate and diligently defend the rules and procedures of a prosecution while aggressively protecting the defendant's rights.

When you are arrested, your primary concern is how to get out of jail. Several things must happen before the authorities release you from jail. The process typically involves a "booking" process and a bail hearing that determines whether you may be released pending trial and sets the bail amount. You can be released once you have posted bail. To schedule a legal consultation, please call the **Law Office of MACK & PACE**. We work closely with every client to get a full understanding of the situation and your needs to ensure that every detail is addressed for your peace of mind.

(585) 798-1000  
534 Main St., Suite 6  
Medina, NY 14103

*Hint: The rights of the accused date back to the 18th century, when they were confined primarily to the actual trial itself. In the second half of the 20th century, many countries began to extend these rights to the periods before and after the trial.*

## Clean Air Filters

Cars and trucks can benefit greatly from clean air filters. Many drivers are aware of the need to change the oil in their vehicles according to the intervals designated in their owners' manuals, but few may be aware of the many benefits of changing air filters. One such benefit pertains to fuel efficiency. The automotive website CarsDirect.com notes that studies have shown that changing clogged air filters can improve fuel efficiency by as much as 10 percent and save drivers as much as 15 cents per gallon of fuel. Clean air filters also can benefit the environment. When vehicle air filters are clogged, air flow to the engine is reduced, adversely affecting vehicle emissions. Clean filters increase air flow to the engine, reducing vehicle emissions as a result. Clean air filters also can help drivers get more out of their vehicle investments. Designed to trap dirt and debris, clean air filters prolong engine life by preventing such particles from damaging engine components. Drivers can check their owners' manuals for air filter replacement guidelines, but manufacturers generally advise drivers change their air filters every 12,000 to 15,000 miles. Such a repair is inexpensive but can go a long way toward ensuring vehicles operate as efficiently as possible. ■

# Dori Goetze

## for Carlton Town Clerk

Hello friends!

My name is Dori Goetze.

For those of you that may not know, I'm running for Carlton Town Clerk as an Independent under the line, "Be the Change." I picked that as my slogan because that's what I'm offering. Change. I was encouraged to run for this position by several people who felt that there needed to be a change. I honestly had not paid much attention up to that point. Since then, I have paid attention. I have researched. And I decided to run. I have gained lots of knowledge in this process - both good and bad. There are a lot of people in this town with a lot of opinions. And a lot of information if you're willing to listen. So I'm asking you to stop. Pay attention. Research. Talk to each other. Ask questions. And make an informed decision.

This is what I would like you to know about me...

I was born and raised in Carlton. I bought my house when I was nineteen. I have raised my child here. I pay taxes here. I don't have much, but everything I have is because I worked hard to get it. I am a productive member of this community who has taken every job I've ever had seriously. From my first waitressing job, to customer service, to a long term stint in the human services field, and then to public service at the DMV. I go above and beyond because it's who I am. I have supervisory experience which includes billing, purchasing, as well as organizing and coordinating schedules, meetings and staff. I have been through state audits. I have references that can attest to my character, both personally and professionally.

I am not claiming to come in knowing everything about the Town Clerk position. But I am willing and able to learn. I am promising that I will run a professional and unbiased office. I will be available to interact with the community and I plan to incorporate a better schedule that offers evening hours at least one day a week, in order to better meet people's needs. I will assure that the monthly meeting minutes are posted to the website regularly and I will address issues that people may have in a timely manner.

If you're interested in **CHANGE**, vote for me on the Independent line for Town Clerk of Carlton on November 2nd!
