Many preachers quote Rom 10:13, but do not touch 10:14! Teach days with ties to paganism for their so called Christianity and not a single one of them corresponds with The Bible! Most carry Bibles and teach promises Christ made to His disciples are promises He made unto them! The Biblical 10 commandments are twisted and made to appear righteous! 250 churches in Cullman, who are not of one mind and heart, yet claim to be a Christian church! Satan himself is transformed into an angel of light, therefore it is no great thing if his ministers also be transformed as the ministers of righteousness whose end shall be according to their works (2Cor 11:13-15)! The devil is now as a roaring lion, walking about, seeking whom he may devour (1Peter 5:8, also please read 1Jn 3:1-24)! So be It!

Drugs commonly used to treat high blood pressure, and prevent heart attacks and strokes, are associated with significantly worse cardiovascular outcomes in hypertensive African Americans compared to whites, according to a new comparative effectiveness research study in the Journal of the American College of Cardiology (JACC). The study is unique, the authors say, in that it evaluates racial differences in cardiovascular outcomes and mortality between hypertensive black and white patients whose treatment was initiated with angiotensin-converting-enzyme (ACE) inhibitors, outside of a clinical trial. ACE inhibitors are one of several classes of drugs commonly prescribed to individuals with hypertension to prevent deaths, heart attack, kidney failure, heart failure and stroke

The U.S. Food and Drug Administration has approved Varubi (rolapitant) to prevent chemotherapy-induced nausea and vomiting (emesis). Nausea and vomiting are common side effects experienced by cancer patients undergoing chemotherapy. Symptoms can persist for days after the chemotherapy drugs are administered. Nausea and vomiting that occurs from 24 hours to up to 120 hours after the start of chemotherapy is referred to as delayed phase nausea and vomiting, and is can result in serious health complications. Prolonged nausea and vomiting can lead to weight loss, dehydration and malnutrition in cancer patients leading to hospitalization.

The use of antidepressants during pregnancy has no long-term neurodevelopmental or behavioral effects on the child, however antidepressant use may be associated with an increased risk of postpartum hemorrhage, suggest the findings from three studies published in BJOG: An International Journal of Obstetrics and Gynecology.

VOTE GENE SULLINS DISTRICT 1 SCHOOL BOARD

WEST POINT - HARMONY RESIDENTS

I would like to take this time to thank you for all your faith and support you have given me for the past 3 years as your school board member. Being in the 4th year of my term, it is that time again that I humbly ask for your continued support in this upcoming race for the school board. I have very diligently thought out and prayed about every decision and vote that was made as your representative on the school board. A lot has been accomplished over the past 3 years and with the experience I now have I feel I can be more mindful of the things that need to be done. My involvement in school surroundings and activities have been a very big part of my life. I have had kids and still have kids in the school system. So all decisions made not only affect your children, but they affect mine also. I can assure you that ALL decisions that I have made was not done without careful thought and prayers.

Time has prevented me from being able to meet and talk with each and everyone of you and I apologize for this. I would now like to take this time to humbly ask for your continued support and vote on Tuesday, March 1st. Together we can continue to strive and achieve great things for our kids and school system as a whole.

Thank you and May God Bless each and everyone.

Happy Birthday
Lucille Woods
(Maw-Maw)
Feb. 25, 1926 ~ July 22, 2004

If roses bloom in heaven, Lord,
Please pick a bunch for me.
Place them in my Maw Maw's arms,
And tell her they're from me.
Tell her we love her and miss her,
And when she turns to smile,
Place a kiss upon her cheek,
And hold her for awhile.

BLUE TAG SPECIALS:
We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.
