## Longtime Crosby businessman needs kidney transplant

Brian and Colleen Pribyl

Longtime Crosby businessman and Marathon Gas Station owner, Brian Pribyl, is in need of a kidney transplant. In July 2021, Brian Pribyl learned he has chronic kidney disease. He is in need of a kidney and is looking for a living donor.

A benefit to help with expenses will be held starting at 4 p.m. on Saturday, Dec.

11 at the Ironton American Legion. There will be a silent auction, live auction and bake sale. An Italian buffet featuring lasagna, spaghetti, various pasta dishes will be held at 4:30-7 p.m. for \$15. Live music by "Silent Partner" will begin at 7 p.m.

If you are unable to attend, any donation of cash given directly to the Pribyls, a gift

certificate or new merchandise toward the benefit would be greatly appreciated. A receipt can be mailed upon request.

Proceeds will be used to pay the excessive bills resulting from current medical expenses and his future transplant. An account has been established in Brian's name at the Deerwood Bank, PO Box 520, Deerwood, MN 56444. Thank you in advance for your consideration.

There are over 100,000 people waiting for a kidney. So give this some thought. If you are interested in being a donor please contact: [mhealth.donorscreen.org](http://mhealth.donorscreen.org). If you pass the donor screening you will be sent a confidential e-mail with the next steps, should you wish to continue for Brian or another candidate.

Brian will have his transplant procedure at the Uni-

versity of Minnesota. The U of M does both direct and paired-exchange living donor

transplants. You don't have to be the same blood type to help Brian get a kidney.

# CLC Trap Shooting Team wins conference and places third at Nationals

Central Lakes College's Trap Shooting Team won its conference after competing in the USA College Clay Target League's six-week season. The team also recently finished the season placing third at Nationals.

The 15-member co-ed team is celebrating its most successful season since beginning competition in 2017. This is the first time that CLC has earned the conference championship, and the program looks to build upon this season's success in subsequent years.

After taking first place at its conference, the CLC team was invited to participate in the

national tournament, which took place from November 1 – 6, with team members each shooting 100 clay targets at Lakeshore Conservation Club and then coaches inputting the scores online.

Team members Kylie Wolkenhauer and Isaac Malone each scored a 97 out of 100, which earned Wolkenhauer the High Gun for all females at Nationals and tied both her and Malone for the 2nd highest score of the tournament. Team member Grace Caouette wrapped up her first season of competitive trapshooting in spectacular fashion earning first place in the tournament's novice

category.

The CLC community and coaches are proud of the team for how they represented themselves both on and off-campus.

"When you look at our overall scores throughout the season, we did not have just one or two student-athletes carrying the team with high weekly scores, but instead, we shot consistently as a team," said coach Erich Heppner. "In our fifth and final week, our initial group did not shoot

particularly well, and our lead over our conference opponents was very much in jeopardy. The next group went out knowing that they needed to lift their teammates up, and they delivered by shooting season-high scores and putting the team in an uncatchable position. We had a lot of moments this season where teammates were called upon to shoot well, and they stepped up with ice in their veins and delivered."

The CLC Trap Shooting

Team would like to thank the following groups and entities for their unwavering support this season: Lakeshore Conservation Club, American Steel Supply Inc., MN Deer Hunters Association, Brainerd VFW and the CLC Foundation.

Current team members include: Grant Albers, Dundas; Grace Caouette, Elk River; Colton Gutenkauf, Baxter; Wyatt Herron, Brainerd; Tristan Johnson, Alexandria; Jenna Lawin, Holdingford; Isaac Malone, Willmar; Quinn

Mathisten, Howard Lake; Caleb Nurnberger, Staples; Dustin Piotter, Holloway; Lainey Priglmeier, Foley; Megan Tritz, Darwin; Adam Viskocil, Northfield; Edward Volk, Pillager; Kylie Wolkenhauer, Pequot Lakes. Coaches are Mike Hammer, Erich Heppner, Robb Kolodziej, Mark Robideaux, Nikki Shoutz, and Steven Weagel.

READER RIBBETS

Rep. Dale Lueck legislative update

I recently had the opportunity to visit with the senior leadership of Enbridge and received an update on the Enbridge Pipeline #3 replacement project.

The 1,097 mile pipeline moves crude oil from Edmonton, Canada to Superior, Wis. A total of 330 miles are within Minnesota, including eight new pump stations and two new pipeline maintenance shops.

The entire project cost \$9.3 billion, all of which was funded by the private sector. Over \$4 billion was invested in the United States, the bulk of which came to Minnesota.

Line 93 is in full operation that amount will increase by about \$35 million dollars.

The Minnesota segment took over six years to complete. Actual construction including the new pump stations only took about 12 months.

Where tribal governments desired, the new pipeline route avoided reservation lands and where tribal governments desired the old line was replaced with new pipeline on their reservation lands.

were involved in construction representing over 7% of the total work force.

This week I was invited to participate in the Minnesota Soil and Water Conservation District (SWCD) Forestry Association's monthly meeting at McGregor.

Commercial timber companies, the DNR and county land offices all employ professional foresters that manage their forest assets.

Representative Dale Lueck Minnesota House District 10B
