MY SIOUX CENTER HEALTH CAREER JOURNEY

ALICE NYHOF, CNA

"I have worked as an overnight CNA for 25 years. I started as a part time CNA in 1993 and after 19 years of being part time I went to full time overnights and I absolutely love it.

There is nothing more rewarding than being a CNA. I would love the chance to work with you!"

The best part of my job is the people! The residents and my co-workers are like a second family. Seeing the residents each day motivates me to come to work. It is almost like spending time with a grandparent; sitting with them, listening to them as they share their wisdom and stories. The longer I work as a CNA, the more I appreciate all the people I have come to know and the many paths that have been crossed."
