\* Three ways to use an empty tissue box: 1) Store plastic grocery bags inside; 2) line with a small plastic trash bag and use in your car as a travel trash can; 3) cut out the bottom and use it to disguise an extra toilet tissue roll in your guest bath!

\* Love oranges? Save the peels to add to your potpourri mix. Remove as much of the pith as possible and cut into strips. Air dry in bright light for about a week. Or you can set the strips on parchment and dry in a partially closed oven set to 175 F for about 45 minutes. Check often.

\* "To separate yolks from egg whites, simply crack eggs into a shallow bowl and 'suck' the yolk out using an empty plastic water bottle. Squeeze the bottle slightly, then position the mouth of the bottle at the yolk and let go. It will magically slide up into the bottle, leaving the whites behind!" -- T.T. in New York

\* "When the last serving of jam has been used, I will happily add some oil and vinegar to the jar, along with a few choice spices, then shake. It's an instant vinaigrette, with a fruity tang." -- C.L. in Tennessee

\* Keep your jeans or other denim items from fading by soaking them in a solution of cold water and salt (2 tablespoons to a gallon) for about an hour before washing.

\* "To clean a can opener, get it wet and run a folded paper towel through it while turning the handle. Works best if done after each use." -- H.P. in Washington

**Salome's Stars**

**ARIES** (March 21 to April 19) A work-related situation that started last month takes on increasing importance this week. The choice is still yours as to how it will evolve. Be careful not to make quick judgments.

**TAURUS** (April 20 to May 20) "Careful" is the watchword for the prudent Bovine this week. Don't let your emotions overwhelm your logic. Try for balance as you maneuver through a touchy situation.

**GEMINI** (May 21 to June 20) Your energy levels rise to meet the challenges that will mark much of this month. New opportunities beckon. Look them over, but proceed cautiously before making any kind of decision.

**CANCER** (June 21 to July 22) Your private life can be a problem this week, as a partner becomes more difficult. Resist a reaction you might regret. Instead of walking away, try to talk things out.

**LEO** (July 23 to August 22) You should be your usual sunny self these days, as you bask in the admiration you adore. Enjoy it as you move into a new arena to confront an exciting upcoming challenge.

**VIRGO** (August 23 to September 22) Your perseverance reserves will be tapped frequently this week as you deal with the problems involved in making a new situation work for you. But it'll all be worth it.

**LIBRA** (September 23 to October 22) You'll find fewer roadblocks turning up as you continue to move ahead with your plans. Expect some important news to come your way by mid-November.

**SCORPIO** (October 23 to November 21) Good news -- you finally get to the bottom of that pesky mystery you've been trying to solve for weeks by using some gentle persuasion to get someone to break his or her silence.

**SAGITTARIUS** (November 22 to December 21) The best time to take on that important task is now. Move forward one step at a time so you can assess your progress and, if need be, change direction.

**CAPRICORN** (December 22 to January 19) The new opportunities you hoped to find this month are beginning to open up. Study them carefully to be sure you make the choice that's best for you.

**AQUARIUS** (January 20 to February 18) Turn a disappointment into a learning experience. Check out possible weaknesses in your approach and strengthen them. A loyal colleague offers good advice.

**PISCES** (February 19 to March 20) Your new situation offers opportunities to help you get the skills you'll need in order to stop swimming in circles and finally move straight toward your goals. Go for it.

**BORN THIS WEEK:** You have a sharp, logical mind and a quick intellect. You would make an excellent mystery writer.

# HOLLYWOOD

by Tony Rizzo

HOLLYWOOD — Tom Cruise has three big films in the can, ready to hit theater screens worldwide. First is the long-awaited “Top Gun: Maverick” (sequel to the mega hit that grossed \$357 million in 1986), which was delayed by the pandemic and will finally arrive May 27.

Next up is “Mission Impossible 7,” with Simon Pegg, Ving Rhames and Vanessa Kirby. Among the scenes shot for the film were an exploding bridge in Poland and a steam train plunging off a cliff and into a quarry in Derbyshire, England. “MI7” also was derailed by the virus and now opens Sept. 30. By then Cruise will be 60 years old.

Finally, get ready for more action in “Mission Impossible 8,” dropping July 7, 2023. Originally “8” was to be filmed back-to-back with “7,” but it got too complicated. This may be the last time we see Cruise running on moving trains in the process of being blown up!

Every year at New Year’s, we get lists of our favorite actors who left us during the year. While we maintain there are only four stars who got the big studio build-up during the “Golden Age of Hollywood” who are still active today (they being Jane Fonda, 83, Shirley MacLaine, 87, Sophia Loren, 87, and Robert Redford, 85), there are many treasured favorites from movies and television still with us and some still active today.

“The Fugitive” Oscar-winner Tommy Lee Jones is 75, while “Starsky & Hutch’s” Paul Michael Glazier and David Soul are both 78. Chubby Checker (“The Twist”) is 80, as is “Bye, Bye Birdie” star Ann-Margret. Nancy Sinatra is 81, and “Love at First Bite’s” George Hamilton is 82, as is “Coming Home” Oscar-winner Jon Voight.

Two-time Oscar winner Anthony Hopkins and “The Beverly Hillbil-

ly’s” Max Baer Jr. (Jethro) are 83, while Billy Dee Williams is 84. Kris Kristofferson is 85, Dame Julie Andrews and Jerry Lee Lewis are both 86, and “Dr. Kildare” himself, Richard Chamberlain, is 87. “Vertigo” star Kim Novak is 88, and “The Coal Miner’s Daughter” Loretta Lynn is 89. “The Jefferson’s” Marla Gibbs turned 90, and “The Adams Family’s” John Astin (Gomez) and “The Bird’s” Tippi Hedren are 91.

Bob Newhart and “The Virginian” star Clu Gulager are 92, and co-stars and friends Sidney Poitier and Harry Belafonte are both 94. Dick Van Dyke and Mel Brooks turned 95, while Angela Lansbury recently hit 96. “On the Waterfront” Oscar-winner Eva Marie Saint and Bob Barker are both 97, and Betty White tops them all at 99.

They’ve all been part of our youth and memories. We remember them fondly and thank and celebrate them now while they’re still here! Let’s drink to them!

# Strange BUT TRUE

By Lucie Winborne

\* Most NASCAR teams use nitrogen in their tires instead of air. This allows the tire to have a much more consistent rate of expansion and contraction to heat and cold.

\* North Koreans must have one of 28 state-approved haircuts.

\* There’s alcohol in space! In 2006, astronomers discovered a cloud of alcohol in part of the Milky Way where stars are forming from gas and dust.

\* In Albania, some women make an oath to become “sworn virgins” in order to live life as a man, with the rights and privileges of a man. For the rest of their lives, they are never again addressed as female.

\* Over 2,500 left-handed people a year are killed by using equipment made for right-handed people. The deadliest item? The right-handed power saw.

\* A traffic jam in Beijing lasted more than nine days.

\* If you yelled for eight years, seven months and six days, you would produce enough sound energy to heat one cup of coffee.

\* A man with severe OCD and a phobia of germs attempted to commit suicide with a gun to his head. Instead of killing him, the bullet eliminated his mental illness without any other damage.

\* In 2003, there were 86 days of below-freezing weather in Hell, Michigan.

\* Until 2018, there were only two English words ending in “gry” -- hungry and angry. Then the Oxford English Dictionary added a third -- “hangry” (an irritable state induced by lack of food).

\* A decibel is not its own unit, but actually 1/10th of the seldom used “Bel,” a unit named in honor of Alexander Graham Bell for his contribution to acoustics.

\* “Backpfeifengesicht” is a German term for a face that badly needs a punch.

## Fuel Assistance Available for Eligible Households

Application Deadline Is November 12

RICHMOND, Va. (October 28, 2021)- The Virginia Department of Social Services (VDSS) is currently accepting applications for fuel assistance online, by telephone through the Enterprise Customer Service Center at (855) 635-4370, and at all local departments of social services through Friday, November 12. To qualify for fuel assistance, the maximum gross monthly income for a one-person household must not exceed \$1,610. For a household of four, the maximum gross monthly income is \$3,313.

Fuel assistance is intended to offset the cost of heating expenses for eligible households and may also be utilized for delivery and installation charges as well as connection or reconnection fees. The program is funded by the Low-Income Home Energy Assistance Program federal block grant and administered through the Virginia Energy Assistance Program (EAP), which provides state support to assist low-income households in meeting their immediate home energy needs such as electricity, natural and liquid propane gas, oil, kerosene, coal, and wood.

“With fuel costs rising and many households still reeling from the economic impact of the pandemic, we know many Virginians are struggling to meet their home energy needs,” said VDSS Commissioner S. Duke Storen. “Last year, nearly 105,000 households received fuel assistance. We will continue to provide this critical resource to help eligible households remain safe and warm during the cold, winter months. We encourage Virginians to take advantage of this opportunity and apply for assistance while funds remain.”

To apply online, visit CommonHelp at <https://commonhelp.virginia.gov>. Families and individuals can also apply through their local department of social services or submit an application by telephone by contacting the Enterprise Customer Service Center, Monday through Friday, from 7 a.m. - 6 p.m.

## DANVILLE VOTERS VOTE ‘YES’ FOR DPS

Several Danville Public Schools facilities will soon get new life, thanks to Danville’s support of the one percent sales tax and its accompanying bond referendum in Tuesday’s election. Preliminary election results show that approximately 60 percent of voters in the city backed a one percent sales tax for capital improvement projects for school facilities.

Danville Public Schools will now be able to invest dollars from this sales tax, which is expected to generate \$141 million in revenue over the next 20 years, in learning environments that are designed to help every student achieve, with a focus on 21st century upgrades, increased technology access, and eliminating the need for trailer classrooms at the elementary level, among others.

With a majority of schools constructed prior to 1955, we hope that these renovations will allow our students to come to school with a renewed sense of pride and excitement for many years to come, as our Danville residents not only voted to invest in the futures of our current students, but several generations of students to follow.

“Danville Public Schools is so grateful to our community for supporting us and our students,” Superintendent Dr. Angela Hairston said. “We know that these needed renovations will positively affect morale, student achievement, instruction, safety, and more.”

Danville Public Schools would like to thank the Vote Yes 4 DPS committee, all volunteers, and those who worked hard to spread the word. This historic vote for our community would not have succeeded without the support of the volunteers.

“There have been significant investments made to make Danville a more attractive place to live, work and play. A part of that vision is to have a world class public school system. The passing of this one percent sales tax will have a significant impact on this vision,” Danville School Board Chair Crystal Cobbs said. “It will take all parties to become a destination school district, and we have begun the work with the 2021-2026 Strategic Plan. Danville citizens showed their support today by choosing to invest their dollars, and dollars of visitors to the city, into our school buildings.”

“As the liaison between the school board and the campaign, I am heartened by the message that this sends to the youth of Danville,” School Board Member Brandon Atkins said. “I’m grateful to our supporters and volunteers for their efforts in making this happen.”

Danville Public Schools is looking forward to updating our community throughout the construction and renovation process. Next steps include detailing renovation plans with the community’s help.

## DANVILLE PARKS AND RECREATION ANNOUNCES WINNER OF COMMUNITY HOLIDAY LIGHT SHOW ORNAMENT DESIGN CONTEST

In August of 2021, Danville Parks and Recreation prompted the Danville community to create a design for the ornament that is always sold at the Community Holiday Light Show every December. This is the first ever community-designed ornament the Light Show has ever had, and the process of choosing an ornament design was not easy.

“We are blown away by what the members of our community submitted to us a couple months ago,” said Taylor Roberts, Special Events Coordinator. “It made the process of choosing a winner extremely difficult, and we are so fortunate to have the opportunity to see the talent our residents have.”

Danville Parks and Recreation offers their highest congratulations to the winner of the 2021 Ornament Design Contest: Harry Aron—a local tattoo artist. Harry’s design features several iconic elements unique to our City. The Department greatly thanks everyone who submitted a design to the contest and is looking forward to submissions for next year.

The 2021 ornament can be purchased inside Children’s Village at the Community Holiday Light Show from December 9 – 23 for \$5 while supplies last. For more information about the Community Holiday Light Show, call (434) 793-4636 or email [taylor.roberts@danvilleva.gov](mailto:taylor.roberts@danvilleva.gov).

## SENIOR NEWS LINE

It's Time to Review, Renew Medicare

---  
This is that time of year, again, when we need to make decisions about Medicare plans. From Oct. 15 to Dec. 7, we are eligible to compare our coverage between the original Medicare, Advantage plans and the Part D drug plans in open enrollment. They change every year, and we need to know how those changes will impact us. To compare plans, go online to Medicare.gov and click on Preview 2022 Health & Drug Plans. Click on the plans you'd like to see and enter your ZIP code. If you want to compare drug costs, enter that data as well. Have pen and paper on hand and do the math. While it's said that the average Advantage plan will come down \$2, the average drug plan will go up that much. Beware the deductibles. If you have an Advantage plan and think you want to continue it, read the fine print. If you're used to having benefits for glasses, gym membership or other things, check to be sure you'll still have those. Compare all of the plans to get what you need. If you have a Part D drug plan and need insulin, be especially careful in selecting your plan. An additional 500 plans will include insulin this year, but again, read the fine print to be sure it's what you need. A warning: Be sure your drugs are covered. If you have questions you can call 1-800-MEDICARE, 24/7, to get help. You can also seek assistance at the State Health Insurance Program (SHIP) for your state (www.shiphelp.org). If you are low income or have a disability, you might be eligible for the Medicare Savings Programs (MSPs). They help pay for premiums and deductibles, as well as co-payments. Go online to cms.gov and search for Medicare Savings Programs. Click on one of the four categories for more information and income limits.

## VETERANS POST

by Freddy Groves

Here's How to Find Where Vet Is Buried

---  
The Veterans Legacy Memorial website has been expanded by 500,000 names at 93 veterans cemeteries across the country. This is in addition to the 4 million names already there at 155 cemeteries. The VLM is a digital platform and repository for information on veterans buried in those cemeteries. Friends and family can add biographies, photos, documents and other information to the listing for each veteran as a way of paying tribute. So far, 22,000 friends and families have added information to their veteran's profile page. For those of us who live far from the cemeteries where our veterans are buried, being able to add to a legacy page helps. For me, my family is only partially covered at this point. My grandfather at Fort Sam is in the database. Another relative at Riverside is in the database. Three others aren't, including my parents at Arlington National. They are, however, in ANC's website, although there is no way to add photos (except for the photo of the marker that is already there) or stories or biographies. Perhaps Arlington will be among those added in the half-million new names. Eventually the project intends to cover veterans buried in state and local cemeteries, as well as private cemeteries. To look for your veteran, go to www.vlm.cem.va.gov and put in the name -- first name last name, no comma. Click on the FAQ for more information. To find a veteran at Arlington National, go to www.arlingtoncemetery.mil. If your veteran is listed in the Veterans Legacy Memorial, contribute to the profile. Pictures are a great addition, as is bio information and personal stories. As a side note, Wreaths Across America will be on Saturday, Dec. 18, 2021. See their website (www.wreathscrossamerica.org) for ways you can help with wreath-laying at the 2,500 locations.
