Led by Satan, most church religions are based on theory and pagan worship, not The Bible. Theory does not necessarily prove that Christ will accept it as truth (Mt 7:21-23, 15:9, 1Jn 3:1-10), only what He gave for His sheep to do! Some think the pagan festivals are Christ given, but their theories are not proven by the Bible, which proves they are man made! To give answer to some who ask why "G-D" instead of God? The Jewish writer uses "G-D" so as not to deface the Holy character of The most High. Christ was a Jew (Jn 4: 9)!! The so called Christian writer will use God! So Be It!

Medications that mimic caloric restriction such as metformin hydrochloride can reduce risk of some late age-onset disease. It is unknown whether these caloric mimetic drugs affect the risk of age-associated eye diseases such as macular degeneration, diabetic retinopathy, cataract or glaucoma. However, taking the medication metformin hydrochloride was associated with reduced risk of developing the sight-threatening disease open-angle glaucoma in people with diabetes, according to a study published online by JAMA Ophthalmology.

The U.S. Food and Drug Administration has approved Avelox (moxifloxacin) to treat patients with plague, a rare and potentially fatal bacterial infection. The agency approval for plague includes use of the drug for the treatment of pneumonic plague (infection of the lungs), and septicemic plague (infection of the blood). Avelox is also approved for ptevention of plague in adult patients. Plague is extremely rare in most parts of the world, including the United States, with 1,000 to 2,000 cases worldwide each year. The three most common forms of plague are bubonic plague (infection of the lymph nodes), pneumonic plague and septicemic plague. Plague can be spread to humans through bites from infected fleas, contact with infected animals or humans, or laboratory exposure. The bacterium that causes plague, Yersinia pestis, is considered a biological threat agent that could potentially be used as a bioterrorism agent.

In Memory Of
Glenda Joyce Ivey

June 6, 1942 ~ April 2, 2015

God saw she was getting tired
And a cure was not to be.
So He put His arms around her
And whispered,
"Come with Me."

With tearful eyes
we watched her suffer
And saw her fade away.
Although we loved her dearly,
We could not make her stay.

A golden heart stopped beating,
Hard working hands to rest.
God broke our hearts
to prove to us
He only takes the best.

John Fred Kuykendall

John Fred Kuykendall, 84, of Shawnee, Kansas, passed away, Tuesday, September 22, 2015. Mr. Kuykendall was born on February 3, 1931 in Cullman, Alabama. He served in the United States Air Force and retired in 1971 after 20 years of service. He later worked as a custodian for the Shawnee Mission School District. He was also a vegetable farmer and sold his produce at the Kansas City and Shawnee City markets. He also volunteered at Shawnee Community Services, Old Shawnee Days and Restart. He is survived by his wife, June Kuykendall, a daughter, Patsy Kuykendall, his sister Opal K. Smith, several nieces and nephews and a host of friends. He was preceded in death by his parents, Luther and Eva Mae Kuykendall, a sister, Frieda (Leon) Smith and a brother-in-law, Rev. Norman R. Smith, all of Cullman, AL. He was also preceded by his favorite walking buddy, his dog Buster. Services were September 28, 2015 in Shawnee, Kansas with burial at Pleasant View Cemetery in Shawnee, Kansas.
