The Accreditation process has become recognized as the gold standard in cosmetic dentistry. It represents an intensely calibrated measurement of those specific clinicians that have applied themselves to a vigorous level of examination and evaluation of their skills and knowledge relative to cosmetic dentistry by a jury of their peers. The acknowledgement of this credential is beyond reproach and identifies those leaders in the field of cosmetic dentistry.* If you are in need of smile enhancement and believe that it is important to choose an experienced doctor with exceptional credentials, you are invited to visit Dr. Scharf's website, or call for a personal consultation.

"Imagine being able to

And replacing your
confidence, too."

You could benefit from implant restoration
if you have any of the following:

- one or more missing teeth
- uncomfortable dentures
- failing bridgework
- facial contours that have been changing

Well it doesn't take imagination, just a one-on-one meeting. Because everyday, I work with people to restore function to their mouths. As a prosthodontist, it's what I'm specially trained and uniquely qualified to do. Dental implant restorations, for example, can make all the difference in the world — and deliver many immediate and lasting benefits. Actually, for many of my patients, dentures have become a thing of the past. And its easier than ever. So, if you have tooth loss, suffer with less-than-perfect bridgework or dentures, or realize that your facial structure is changing for the worse, call me. Let's talk about how, together, we can restore function to your mouth. Restore confidence. Restore a normal, healthy life. Once and for all.

Your smile.

 HOME MORTGAGE, LLC®

Thank you to everyone who voted for me as
 the Best Mortgage Lender 2021 of Chester County, PA
 I'd like to first recognize my entire team at Prosperity Home Mortgage,
 especially my assistant of 15+ years, Barbara Fitting.

Without the support each and every day, my success wouldn't have led to this
 acknowledgement. I'd also like to thank my realtor partners and borrowers, with full
 admiration, you inspire me daily to further dedicate myself to my profession. The
 continual referrals of your family, friends and clients is the highest compliment I
 receive and truly what my business and professional career is based upon. We are a
 team built on honesty and communication; one I am so proud to be apart of.
