An international study published in the Journal of Clinical Oncology shows that a regular dose of aspirin reduces the long-term risk of cancer in those who are overweight. The study subjects were people with a family history of the disease.

Every year, falls affect approximately one in three older adults living at home, with approximately one in 10 falls resulting in serious injury. Even if an injury does not occur, the fear of falling can lead to reduced activity and a loss of independence. Homebound elderly, a generally vulnerable population due to poor dietary intake and nutrition-related health conditions as well as decreased exposure to sunlight, are at risk for low vitamin D levels, possibly leading to more falls. A study published in the Journal of the American Geriatrics Society suggests vitamin D supplementation may reduce the risk of falls.

Maintaining normal vitamin D levels helps preserve kidney function in children with chronic kidney disease (CKD), according to a study appearing in the Journal of the American Society of Nephrology (JASN). The findings indicate that vitamin D-which is an easily accessible, safe, and inexpensive nutritional supplement-may be a useful additions to treatments for safeguarding kidney health in children with mild to moderate CKD.

A study in Laboratory Investigation found that a daily dose of aspirin was effective at blocking breast tumor growth. Previous studies have already shown a similar effect on colon, gastrointestinal, prostate, and other cancers.

Many priests and protestant preachers know it is not commanded by The Holy Bible for man to worship on a Sunday, the first day of the solar week! Also know by The Holy Bible that The Holy Feast Days were not annulled by The Holy Father (Hallowed be Thy Name (Mt 6:9, Lk 11:2)! Willfully teach man's commandments for their church doctrines as if they were Biblical (Mt 15:9)! Speak against The Holy Bible and the words of the prophecy (Rev 22:18-19)! The changed times and laws is by the beast (Dan 7:25) and is not commanded by The Holy Word of Elohim The Christ (Jn 1:14, 3:16, 14:6, 15, 25, Acts 3:23)! So Be It! Ron 256 590-9067
