The last job you'll ever love!

No experience preferred.

We are looking to fill a full-time position on our sales team. You'll receive the training you need to be successful in this role. And you'll have the ability to earn more income every month!

66 -9

- Sandra Thomas

I was apprehensive before applying for the position. I only had experience working in gift sales. I knew nothing about advertising. EMG put me through paid training and let me watch other sales reps. That was 10 years ago! When a business tells me "working with you is a blessing," I can't help but smile every time.

- Faith Cashion

Working at Exchange Media Group has been such a blessing. I get to do what I love everyday by helping businesses grow!

44

- Sissy Smith

When I first started working with Exchange Media Group, the extensive training was the most impressive part. It allows everyone on the team, no matter where we came from, to be the best we can be. As an employee, I love that our customers become our family. We're local, so we can really make a connection with them.

Meet... Cannon

Cannon is about 6 months old and is a hound mix. He is a spunky dude with a lot of personality. He is great with other dogs and loves all people. He is still a puppy so he will need training. He also has a loud howl/bark.. that just comes with the hound territory. He would make the perfect addition to any family because of his playful and loving demeanor. If you are interested in adopting Cannon, please fill out an adoption application at Tullahoma.

Please visit the shelter to choose your pet. The shelter has an ongoing need for donations of dog food, collars, leashes, treats, stainless steel food bowls and monetary donations to provide medical care. We greatly appreciate all donation made to the shelter
