James Luther (Jimmy) Masters IV, was born September 8th, 1953 and was adopted as a newborn by Jim and Johnnie Masters. Jimmy graduated from Sulphur Springs High School in 1971, then attended East Texas State University in Commerce before entering military service in the United States Air Force.

Jimmy married Monte Gibson Masters on September 4th, 1992 and they raised their three children in Sulphur Springs. She survives.

Jimmy worked at Cannon Craft Shutters as well as Jim Masters' Western Store and most recently was a partner in Autumn Winds Assisted Living in Mineola. Jimmy's passion for detail was evident in the many home building projects he supervised for

his family. He also enjoyed spending time with family and friends on many hunting and fishing trips. The biggest joy in his life was his ever expanding family of children, grand-children, and great grand-children.

Jimmy is survived by children: Mistie Masters Watson, Rowdy Crowson, Lesley Masters Grant and husband Chuck, James Luther "Luke" Masters V and Chelsey Meadows, McKenna Masters, and Jake Masters. Grandchildren: Maranda Watson, Mason Watson, Mady Masters, Kaci Jones, Hunter Crowson, Hannah Crowson, Garrett Lockhart, Addey Ann Owens. Great-Grandchildren: Ember Lockhart and Eden Lockhart. Nephews: Chad Young and Jay Young.

Jimmy was preceded in death by his parents, his sister Micky, and grandson Taylor Connatser.

Kenneth was preceded in death grandson Kyle Parker.

Lillian Jean Hearne Thompson

Lillian Jean Hearne Thompson, age 90, of Sulphur Springs, died peacefully on Friday morning, December 3, 2021, in Sulphur Springs after several years of Alzheimer's disease. She was a resident of Wesley Oaks Memory Care in Sulphur Springs. She was born April 11, 1931, the daughter of Coy Winston Hearne and Lillian Eoline Walker Hearne. She graduated from Woodrow Wilson High School in Dallas in 1948 and earned her Bachelor's degree in Art and Education at Sam Houston State College along with her Texas Teacher's Certification in 1966. She went on to earn her Master's degree in Art at East Texas State University in 1971.

She married Bernie Lee Thompson on June 2, 1950, in Abilene, Texas. He preceded her in death in 2004 after 54 years of marriage. She was also preceded in death by her parents, and by her oldest son, Winston Allen Thompson, in 1988. She is survived by 2 sons, John Layton Thompson, of Ida, Louisiana, and James Evan "Jim" Thompson and his wife, JoBeth, of Sulphur Springs; and by 7 grandchildren: Kimberly Meyer, of Chad, Africa; Leigha Pettigrew, of Evansville, Indiana; Amanda Kennelly, of Richardson; John Dylan Thompson, of Howe; Ashley Yehezkel, of Prosper; Hailey Beck, of Conway, Arkansas,

and Whitney Thompson, of Dallas; by 14 great-grandchildren (Isaac, Judah, Calla, Norah, Madeleine, Asher, Jorja, Jimma, Zoe, Jewell, Owen, Mason, Miles, and Emersyn); by one sister, Carolyn Britt, of Georgetown; by three beloved nieces (Heather, Kendall, and Paige); by daughter-in-law Mary Jo Thompson Plouchard, of Indiana; and granddaughter Loren Paige Kaiser of Ohio; and by daughter-in-law Sandy Webster Thompson of Farmersville.

Mrs. Thompson was reared in a Christian home and lived a long life dedicated to her Lord. In recent years she was an active member of League Street Church of Christ and was notable even late in life for constantly visiting others who were ill at home or in the hospital. Her expansive knowledge of the Bible was the result of a great many years of study of God's word, and she was constantly reading both spiritual works and non-fiction novels. Her list of completed books numbered in the thousands. Her life motto was "The time to be happy is now!"

The family deeply appreciates the caring support of the staff of Wesley Oaks Memory Care and the truly exceptional care continually provided for the past three and a half years by Centric Hospice and its wonderful staff. The family requests that in lieu of flowers, memorials be made to The American Cancer Society, The Spina Bifida Association of Dallas, Terrific Tuesdays of Sulphur Springs at 301 Church Street, or your favorite charity. A celebration-of-life memorial service will be scheduled in the near future.

BALLINGER'S HAUNTED HOTEL

Tumbleweed Smith
Dan LaFave teaches computer technology at Grape Creek High School near San Angelo, where he lives. He moved to West Texas from the valley where he investigated reports of ghosts. One was in the home of a worked nights. "When his wife, home alone, washed all the dishes at night and put them in the cabinet, she'd walk toward her bedroom and would hear a racket. When she returned to the kitchen all the dishes that she had just put up would all be back out." He is certified in the paranormal field and for the last 30 years has been on hundreds of spook searches. He has written a number of books on the subject and has been in broadcast and print media telling about his experiences. He and his wife Connie (who also hunts ghosts) formed a company in 2008 called Graveyard Shift Paranormal Investigations. After his mother died and left him some funds, he purchased the Old Park Hotel in Ballinger, a former brothel that is now a popular destination for people looking for paranormal experiences.

"When we bought the building we were told that the place was haunted by as many as 30 spirits. When we moved to San Angelo I had never been to Ballinger before, but something about the town was really reaching out to me. The whole time we walked around in there for the first time I just felt like we were being watched, that eyes were on us. And all of a sudden this old woman's voice filled the whole hallway around us and said hello. And she said it in a welcoming manner, almost like she was welcoming us to the building."

He and Connie give tours and groups can rent the entire 10-room hotel for \$300 a night. Dan had an experience the first night he slept in the hotel. "All of a sudden I feel like a woman's hand is caressing the top of my head. I felt for my wife next to me but she was fast asleep. I opened my eyes and there was a woman standing 14 inches from my face. She was pale white and she had an old black dress on. She was just looking at me. And I'm looking at her. When I got up nobody was there."

There are other spooky things at the Old Park Hotel. "You will hear what sounds like a cowboy walking along the hallway late at night. You can actually hear his spurs jangling. He even turns the door handles on occasion. People have heard that and opened the door but there's no one in the hallway."

"Something else weird happens a lot of times. We get what are called cold sensations. In the back of the hotel there is no air conditioning at all. In the summer it gets a little warm. What's interesting is when you're standing there in a group with everybody sweating all of a sudden you feel a cold draft come from nowhere. You're just chilled to the bone. We're not making this stuff up. It's very real. A lot of history does seem to mix with the paranormal so anywhere you have historic places there seems to also be paranormal related events happening. Our job is to confirm that people aren't going nuts when they see or hear unusual things."
