The U.S. Food and Drug Administration has approved Repatha (evolocumab) injection for some patients who are unable to get their low-density lipoprotein (LDL) cholesterol under control with current treatment options. Repatha, the second drug approved in a new class of drugs known as PCSK9 inhibitors, is approved for use in addition to diet and maximally-tolerated statin therapy in adult patients with heterozygous familial hypercholesterolemia (HeFH), homozygous familial hypercholesterolemia (HoFH), or clinical atherosclerotic cardiovascular disease, such as heart attacks or strokes, who require additional lowering of LDL cholesterol. Familial hypercholesterolemia (encompassing both HeFH and HoFH) is an inherited condition that causes high levels of LDL cholesterol. A high level of LDL cholesterol in the blood is linked to cardiovascular or heart disease. Heart disease is the number one cause of death for Americans, both men and women. According to the Centers for Disease Control and Prevention, about 610,000 people die of heart disease in the United States every year - a number equal to one in every four deaths.

Regular use of aspirin may help slow the progression of early emphysema, according to new research presented at the 2015 American Thoracic Society International Conference.

Varenicline- also known as Champix or Chantix- is the most effective medication to help smokers quit, but previous reports have suggested that users may be more likely to suffer a heart attack. The drug has also been linked to depression, self-harm and suicide. New research published in The Lancet Respiratory Medicine supports recent studies that failed to find any evidence that varenicline has a negative effect on mental health. It also shows that taking the drug does not raise a person's risk of heart disease.

Arley Chittlin' Supper Set For February 26

The Winston County Chittlin' Eaters Association and the Meek High School Band of Champions will host the 57th annual Chittlin' Supper on Friday, February 26. Doors will open at 4:30 p.m. for this highly anticipated meal, which is held at the Meek Elementary School gymnasium.

This unique event is a fund-raiser for the Meek High School Band of Champions. Tickets are \$8. Children 5-12 years of age are admitted for \$5. And children under 5 years of age are admitted free.

Along with the chittlins (or chicken for the "chickens") there will be tasty side dishes as well as buck dancing and hog calling contests. Since this is an election year, you may also see - and hear -- many state and local politicians..

The school gymnasium is located just off County Road 41 in Arley. To purchase a ticket, or for more information, you may call Meek High School at 205-384-5825.

Shirley Mae Smith Coleman

April 12, 1936 ~ December 7, 2015

The family of Shirley Coleman would like to thank everyone who showed us love and support during her illness and death. Thank you to the staff members of Hospice of Cullman County for their loving care of my mother. Thank you for all the visits to my home and all the phone calls and cards and loving inquiries on mother's well being during her illness. She has such loving family, friends and neighbors. Thank you to everyone who sent flowers, tributes and visited the funeral home. Thank you to Kerry Hanvey, Judy, Craig Holmes, Leldon Grimmitt, Richard Saylor, Kathey and others who did the beautiful music at the funeral. Thank you to Pastors Scott Hagood and Richard Saylor for their words of comfort at the funeral service. Thank you to Max Hand, Jerome Pearson, Bill Langlois, Eugene Marsh, Ken Sedlmayr and Pat Castles for acting as pall bearers. Thank you to Fairview First United Methodist Church for feeding the family after the burial. A special thank you to the families of Lewis, Martha Nell Cook and children for feeding the immediate family. My family is indeed blessed by the huge outpouring of love and support by so many at work, church and in the community.

Thank You, Lesia Coleman and Family

Valentine's day of love origin. Juno Februata was a Roman goddess of febris (fever) of love and Romans held a feast called Lupercalia on Feb 13th-15th unto her with sacrifices of goats and a dog. As a fertility rite, strips of skin were cut from these and used to strike women who came near. Pope Valentine was beheaded on Feb 14th, 278 c.e., and Pope Gelasius, in 474 c.e., changed the Lupercalia feast of love into St Valentine's day. In 1969 some of the faith disowned because of confusion of authenticity. So Be It!
