HEAP APPLICATION

The New York State Home Energy Assistance Program Benefit (HEAP) application is open! As you know, HEAP assists low-income people with their heating costs. Eligibility and benefits are based on income, household size, primary heating source and whether a household member is under six years of age or over 60. You may be eligible even if you own your home or pay for heat as part of your rent. To be sure, there are income guidelines. For example, a household size of four may not exceed a gross monthly income of \$4,598. A household size of one may not exceed a monthly gross income of \$2,729. If you think you are eligible, please schedule a time for you to pick-up an application or we can mail it to you.

CLEANLINESS

Our service roads need all the help they can. Our business corridors need litter removal. If you see any conditions that need immediate help, please report it to 311 and contact our office thereafter. If you have neighbors with trees, please remind them to clean their tree pits and remove any litter. We must do our part to continue our community's success. We already know that city agencies like the Department of Transportation do little to no maintaining of its own properties. If you want an area serviced, do not hesitate to contact us at (718) 892-1161.

NOTIFY NYC

While Community Boards certainly do its part in disseminating information from the City, it is up to us as residents to register ourselves and our loved ones for instant notifications from our City during an emergency. Notify NYC, administered by NYC Emergency Management, is the City of New York's official source for information about City services and resources during emergencies. Notify NYC alerts you to public transit delays, vehicular collisions on highways and impending weather-related events that may affect school closures, City services or daily travel. If you wish to register, please call 3-1-1. Register online at: www.nyc.gov/notifynyc. You can also download the free "Notify NYC" mobile application on your smart phone and/or tablet.
