How to Pay for a Funeral on an Installment Plan

Contact: Benjamin Joslin About ways to plan ahead.

Three years ago, Larry Refsland, who works at a marketing company in Northern Minnesota, experienced the deaths of both his mother and mother-in-law in the same year. Since their passing, Larry has reflected a lot on the differences between the two funeral experiences. "After my mother-in-law's funeral, we owed \$9,000," he says. "After my mother's, we owed nothing."

While both women had lived in the same rent-controlled housing and were on the same fixed monthly income, Larry's mother made monthly funeral payments on prearranged services. Larry's mother-in-law, on the other hand, had no such plans, and her family had to cover the bill for her funeral expenses on the spot.

Choosing a prepaid funeral plan and making monthly payments can ensure your family and loved ones don't find themselves in a similar situation!
