ARIES (March 21 to April 19) Make your holiday preparations one step at a time in order to avoid being overwhelmed and leaving things undone. That confusing family situation continues to work itself out.

TAURUS (April 20 to May 20) Ease this year's holiday money pressures by letting your thrifty side guide you as you look for those perfect gifts that typically reflect your good taste and love of beauty.

GEMINI (May 21 to June 20) You'll have a good handle on potential holiday problems if you delegate tasks to family members, friends or co-workers -- most of whom will be more than happy to help out.

CANCER (June 21 to July 22) Right now you are especially vulnerable to holiday scams that seek to take advantage of your generosity. Best advice: Check them out before you send out your checks.

LEO (July 23 to August 22) The upcoming holiday season gives the Big Cat much to purr about. Relationships grow stronger, and new opportunities loom on the horizon, just waiting to be pounced on.

VIRGO (August 23 to September 22) A changing situation brings conflicting advice about how to go forward with your holiday plans. Your best bet: Make the decision you feel most comfortable with.

LIBRA (September 23 to October 22) Holiday plans get back on track after some confusion about the direction you expected to take. A potentially troublesome money matter needs your immediate attention.

SCORPIO (October 23 to November 21) Your holiday preparations are on track. But you need to confront a personal situation while you can still keep it from overwhelming everything else.

SAGITTARIUS (November 22 to December 21) Tight financial matters ease a bit during this holiday season. But the sagacious Sagittarian is well-advised to keep a tight hold on the reins while shopping for gifts.

CAPRICORN (December 22 to January 19) Don't put off making decisions about this year's holiday celebrations, despite the negative comments you've been getting from several quarters. Do it NOW!

AQUARIUS (January 20 to February 18) The holidays will bring new friends and new opportunities. Meanwhile, be careful to use your energy wisely as you go about making holiday preparations.

PISCES (February 19 to March 20) There's good news coming from a most unlikely source. And it could turn out to be one of the best holiday gifts you have had in years. Remember to stay positive.

BORN THIS WEEK: You are respected for your honesty and loyalty. You make friends slowly -- but with rare exceptions, they're in your life forever.

WHEN IT'S SCHOOL PICTURE DAY, BUT YOU GOTTA SELL A 73 CUTLASS SUPREME AT 3:45

Fifteen minutes into flight, the pilot announced: "Ladies and gentlemen, one of our engines has failed. There is nothing to worry about. Our flight will take an hour longer than scheduled, but we still have three engines left."

Thirty minutes later the pilot announced: "One more engine has failed and the flight will take an additional two hours. But don't worry, we can fly just fine on two engines."

An hour later the pilot announced: "One more engine has failed and our arrival will be delayed another three hours. But don't worry, we still have one engine left."

The guy in seat 17A turned to me and said, "If we lose one more engine, we'll be up here all day!"

Even Exchange by Donna Pettman

Each numbered row contains two clues and two 6-letter answers. The two answers differ from each other by only one letter, which has already been inserted. For example, if you exchange the A from MASTER for an I, you get MISTER. Do not change the order of the letters.

COMMUNITY CENTER OPENS IN FORMER POLICE PRECINCT

Saying that he is often asked what is being done for youths in the city, Mayor Alonzo Jones on Wednesday pointed to the new PEACE Community Center as the latest example.

Jones joined other city leaders, police officers, and neighborhood parents and youths in a grand opening celebration for the center, which is at 827 Green St. within Doyle Thomas Park. The building had served as a police precinct for decades.

“People often times ask, ‘what are you all doing for our young people? What are you doing?’” said Jones. “We took a police precinct and turned it back into a youth center. That’s what we’re doing.”

The center will provide a space for youths to complete homework assignments with the assistance of tutors; take part in programs such as aeroponic gardening; and enjoy dance, video gaming, arcade games and other activities.

Jones, who grew up in the Green Street neighborhood, recalled when the building served as a youth center prior to being converted into a police precinct.

“Years ago, this park was one that young people could not play in because there was so much crime,” Jones said. “That’s the reason why the center closed.”

With crime in the city now at historic lows, Police Chief Scott Booth is confident this center will be a safe space for youths.

“Time and time again, you hear me say that we cannot have crime reduction without community engagement,” Booth said at the ceremony. “It’s about partnerships. It’s about relationships. That’s how we solve problems.”

Booth said policing today differs greatly from what it was when the building became a police precinct.

“Policing today needs to be, and it’s always needed to be, about relationships,” said Booth. “So, I really look at this as another step forward for us and another step forward for our community in bringing the police and the community together and connecting folks and solving problems.”

Ashtyn Foddrell, community relations liaison for the police department, spearheaded the project. She said residents of the Green Street area wanted the building to be turned back into a community center.

“The police chief wants us to build positive relationships within the community in innovative ways,” Foddrell said at Wednesday’s ceremony. “So, why not do that with a center for our youth and teens that we know will serve as a great asset.”

The conversion was completed with the help of a \$25,000 grant from the Danville Regional Foundation.

Foddrell and other members of the police department’s community engagement team and school resource officers will work out of the center. The Danville Church & Community Tutorial Program will provide tutoring services.

The center is open Mondays through Wednesdays from 3 p.m. to 6 p.m. during the school year and from noon to 5 p.m. when school is not in session. Special events are planned on Fridays and Saturdays.

Great job for their hard work, dedication and training at Jeff McGregor's American Karate. Great things are coming in 2022.

1. Which artist's debut album was titled "The Kick Inside"?
2. Name the duo who released "Summer Nights." What soundtrack was it used in?
3. What do "One Fine Day," "Sh-Boom," "Stagger Lee" and "Da Doo Ron Ron" have in common?
4. Who had a debut hit with "I Only Want to Be with You"?
5. Name the song that contains this lyric: "Goodbye, Papa, please pray for me, I was the black sheep of the family."

Answers

1. Kate Bush, in 1978. She insisted that her self-penned "Wuthering Heights" be included instead of "James and the Cold Gun," which was being pushed on her by the record company.
2. John Travolta and Olivia Newton-John, in the 1978 musical film "Grease." They sang seven of the 24 tracks on the double album.
3. They were dropped (!!) from the 2010 update of Rolling Stone magazine's 500 Greatest Songs list.
4. Dusty Springfield, in 1963.
5. "Seasons in the Sun," by Terry Jacks, in 1974. It's based on the 1961 song "Le Moribond" by Belgian singer-songwriter Jacques Brel, with lyrics rewritten in English by American poet Rod McKuen. It was offered to the Beach Boys, who declined it, and Jacks' version went on to top the charts worldwide.

Apple Pecan Cake with Caramel Glaze

INGREDIENTS

- 1 1/2 cups cooking oil
- 2 cups sugar
- 4 Eggs
- 3 cups all purpose flour
- 1 tsp baking soda
- 1/2 tsp cinnamon
- 1 tsp salt
- 2 tps vanilla
- 3 1/2 cups Granny Smith apples, approximately 3-4 apples, peeled, chopped in small pieces
- 1 cup pecans, chopped small
- Caramel Glaze
- 3/4 cups butter 1 1/2 sticks

- 1 cup light brown sugar
- 1/4 cup milk
- 1 tsp vanilla

INSTRUCTIONS

Preheat oven to 325°
 In a large mixing bowl, add oil, sugar and eggs, mix until nice and creamy.
 In a medium mixing bowl, whisk together flour, baking soda, cinnamon and salt. Add to large bowl. Mix well.
 Add vanilla, mix well.
 Stir in apples and pecans.

Pour into generously greased and floured tube pan (you can use two loaf pans in place of a tube pan).
 Bake at 325° for approximately 1 hour. Check using a tooth pick at about 50 minutes, and if it comes out clean, then your cake is done. If using the loaf pans, make sure to check it at about 50 minutes as well.

Making the glaze

In a small pan, melt butter over low heat.
 Stir in brown sugar and milk.
 Bring to a boil over low heat, then reduce to a simmer, stirring constantly.
 Let boil for 10 minutes, continue stirring.
 Remove from heat and add vanilla. Stir. Let cool.
 Once caramel glaze has cooled a bit, pour over the top of cake.

* Candles will burn more evenly if you refrigerate them for a few hours before lighting.

* "My great-nephew and his family came to visit, and his toddler son is quite into opening doors. I had baby-proofed my home, but I did not think about his being able to turn a doorknob. His very smart mother pulled out a sock and slipped it over the doorknob, then secured it with a wide rubber band. Even I was unable to get a good grip on the doorknob after that!" -- V.R. in North Carolina

* Surprise guests? Here's how to quickly clean your living areas: First, clean the toilet, mirror and vanity in the guest bathroom and leave a fresh towel; grab a laundry basket and remove any clutter from the living room and kitchen; put away or clean dirty dishes and wipe down counters in the kitchen; finally, give carpets a quick vacuum. Then maybe light a great-smelling candle and greet your guests!

* "Fireplaces are wonderful for heat and ambience, but the ashes! When cleaning up, I spritz the ashes with a rosemary water solution. This keeps them from dusting up and flying all over, and it smells great. My neighbor puts her damp loose-leaf tea in the fireplace for scent." -- C.W. in Iowa

* "In cold winter months, keep your robe (and slippers or whatever else) under the covers with you when you sleep. Pull it next to or over you a few minutes before you get up. It'll be toasty and will help make the transition into the cold a little less harsh." -- Giselle in New York
