MY SIOUX CENTER HEALTH CAREER JOURNEY

MARIE THRONEBERRY

The best part of my job is putting smiles on the faces of the sweet residents that live at Crown Pointe Estates. They are one of the reasons I go to work every day! I really enjoy getting to know all about them and their families. I cherish the time I get to spend with them while working in their room, whether I am cleaning or bringing back clean laundry.

"The residents become a part of your life and you a part of theirs."

After taking the role as the lead environmental specialist, I have been able to attend some seminars to help learn new leadership skills and get other ideas to help me better serve those who I work with. Sioux Center Health is a great organization. I have been very blessed over the years to work with a lot of great people!
