Building a Fence? Looking for Your Property Corners?

Are you installing a fence or shed? Maybe you are looking to start that backyard oasis. A boundary survey provides a clear understanding of your property lines. This ensures the project is on your property and reduces the likelihood of future disputes.

This detailed process takes time! The team at All County and Associates starts by obtaining electronic records. Once on-site, we look for markers that bound the property. We take detail measurements with electronic survey equipment. Finally, we set any missing markers using a 1/2" diameter steel pin.

There are so many great changes happening at Riddle Village and we would love for you to be a part of it!

It has been an eventful time here at Riddle Village as we recently unveiled our newly enhanced courtyard. In addition to the bocce and shuffleboard courts, fire pit and seating area for socializing and cocktails; the courtyard now features an expansive putting green (800 square feet larger than our previous green!) and a new tranquil butterfly garden.

We are also excited for the upcoming grand opening of our Thoroughbred Lounge. The new Thoroughbred will feature a bar, lounge area and restaurant that overlooks our courtyard. With this addition, our residents will now enjoy three restaurant options to dine in every night!

It is a great time to become part of the Riddle Village community and enjoy the excitement that is happening.

If you have been thinking about making a move, please reach out to learn more. We would love the opportunity to discuss your options and show you what is new at our community!

CHOOSE STABILITY, CHOOSE RELIABILITY, CHOOSE RIDDLE VILLAGE.

CREMATION SCANDALS

UNIONTOWN FUNERAL HOME DIRECTOR FACES MORE CHARGES AFTER CREMATED REMAINS FOUND IN STORAGE UNIT

NEW JERSEY CREMATORY CLOSED FOR ILLEGAL BODY PARTS HARVESTING

Crematory Case Underlines Gaps in Oversight of Funeral Business
Five bodies were found stacked up in a funeral home's garage.

CREMATION MYSTERY BESETS FAMILY: 2 SETS OF ASHES FOR 1 MAN

Not all cremation providers are created equal. It's important to verify the provider is caring for your loved one in a dignified, ethical manner.

Believe it or not, some cremation providers:

- Outsource cremations to third parties.
- Ship your loved one to another location for the cremation.
- Illegally harvest body parts prior to cremation.

We would never do these things to your loved one.

WHEN YOU CHOOSE CAVANAGH, YOU CHOOSE THE ULTIMATE PEACE OF MIND.

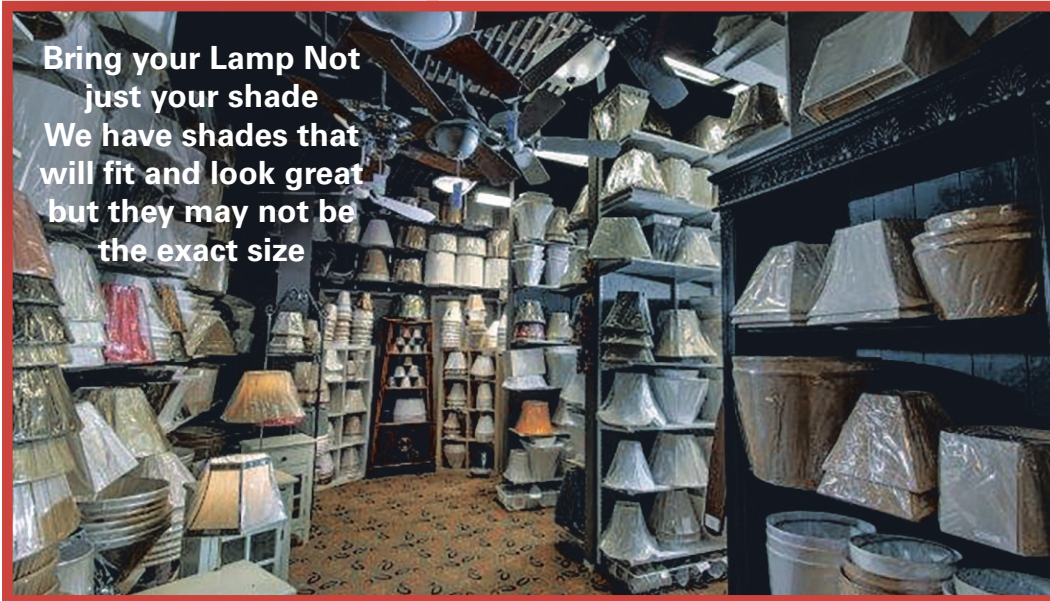

- We own and operate our own crematory to ensure your loved one never leaves our care.
- Each cremation is performed individually to guarantee the cremated remains returned to you are that of your loved one.
- Your loved one is sheltered in a refrigerated environment until required authorizations are obtained.

WE ARE AN EXCLUSIVE PROVIDER OF THE **CREMATION WITH CONFIDENCE™** GUARANTEE.

*Internet download speeds may vary and are not guaranteed. Observed speeds may vary based on device, connection, and other factors outside of RCN's control. Gig Internet offers speeds up to 940 Mbps. Certain equipment may be required to receive Gigabit speeds—with speeds up to 940 Mbps. Monthly modem rental fee and/or wireless gateway may be additional. All speeds not available in all areas. Offer valid only for new residential RCN customers or customers with accounts in good standing who have not had RCN service within the last 60 days. Offer expires January 5, 2022. RCN's promotional offer extends defined, set pricing for the period of 12 months after installation. Distinct pricing exists for months 1-12. Any additional services, such as equipment, premium channels and other tiers of service are subject to an additional charge and regular increases. Additional fees apply for taxes, surcharges, equipment, activation and installation that are not included as part of the package and are subject to increases. No contract is required to take advantage of the promotional pricing and savings. No early termination fees apply in the event service is terminated in advance of the 12-month duration. Customer is responsible for any accrued service charges in the event service is canceled. Up to 50 Mbps Internet for \$19.99 is a promotional rate and is valid for 12 months from the date of installation. One month free applies to base Internet service only and will be applied as credit to first or second month of RCN services. Equipment, surcharges, taxes, fees, other service add-ons and charges are not included as part of the one month free offer. Regular monthly retail rates apply thereafter. Equipment not included. Price does not include Network Access Maintenance Fee of \$6.97 per month and is subject to change. This fee is neither government-mandated nor a tax, fee or surcharge imposed by the government. Network Access and Maintenance Fee helps to defray costs associated with building and maintaining RCN's fiber rich broadband network, as well as the costs of expanding network capacity to support the continued increase in customers' average broadband consumption. Advertised promotional prices are valid for 12 months from installation date. When promotional period ends standard rates may apply. Any additional services, such as equipment, premium channels and other tiers of service are subject to an additional charge and regular increases. Customer must be connected to RCN Wi-Fi network to receive RCN Wi-Fi on smartphone or device. Services and pricing are subject to change. All sales subject to credit check. Not all services are available in all areas. Other restrictions may apply. Visit rcn.com/streaming for information.
