Piedmont Pets
 November 25, 2021 By Paulette Dean

Thanksgiving is often overlooked. We concentrate on preparing a huge meal, but we may forget the reason for the day. We forget to express our gratitude.

Our companion animals express their gratitude to us in many ways. One of my cockatiels, Davey, occasionally will say a very quiet "thank you" when I put a special treat in his food bowl. Most of the time, animals speak a different language than humans, but a listening heart can hear what is being said.

Many lessons of simple gratitude have come to me from animals. We have seen starving dogs eat dog food as if it were manna from heaven, and have heard cats purr when they were offered water. Generally, animals ask for so little, sometimes receive even less, but they are always grateful for what they do receive.

I have seen scared dogs tentatively approach shelter employees with their tails gently wagging in thankfulness for a tender touch. One critically ill kitten reached out to put a small little paw on an employee's cheek as medicine was being given. An animal's body language cannot lie and gratitude expressed by them can be understood.

We are thankful for the many kindhearted people who live in this area. So many of you support us with donations, and we promise that we use the money wisely to help the animals. We are very aware of the fact that many of you serve the animals privately, by picking up strays, buying doghouses for a neighbor's dog, putting extra food out so the stray cat will learn to trust you, and being a friend to the animals in valuable ways. You make a difference for the animals.

We are grateful for business, large and small, who sponsor donation drives or who support our fundraising efforts. Thank you again, Piedmont Pets, for allowing us space to spread the humane messages.

We appreciate the shelter employees who take care of the animals every day, even as their hearts are breaking. We are grateful for "nosy" neighbors. We appreciate your willingness to call us when you see an animal who needs our help. You take a chance that you will make a neighbor, a friend, or a family member mad, but you make the call because you recognize that the animal in need is helpless.

We are thankful for the animals. We love the quiet, gentle lessons they teach us, and we are so thankful that we share the earth with so many wonderful creatures.

On behalf of all the Board members and employees, I offer our appreciation for all you do for the animals and for the Humane Society. Through your efforts, perhaps we will one day become a truly humane society.

ARIES (March 21 to April 19) Keep those sharp Sheep eyes focused on a hazy situation. As things begin to clear up, you'll find a sharper picture emerging, showing something you'll need to know.

TAURUS (April 20 to May 20) Watch your expenses through the end of the month. Later, you'll be glad to have extra money to pay for something that will make an acquisitive Bovine's heart beat faster.

GEMINI (May 21 to June 20) You're now ready to make that oft-deferred commitment, if you still believe it's what you want. Don't be afraid to change your mind if you feel you should go in another direction.

CANCER (June 21 to July 22) Now that you are moving on with your life after that recent disappointment, how about reactivating your travel plans and taking someone special along with you.

LEO (July 23 to August 22) Many new friends come into your personal life, which suits all of you social Lions just fine. However, one new friend might make demands that you could find difficult to deal with.

VIRGO (August 23 to September 22) Communication doesn't exist unless it's two-way. So, if you're getting no replies to the signals you're sending, it could be time to look for someone more receptive.

LIBRA (September 23 to October 22) A workplace complication that you thought was ironed out develops new wrinkles that need attention. Meanwhile, expect continuing improvement in your home life.

SCORPIO (October 23 to November 21) A tense personal problem needs to be talked out before someone decides to walk out. Resist making decisions until full explanations are offered from both sides.

SAGITTARIUS (November 22 to December 21) A technological glitch that caused problems recently will soon be repaired, and life can return to normal. A colleague has a surprising message to deliver.

CAPRICORN (December 22 to January 19) Your partner might feel that you haven't been as open with him or her as you should be. Deal with this now, before it turns into something more difficult to handle.

AQUARIUS (January 20 to February 18) Good news: Many of the stumbling blocks that affected the progress of some of your career projects are fading away. Things also start to look up on the home front.

PISCES (February 19 to March 20) You'll need that strong Piscean pluck to get through waters that will be turbulent for a while. A more positive aspect soon emerges, along with some welcome news.

BORN THIS WEEK: You are zealous in the pursuit of truth. You would make an excellent research scientist.

HOLLYWOOD
by Tony Rizzo

HOLLYWOOD — Ryan Gosling began his career on "The Mickey Mouse Club," but we'd never have expected him to play "Ken" to the sexy Margot Robbie's "Barbie." Now that Disney owns Mattel, he'll be back in the "club." His last film, "First Man" (2018), barely broke even, but he's since filmed Netflix's most-costly film ever, the action thriller (with a \$200 million price tag) "Gray Man," co-starring Chris Evans, Ana De Armas and Billy Bob Thornton. Will Ken's missing equipment be restored for the Disney movie, or will Barbie dump him again?

Margot Robbie is still one of the busiest actresses in films. She stars in the still-untitled David O. Russell film with a magnificent cast, including Christian Bale, Rami Malek, Robert De Niro, John David Washington, Zoe Saldana, Mike Meyers, Michael Shannon and Chris Rock. She also toplines "Babylon," as silent-film legend Clara Bow, co-starring Brad Pitt, Toby Maguire and Jean Smart (due Christmas 2022), and she's in the all-star ensemble of Wes Anderson's latest, "Asteroid City," with Tilda Swinton, Bill Murray, Adrien Brody, Tom Hanks, Scarlett Johansson, Bryan Cranston and Jeff Goldblum. Anderson's recent release, "The French Dispatch" (made two years ago and pulled from theaters), got positive reviews from 74% of respondents on Rotten Tomatoes.

The current release of "Dune" was successful enough to get the green light to start pre-production on the sequel, "Dune: Part Two." The original David Lynch "Dune" (1984) tried to tell the entire story in one film, but making it a huge two-part screen epic seems to have worked for this one. It grossed \$41 million in its first weekend and pulled in nearly 2 million viewers on HBO Max at the same time.

Sure as shooting, the upcoming film "My Son Hunter" won't be favorable to either President Joe Biden or his son Hunter. Robert Davi — who acted in "Showgirls" (1995) and "Predator 2" (1990), to name two of his more than 100 films — has cast John James (Jeff Colby on "Dynasty") to play President Biden, while British actor Laurence Fox (son of James Fox) plays his son Hunter. The film purports to be about sex, power, drugs, money and alcohol, based on claims the anti-Biden media has been pushing since before the election.

They raised the money to make the film from a GoFundMe campaign, since it was unlikely any legitimate film studio or production company would make it. Even more suspicious is that they're shooting the film in Serbia. Seems logical when you remember Serbia was up to its eyeballs in the non-existent scandal they were only too happy to perpetuate. Is this film destined to be R-rated for, uhh, political reasons?

* Cookie sheets make great temporary mud and moisture trays for dirty shoes. Stash one at the entry to your home, and you will have less dirt tracked across your floors.

* "To make your drains fresh-smelling, shake a half-cup of baking soda into the drain. Then pour 2 cups of vinegar that you have warmed on the stove. It will froth and bubble. When it's done, run the hot water and give it a little scrub." -- R.C. in Idaho

* Blood pressure can be affected by many things, and seeing the doctor is one of them. Instead, request that your blood pressure be taken by a nurse or physician's assistant. Having a full bladder also can make your pressure reading higher, as can positioning your arm below heart level.

* "Keep knitting yarn in check with empty tissue boxes. Set your yarn ball inside the box, and let the string lead out of the top. When not in use, tape the string to the side of the box. Boxes can be stacked and stored for future projects." -- C.W. in Indiana

* "Try this baking tip from my mother: When you have a recipe that calls for dry spices (cinnamon, ginger, ground clove, etc.), cream them with the butter instead of sifting them with the dry ingredients. I do feel like they become infused in the recipe better." -- A. in Illinois

* Visit the dollar store for low-cost toys to use on car or airplane trips. You can get several busy toys and dole them out one at a time. Most parents will attest to what a lifesaver this can be.

Treasury staff to help citizens find missing money

The City of Danville Treasurer's Office today announced that it will be hosting a virtual call event with the Virginia Department of the Treasury's Unclaimed Property office to assist citizens with looking for money that may be owed to them.

On Wednesday, Dec. 1, and Thursday, Dec. 2, from 10 a.m. to 4 p.m., City of Danville residents will be able to call the toll-free event phone number, 1-833-302-0704, and speak to a Treasury representative to assist them in their search.

Virginia's consumer protection law requires businesses to turn unclaimed property over to the state, relieving the business of the financial liability. Virginia holds the property as the custodian until the rightful owner, or heir, files a claim.

More than \$912 million has been paid out to Virginians since this program started in 1961. Unclaimed property consists of "abandoned assets or accounts" which are considered dormant due to inactivity and can include utility deposits, customer refunds, unpaid wages, money from insurance policies, securities and investments, bank accounts, and tangible property. Property becomes unclaimed when the holder company has not had contact with the owner of the property for a specified period of time.

Virginians can easily search the Commonwealth's unclaimed property database by visiting VaMoneySearch.org. This free website allows individuals to search the Commonwealth's unclaimed property database and download a claim form.

OBITUARIES

"For whether we live, we live unto the Lord; and whether we die, we die unto the Lord: whether we live therefore, or die, we are the Lord's." - Romans 14:8

Helen Hoskins

May 9, 1945 ~ November 18, 2021 (age 76)

Helen Bailey Hoskins, 76, of Pelham, NC, passed away on Thursday, November 18, 2021, at Wesley Long Hospital from covid, with her family by her side, while listening to her favorite hymn, I'll Fly Away. She was

born on May 9, 1946, to the late Raymond and Sue Crider Bailey.

She was a 1963 graduate of Cobb Memorial High School. While her children were young, she was a homemaker and then she later went to cosmetology school to become a beautician so she could work at home to be there for her family. After her children were older, she worked at Gunn Memorial Public Library, the Caswell County Health Department, and the Piedmont Triad Visitor Center. She loved each one of these jobs, and the friends she made. She also loved all the friends and fellowship she had with her Red Hat Group. Her life was dedicated to her family, and she always put everyone before herself. She was a faithful member of Stateline Baptist Church.

She was married to the late Hubert Hoskins for 49 years who preceded her in death on August 25, 2012. She is survived by her daughter Kathy & Chip Gray of Pelham; sons Jeff Hoskins of Danville; Greg Hoskins (Michelle Sines) of Pelham; and Ryan Hoskins (Amy Lovern) of Pelham; grandchildren: Kaylin Osborne (Joey Wright), Heather Hoskins (Austin Morris), Ashley May (Michael Farmer), Jordan Stanley, Rebekah Hoskins McCulloch (Alex), Bailey Gray, Hunter Hoskins (Ryan Barber), Faith Hoskins, Tristan Sines, Baylee Lovern, Zack Lovern, Mason Lovern and great grandchildren Emma and Adam. She is also survived by a brother, Willard Bailey & Sue, and sisters Carolyn Williams & Dan and Gracie Duncan & Donald, and a very special niece Terry Dillion & Vann, as well as many other nieces, nephews, cousins, and very special friends.

She was also predeceased by her brother Bill Bailey, and sisters Bobbie Johnston and Wilda Morris, and her grandson Seth Hoskins.

A graveside service will be held on Sunday, November 21, 2021, at 4:00 PM with Rev. Roy Jones and Bob Thurman officiating at Schoolfield Cemetery. Please follow covid protocols. Due to covid and our desire to keep you and your family safe from this horrific disease, we will not have a visitation at this time, but will have a celebration of life service at a later date.

In lieu of flowers, memorial donations may be made to Stateline Baptist Church, 651 Holland Rd., Danville, VA 24541. Swicegood Funeral Service is respectfully serving the Hoskins family.

1. What duo released "Time on Your Side (You're Only 15 Years Old)"?
2. Name the Merrilee Rush song that Connie Francis originally turned down.
3. Which Ricky Nelson song talks about having a girl in every port?
4. Who wrote and released "I Get Around"?
5. Name the song that contains this lyric: "A long time ago, when the earth was still green, There were more kinds of animals than you've ever seen."

Answers

1. Friend & Lover, in 1968. It was the b-side to "Reach Out of the Darkness," the duo's highest-ranked song.
2. "Angel of the Morning." Francis turned the song down because she claimed it was too risqué.
3. "Travelin' Man," in 1961. Hank sings the song in "King of the Hill" season 3, and Toyota used it in a 2019 TV commercial.
4. Brian Wilson and Mike Love of the Beach Boys, in 1964. Love sued in 1994 to be added as a writer as he wasn't originally listed.
5. "The Unicorn," by the Irish Rovers in 1968. The popular song (about an animal that was too late to get on the Ark) started out as a poem in Shel Silverstein's book "Where the Sidewalk Ends."

HEARTY, WHOLESOME WINTER MEALS

FAMILY FEATURES

Seeking comfort from the cold in the form of a wholesome meal is a perfect way to cap off a day with loved ones. During the winter months when brisk temperatures chill you to the bone, warming up with hearty dishes at the family table can bring everyone together.

- Full of seasonal flavors with top-notch taste, Pecan-Crusted Pork Tenderloin offers a delicious main course you don't have to feel guilty about. This easy yet elegant entree puts a unique spin on a dinner-time staple thanks to a crunchily pecan crust.
- With cheddar and ricotta cheeses, sour cream and cavatappi noodles, this Mac and Cheese with Pecan Breadcrumbs is an extra creamy, creative twist on the kid-friendly classic. Pair this family favorite with the pork tenderloin for an easy weeknight combination that little ones can help with in the kitchen by stirring together the cheesy goodness.

This family dinner is made possible with tasty pecans, which are among the lowest in carbs and highest in fiber compared to other tree nuts, helping you stay fuller longer. As a nutrient-dense powerhouse, they have 3 grams of plant-based protein and 3 grams of fiber per 1-ounce serving with 12 grams of "good" monounsaturated fat and only 2 grams of saturated fat. Essential nutrients like thiamin, zinc, copper and manganese – a mineral that's essential for metabolism and bone health – mean you can feel good about serving pecan-infused dishes to your loved ones.

Mac and Cheese with Pecan Breadcrumbs

Mac and Cheese with Pecan Breadcrumbs

Total time: 50 minutes

Servings: 6

- 8 ounces cavatappi pasta
- 1 tablespoon butter
- 1 block (8 ounces) cheddar cheese
- 1/2 cup raw pecan pieces
- 15 ounces part-skim ricotta cheese
- 4 tablespoons sour cream
- 1 teaspoon salt
- 1/4 teaspoon ground pepper
- 1 large egg, lightly beaten

Preheat oven to 375 F.

In salted boiling water, cook pasta according to package

instructions. Drain, reserving 1/2 cup pasta cooking water. Return pasta to pot and stir in butter.

Using box grater, shred cheddar cheese.

Using food processor, process 1/4 cup shredded cheese with pecans to coarse breadcrumb consistency.

Add remaining cheddar cheese, ricotta, sour cream, salt and pepper to warm pasta. Stir until thoroughly combined. Add egg; stir. Add reserved pasta water to loosen mixture; stir until smooth.

Pour into buttered 9-inch square or round casserole dish and top evenly with pecan topping. Bake 30 minutes.
