**CULLMAN REGIONAL MEDICAL CENTER FOUNDATION**

*Dr. Herman C. Ensor*

**LIGHTS OF LOVE**

*December 3, 2015*

The Cullman Regional Medical Center Foundation hosts the Annual Dr. Herman C. Ensor Lights of Love Christmas Tree Lighting Ceremony on Thursday, December 3 at 5:30 p.m. in the Col. Cullmann Room.

Giving a gift of love for \$20, \$40, \$60 or more places a light on the Christmas tree as a tribute to someone special to you. Your tax-deductible gift will help support the Foundation's mission of advancing healthcare services at CRMC.

Special acknowledgement cards are sent to those who have been honored and to the families of those being remembered. All community members and contributors are invited to the tree lighting ceremony to view a presentation of the names of those being honored or remembered.

Join us for special Christmas music performed by Dr. Joe Johnson, First Baptist Church Ladies Ensemble, Dr. Mike Lunsford and Maggie Lunsford and area choirs as they take part in the annual program. The evening will conclude with the lighting of the Christmas tree by the family of Mike Duke. Light refreshments will be served during and after the ceremony.

The event is named in honor of the late Dr. Herman C. Ensor for his many contributions to the community and to Cullman Regional Medical Center. Dr. Ensor was a member of Cullman's medical community and is fondly remembered by those who knew him as a caring and dedicated physician.

Dr. Ensor was recruited to Cullman Hospital in 1975 and helped found the first obstetrics and gynecology practice in the area. He helped found the CRMC Foundation in 1977 and served as president of the CRMC Medical Staff and Chairman of the Board of Directors. In 1991, Dr. Ensor created the Lights of Love Tree Lighting Ceremony in order to honor and remember those lost during the year.

Donations may be contributed throughout the entire holiday season and gifts received by Tuesday, December 1, will be included in the special ceremony. Contributions may be made in memory or in honor of someone special in your life.

Donate today online at [www.crmhospital.com/LightsofLove](http://www.crmhospital.com/LightsofLove) or call the CRMC Foundation Office at (256) 737-2565 for more information.

Statins' success in reducing atherosclerosis-related events has elevated the medications to wonder-drug status, with some researchers advocating for their wider use as a preemptive therapy for cardiovascular disease. Using statins, however, can have side effects, including memory loss, muscle problems and increased diabetes risk, according to a study in the American Journal of Physiology-Cell Physiology.

It may be better for patients to resume taking their blood pressure medication sooner after surgery than previously thought. A new study published in the Online First edition of Anesthesiology, the official medical journal of the American Society of Anesthesiologists (ASA), found resuming angiotensin receptor blocker (ARBs), common medications used to treat high blood pressure, within two days after surgery decreased death rates in the first month following surgery.

Anticholinergics could delay the recovery of brain injury patients, according to research published in Brain Injury. Prescribed for up to 50 per cent of older people, medications with anticholinergic properties are used to treat a broad range of common conditions including bladder problems, depression and insomnia. Anticholinergics are already known to have side effects such as temporary cognitive impairment, dizziness and confusion. But their effects on people with pre-existing brain and spinal injuries have not been investigated until now. Medications with anti-cholinergic properties are often used on neuro-rehabilitation units to manage symptoms from urinary incontinence to pain.

The Holy Bible plainly states that sin is a transgression of the law (1Jn 3:4). For a preacher to teach that Christians are not under the law, but pray in the name of Jesus and your sin will be forgiven, even willful sin (Heb 10:26), are teaching foolishness as religion (Mt 24:4-51, 2Cor 11:13-15)! If one is not under the Biblical law, quite obviously they would not be a sinner by the law. Let them prove by The Bible, where there were two covenants given! Only two pathways (choices) are given for mankind; one narrow and the other broad. Many are sought, but few will find (Mt 7:13-14)! So Be It!

The family of Dovie Philpot would like to thank everyone who showed us love and support during her illness and death.

Thank you to Lisa Robinson for the love and care and support you gave her, as well as us. Without the help of these people home

Thank you to everyone who sent flowers, and visited the funeral home. Thank you to Simcoe Methodist Church for feeding the family after the burial. Thank you to Bro. Andy Coffey and Bro. Tony Thomas for your kind words and warm memories shared during the funeral service.
