According to a new report published in the Journal of Controlled Release, researchers have developed a system to increase the bioavailability of resveratrol and quercetin in the body by using "copolymers" that make them water soluble and allow their injection into the blood stream, creating levels that are far higher than could ever be obtained by diet or oral intake. The resveratrol and quercetin then appear to reduce the cardiac toxicity of a very widely used cancer drug, Adriamycin. Although highly effective in the treatment of lymphomas, breast, ovarian and other cancers, Adriamycin can only be used for a limited time in humans because of its cardiotoxicity.

Aspirin may inhibit the growth of mesothelioma, an aggressive and deadly asbestos-related cancer, according to a study published in Cell Death and Disease.

Lower vitamin D levels are associated with increased risk of multiple sclerosis, according to a new research article published in PLOS Medicine.

Scientists have identified an unlikely anti-tuberculosis drug: the over-the-counter antacid lansoprazole (Prevacid), according to a study published in Nature Communications. Tuberculosis continues to be a global pandemic, second only to AIDS as the greatest single-agent killer in the world. In 2013 alone, the TB bug Mycobacterium tuberculosis caused 1.5 million deaths and almost nine million new infections. Resistance to TB drugs is widespread, creating an urgent need for new medicines.

A great gulf fixed betwixt Bible Christians and man made Christians! The disciples kept the Biblical Law, believed (Jn 3:16), obeyed The Christ (Mt 28:20, Lk 10:1-20), were called Christians at Antioch (Acts 11:26)! Christ was manifested to destroy the devil's works (1Jn 3:8) and He said sin (1Jn 3:4) no more (Jn 5:14,8:11). But most man made Christians hear not (Acts 3:23), nor keep the Biblical laws and times (Dan 7:25) for doctrines, they keep holy the commandments of men (Mt 15:9). Many say all The Bible is The Word of The Almighty Father in heaven, yet quote not a single verse where Christ commanded a change of days (Heb 4:8,13:8)! Most man made Christian days fall on the days that pagans kept for false gods. So Be It!
