**ARIES** (March 21 to April 19) I know, dear Lamb, that you don't like anyone trying to take charge of one of your projects, but try to be a bit more flexible. A new idea could help hasten a positive result.

**TAURUS** (April 20 to May 20) I'm sure, like the time-thrifty Taurus that you are, that you've done much of your holiday shopping. But don't relax yet. Wrap those gifts now to save yourself lots of unwanted pressure.

**GEMINI** (May 21 to June 20) Be receptive when a family member or friend asks to confide in you. Your positive reaction could ensure that he or she will have a happy holiday experience.

**CANCER** (June 21 to July 22) Don't be rushed into wrapping up that workplace problem. Consider leaving it until after the holidays. This way you'll have the facts you need to reach the right resolution.

**LEO** (July 23 to August 22) You'll get news that will make you glow brighter than the lights of the holiday season. Be sure to use what you learn both carefully and kindly, to avoid giving the wrong impression.

**VIRGO** (August 23 to September 22) That frayed relationship could be mended in time for the holidays if you were more flexible. Give a little, and you could get back a lot more than you imagined.

**LIBRA** (September 23 to October 22) Things might not seem to be settling down as quickly as you would prefer. But it might be just a little holiday time flutter. You'll soon get news that will lead to more stability.

**SCORPIO** (October 23 to November 21) Stop getting so involved in everyone's personal problems that you lose precious time with loved ones. Remember, even the Supreme Court closes for the holidays.

**SAGITTARIUS** (November 22 to December 21) All signs point to a bright holiday, with all of those pesky problems finally resolved in your favor. Share the good times with people you love and, of course, who love you.

**CAPRICORN** (December 22 to January 19) Your plans should not be set in stone and cemented over. Leave some openings in case you need to make changes. Spend the holidays with your nearest and dearest.

**AQUARIUS** (January 20 to February 18) Surprise! This holiday finds you on the receiving end of the generosity of those who are usually the recipients of so much that you give so freely and lovingly.

**PISCES** (February 19 to March 20) That piece of good news assures that you'll be swimming in clearer, calmer waters this holiday season. There might be a storm or two ahead, but you'll weather it all in fine style.

**BORN THIS WEEK:** You have a flair for seeing things as you'd like them to be, as well as a gift for turning your perceptions into reality.

- Who first released "Hold Me, Thrill Me, Kiss Me," and when?
- Name the group that had a hit with "Ms. Grace."
- How many Billy Joe Royal songs topped the charts in the U.S.?
- Belinda Carlisle was the lead singer for which band?
- Name the song that contains this lyric: "Cause I have wandered through this world, And as each moment has unfurled, I've been waiting to awaken from these dreams."

Answers

- Karen Chandler, in 1952. However, it was Mel Carter's 1965 cover that topped the charts, spending 15 weeks on the Billboard Hot 100.
- The Tymes, in 1975. The song was a hit in the U.K. while not getting much notice in the U.S. -- until it was discovered by Carolina beach shag dancers and became a popular staple.
- None. "Down in the Boon-docks," however, reached No. 1 in Canada.
- The Go-Go's, the only female group to write their own material and play their own instruments.
- "Doctor, My Eyes," by Jackson Browne in 1972. The song was written with a third verse that wasn't recorded but can be found on bootleg copies of the demo.

**Piedmont Pets**  
 December 16, 2021 By Paulette Dean

Dear Santa Claus:

It's me, Buddy, the Best Shelter Mascot Bird in the world. I have been a good boy this year (well, there were a couple of incidents, but that's all in the past), and I am writing to give you my wish list for Christmas. Christmas is next week, so I hope I'm not too late.

First of all, Santa, this year will you have room in your bag for lots of animals? I don't mean for you to bring animals from the North Pole for gifts. I'm asking because I know of lots of animals that need your help, and would have a much better home with you and Mrs. Claus. You seem to be such nice people, and I think you could really help them. If you think you'll have room in your bag, I'll spread the word for them to be ready to leave on Christmas Eve. You may have to help some of the dogs get off their chains, but I know they will lick your hands in gratitude.

If the answer is "yes," please look in the yards as you fly over them. Dogs that are chained with no shelter, and cats that are left to fend for themselves really need to be the first ones that you put in your bag. And please remember to look at dumpsters very carefully. The animals that have been abandoned there may be too weak and scared to be readily seen. Some of them are probably huddled together, trying to get warm. Please, please, pick them up. They would love to sleep by your fireplace, and they promise not to be much trouble.

Second, Santa, is there any way you could make sure all the animals are warm and have full stomachs on Christmas Eve? I know that's a big task,

996 South Boston Rd.,  
 Danville, VA 24540  
 Phone: (434) 799-0843

but sometimes it's hard to sleep at night thinking about the animals that are cold and hungry. I have such a nice, soft place at the shelter and I stay warm. Why am I one of the lucky ones, Santa?

Third, I wish there were some way to make all pet owners actually love their animals. I mean, the law can make people provide food, water, and shelter for their pets, but the law can't make them love their pets. Animals can be lonely, afraid, and so unhappy. Can you make humans realize that? Then, maybe their hands would be gentle and their words kind.

The last item on my wish list is for one you probably can't fulfill easily, but if you only could, all my wishes would be granted. I wish that all human hearts could be kind, and then cruelty would cease. Wouldn't that be wonderful?

Thank you, Santa, for considering my wishes. I promise to be a very good boy in 2022.

## AVERETT UNIVERSITY 2021 WINTER COMMENCEMENT EXERCISES

Posted on December 11th, 2021 by Cassie Jones

Averett University conferred the degrees of more than 135 graduates on Saturday, Dec. 11, from its Grant Center on the E. Stuart James Grant North Campus.

The graduating class of 2021, aged 21 to 63, includes seven veterans and six international students from Finland, Spain and Sweden. At least 20% are first-generation college graduates in their families.

Ninety-three graduates participated in today's commencement ceremonies – 85 who graduated today, and eight who completed their degrees in August but walked today. The University conferred degrees at both the baccalaureate and master's levels, with nearly a third of graduates from the traditional program and two-thirds graduating from Averett Online (formerly Graduate and Professional Studies).

Averett President Dr. Tiffany M. Franks opened the exercises and introduced the commencement speaker, Clark Casteel.

"I have had the privilege of studying under celebrated and scholarly professors, alongside brilliant students from around the world. I have met many, many very smart people, and Clark Casteel is, without a doubt, one of the smartest people I have ever known," Franks said of the Danville Regional Foundation's president and CEO.

"His expertise is in economic development, and as all of you know, Danville was left seriously challenged after tobacco and textiles disappeared from our economy. Clark Casteel has stepped in and led the way in planning, in innovation, in entrepreneurship, in community development for this whole region. He does what we always want you to do — he sees the possible," she said.

Casteel took the time to talk to graduates about the current "disrupted economy" – changes from accelerating factors like technology, globalization and demographics that have disrupted every single industry.

"This disruption creates significant opportunity. You are entering a job market with 11 million available jobs. That's an unprecedented number," Casteel said. "Companies are longing for bright, talented people who want to get out there and hustle, and this is a stroke of luck for each of you... Take advantage of your luck when it comes your way."

He continued with insight from lessons he's learned along the way, including five pieces of advice:

You don't have to tell everything you know (like you see on social media and reality TV).

The things you don't know right now mean less in the long run than what you're willing and able to learn.

Sometimes you've got to say, "Let's give it a go!"

It's not always going to work out, and that's okay.

Be ready to take advantage of your luck.

"Know that your learning doesn't stop here, it started here," he finished.

"Give it go. Go out and be useful. Create a life you don't feel the need to escape from."

Following the commencement address, Franks named Casteel an honorary member of the Averett graduating class of 2021 and presented him with a pin.

The ceremony included the traditional bagpipe procession, an invocation from University Chaplain Skyler Daniel and performance of the national anthem by Professor of Music and Department Chair Dr. Anne Lewis. Rev. Dr. Daniel Carlton '90, chair of the Averett Board of Trustees, welcomed graduates and guests on behalf of the board, and Dr. Gary Tucker '85, mathematics professor and division chair, sang the Alma Mater. Dr. Tucker and Jackie Finney '80, theatre department co-chair and division chair, presented the graduates and recognized those receiving awards, including:

Traditional Undergraduate Awards (Highest GPA):

Mary C. Fugate Award: Erik Oskar Blick

Grace V. Crenshaw Award: Oliver Nicolas Ruff

Averett Online Awards (Highest GPA):

Malcolm Knowles Award: Michael Edward Baumgardner

Frank Campbell Award: Amy Taylor Davis

The Grant Center was socially distanced and all were masked. Graduates were allowed up to five guests each, and seating was grouped accordingly. The ceremony was originally planned to be held outdoors, but was moved indoors due to inclement weather.

## AVERETT PRESIDENT TIFFANY FRANKS RECOGNIZED WITH 2022 CREDO COURAGEOUS LEADERSHIP AWARD

With great excitement and joy, Credo announces Dr. Tiffany McKillip Franks, President of Averett University, as the recipient of the 2022 Courageous Leadership Award. Awarded each year to a higher education president who embodies courage in leadership, Dr. Tiffany Franks' collaborative spirit, unapologetic bravery, and living commitment to students, learning, and her community, all arose as differentiators, making her the clear choice for this year's selection.

THE "WHY" BEHIND A COURAGEOUS LEADER

Tiffany McKillip Franks became the first woman president of Averett University in July of 2008. During her tenure as president, Averett has so far raised nearly \$40 million, increased traditional enrollment of the university and expanded its academic and athletic offerings. The campus footprint and place of Averett has also been greatly enhanced, including opening the Riverview Campus in Danville's River District, construction of a new stadium, expanded fine arts facilities, and acquisition of the fixed base operation of the Danville Regional Airport. Additionally, with Tiffany at the helm, Averett established the Center for Community Engagement and Career Competitiveness, signaling the major transformation of Averett as "the hometown university" and growing the impact of the university in the community.

Tiffany's list of additional accomplishments is long, and each individual accomplishment has been fueled by her personal why—her passion and heart for students and their success. Tiffany's why runs deep and has been at the center of not only her own success, but also the success of Averett University, its students, and community.

With roots in student affairs, Tiffany's passion for students and their success—and her ability to communicate and partner with students, colleagues, and leadership—were recognized early, and she was tapped for leadership at the beginning of her career. Tiffany's more than 30 years of higher education leadership experience have been successfully strengthened by her way of building a sense of shared purpose, generous listening, and always making everyone in the room feel valued and that their opinions matter. Tiffany's humility and authenticity stretch outward; she is her full self and invites others to bring their full selves into conversations and decision-making, as well.

"Tiffany believes and says, 'we need all voices to make the best decision.' This ethos is real and evidenced in every conversation with her and about her," said Credo Vice Chairman Dr. Joretta Nelson.

Joretta goes on to describe Tiffany this way:

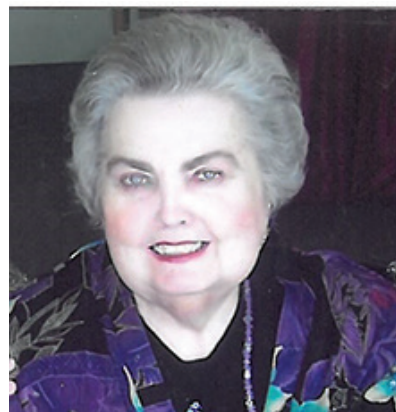

"Tiffany is both courageous and collaborative. She has kept incredible humility throughout her leadership, always seeking knowledge, counsel, and feedback. She approaches every opportunity with the same enthusiasm to learn that I saw a decade ago when we first met, and her campus and community not only know her, but are each in some way impacted by her incredible work of loving people, serving students, and bettering the Averett community."

## Jeanne Marie Pearson

September 15, 1957 ~ December 12, 2021 (age 64)

Jeanne Marie Pearson went to be with her Lord and Savior, Jesus Christ, Sunday, December 12, 2021. She was born September 15, 1957 in Danville VA to John Thomas Pearson, Sr. and Esther Irby Pearson, both of which entered

heaven before her.

Jeanne was a graduate of Dan River High School and Longwood College. She worked many years for Belk-Leggett. A masterful writer, she penned moving, encouraging notes, letters and cards to friends and family alike. Jeanne was an accomplished artist, taking on free-lance portrait and calligraphy projects over the years. Her most cherished works, however, are the ones that adorn the walls of many of her friends and family.

Her annual Christmas Cards were treasures in themselves. Painstakingly sketched with varying themes over the years, she used friends and family members many times as "models" for characters depicted. The cards' accompanying text reinforced the graphics and always pointed to the true meaning of the Christmas holiday. With God's help, she overcame recurring vision problems to get the cards out at times, realizing the impact they had on their recipients.

She was a true minister of the gospel, teaching Sunday School (her "Baby Lambs") and special studies at First Pentecostal Holiness Church for over 35 years. She was an excellent listener and cared deeply for her church family and friends. While she was a student of the Bible, she lived it out daily and had a personal relationship with its author. Her ministry's effect grows even today.

Jeanne is survived by her brother, John Thomas Pearson, Jr. (Tommy) and his wife, Dena.; her niece, Shelly P. Lovelace (Caleb); her nephew John Christian Pearson (Rebecca); her grand-nieces Allison Reese Lovelace, Grace Ann Pearson, and Penelope Herndon Lovelace; special friend Charles Holland Coe; and many beloved cousins in the Pearson and Irby families.

A celebration of her life will be at First Pentecostal Holiness Church Friday, December 17, 2021 at 6:00 pm with Rev. Myron Bruce presiding. Visitation will immediately precede the service at 4:30 pm to 5:30 pm. Interment will be Saturday December 18, 2021 at 11:00 am at Green Bay Christian Church, Chatham, VA.

"Even though I walk through the darkest valley, I will fear no evil, for you are with me... and I will dwell in the house of the LORD forever." Ps. 23:4a, 6b; "...absent from the body...present with the Lord." 2 Cor 5:8
