BUSINESS LICENSE RENEWALS

October is the renewal month for business license

Any license not purchased during the month of October will face penalty and interest.

Before any person, firm, or corporation shall engage in or carry on any business or do any act for which a business license is required, shall pay to the judge of probate of the county in which it is proposed to engage in or carry on such business, the amount required for such license. The cost of a business license is based on the type business it is and for certain businesses the location of the business.

Per Act 2014-430, effective October 1, 2014, prior to being issued a business license by the Probate Office, the applicant must provide the Social Security Number (SSN) for individuals or their Federal Employer Identification Number (FEIN) for other entities.

The Probate Office mailed out reminders to businesses. County license may be purchased by mail, a \$2.00 mail fee must be included. Please bring your renewal notice when renewing in person or include renewal notice when renewing by mail.

Certain businesses must have permits before obtaining the license. Please bring or include all permits for business license in order to avoid a delay in the purchase of the license.

I want to thank the employees, especially the license department. Each one has worked diligently to prepare for selling license.

License may be purchased at the Courthouse Probate Office, Baileyton Sheriff's Substation, Dodge City Town Hall and Hancockville City Hall/Monday-Friday, 8:00 AM to 4:30 PM

Any questions please contact the Probate Office 256-775-4802 or 256-775-4803.

Thank You,
TAMMY BROWN

Did Peter, John or Paul build churches as some claim, then do not agree as one? Christ gave His disciples to be missionaries, not to build churches (Mt 28:19-20)! If Christ built a church, be assured it would teach exactly what was taught in The Bible (Heb 13:8)! Claiming to be a Christian and not do as The Holy Messiah saith (Mt 10:33) could be a false witness (the 9th commandment). The Bible was translated into many languages so people could know if what is taught as truth is the Holy Truth. Many churches do not want you to read and study it, for their doctrines are the commandments of men! Some churches are liking to people who want your money and say they are Christians so you will trust them (leeches). A tree is known by its fruit, calling Christ Lord without obedience (Mt 7:17-27)! So Be It!

PHARMACY TOPICS
by Rex Smith
Hospital Discount CENTRAL

Phoned L.L. Rogers, Gentry, Emily Cook, Becky Burks and Rex Smith, PhD

The U.S. Food and Drug Administration recently approved Daklinza (daclatasvir) for use with sofosbuvir to treat hepatitis C virus (HCV) infections. Hepatitis C is a viral disease that causes inflammation of the liver that can lead to diminished liver function or liver failure. Most people infected with HCV have no symptoms of the disease until liver damage becomes apparent, which may take several years. Some people with chronic HCV infection develop scarring and poor liver function (cirrhosis) over many years, which can lead to complications such as bleeding, jaundice (yellowish eyes or skin), fluid accumulation in the abdomen, infections or liver cancer. According to the Centers for Disease Control and Prevention, approximately 2.7 million Americans are infected with HCV of which, approximately 10 percent are genotype 3.

Use of cholesterol lowering drugs (statins or fibrates) is associated with a one third lower risk of stroke in older adults without previous disease, finds a study published in The BMJ. In high-income countries, a growing proportion of heart disease and stroke occur in the oldest people. In France, for instance, people aged 85 years and over accounted for 43% of deaths from coronary heart disease and 49% of deaths from stroke in 2010.

Vincopetine, a drug long used to treat neurological disorders such as stroke, is an effective treatment for middle-car infections, showing the ability to suppress muss overproduction, improve bacterial clearance and reduce hearing loss, according to a study in the Journal of Immunology. The findings could result in a novel, non-antibiotic treatment for otitis media, or middle-car infection, possibly through topical drug delivery.

Birthdays Celebration at Morningside Of Cullman

Mr. Edward (Buck) Copeland celebrated his 93rd birthday Sunday October 18th 2015. His two daughters, Judy and Martha threw him a big party at Morningside and invited family, friends, Morningside residents and staff. Judy and Martha ask one of Buck's good friends, Ms. Sue Dangler also a resident of Morningside, to join in the celebration because they both share the same birthday Oct. 18th. Pictured is Ms. Sue Dangler and Mr. Edward (Buck) Copeland. The other picture is Buck and his family.
