SCAM CALLS/ PERSONAL PROPERTY

I often hear of gut-wrenching stories of "scam" phone calls that deceive people into giving out their personal banking information. If you have a mobile phone, please contact your carrier's customer service to see if you can be placed on a Do Not Call Registry. This will help to ensure that you receive less calls from unscrupulous actors seeking to harm you. Our advice is to never answer a phone call where you do not recognize the number. If it is important, someone will leave you a voicemail. No banking or government institution will ask you for money over the phone. Additionally, please be mindful to never leave your car running with the key in the ignition. Valuables can be stolen. Police precincts are available to you to offer advice on how to protect your personal property such as your vehicle. There are countless examples of this issue throughout our community.

COVID 19 BOOSTER SHOTS

All adults are now available for the COVID-19 booster shot. Our community's rate of COVID 19 cases is increasing. The colder weather keeps us indoors which increases the likelihood of community spread. If you are interested in receiving the COVID 19 booster shot, our local pharmacies including Walgreens and CVS are distributing the vaccinations. You must call ahead to schedule an appointment. We should still wear masks indoors. If you need masks, please feel free to stop by our office.

MEETINGS ADJOURNMENT

Our public meetings will return in January 2022. Please know that any in-person meeting may require proof of vaccination or a COVID-19 negative test no more than three days prior to the scheduled meeting. Regardless, our district office remains open to serve you. We are also distributing leaf bags. If you would like a couple of leaf bags, please visit us at 3165 East Tremont Avenue between the hours of 9 A.M. and 5 P.M. Monday through Friday.
