GET YOUR FLU SHOT!

In addition to the COVID-19 pandemic, it is officially flu season. Receiving your flu shot has never been more important as we await the upcoming fall and winter seasons. Local convenient stores such as Walgreens and CVS offer free flu vaccinations. We do not want to overwhelm our heroic healthcare workers by having them treat patients with the flu in addition to patients that contracted COVID-19. If you can, please consider taking someone you know with you when you go for the flu vaccination. If you need a face covering, please stop by our office to pick one up. There are also free surgical masks available at our office. Please feel to stop by and grab a box or two. We have plenty to hand out.

CIVIL SERVICE EXAMS OPEN TO THE PUBLIC

I urge all to be mindful of the NYC Department of Citywide Administrative Services website about municipal employment opportunities. As you know, some jobs require an examination that is often open to the public. Employment opportunities such as being a police officer, school safety agent, traffic enforcement agent or a child protective specialist require an examination. I understand that most employment opportunities, if not all, are mostly applied for through the Internet. Therefore, I am making my office available to help any person interested in learning more about the application process in hopes of having the applicant land stable employment with the City of New York. If you wish to view upcoming examinations, please visit the website at: www1.nyc.gov/site/dcas/employment/how-can-you-find-upcoming-exams.page.

HEAT SEASON

As a gentle reminder, all landlords are required to provide heat in their tenants' apartments. Apartment temperatures cannot fall below 68 degrees if the outside temperature is below 55 degrees outside during the day. In the evening, apartment temperatures cannot fall below 62 degrees. Heat season runs from October 1 to May 31. If you have any issues, you must report all concerns or complaints by dialing 311. Please keep all complaint numbers and forward it to our office for proper follow-up with the landlord and City of New York.

NYC COUNCILMAN MARK GJONAJ DISTRICT 13, BRONX: This week at the NYC Council Stated meeting, I introduced two new bills, the feature bill would require food delivery apps to provide their couriers with commercial coverage. These couriers, a significant portion of whom are low-to-middle income, are faced with the tricky dilemma of either paying out-of-pocket for commercial insurance or forgoing it entirely when both their personal insurance and app do not cover delivery accidents. I look forward to urging this bill through the process to protect our delivery workers from financial catastrophes that can arise from costly accidents. I was happy to continue co-sponsoring Spay and Neuter event for our furry friends on Pelham Parkway and other areas in the District in collaboration with the Animal Care Center of NY and Toby Project. In the spirit of Thanksgiving, as every year our office will be giving out turkeys to constituents in need in District 13. Please call our office to RSVP at 718-931-1721. First come, first serve while supplies last. Please remember we are here for you, contact my office with issues or concerns at 718-931-1721 or email at MGjonaj@council.nyc.gov.
