### SNOW LABORERS

City of New York is always seeking snow laborers. Meteorologists are predicting a very active snow season. Snow laborers are paid \$17/hour and \$22.50/hour after the first 40 hours worked in a week. All applicants must be 18 years of age, be eligible to work in the United States and capable of performing heavy physical labor. To apply, please visit [www1.nyc.gov/assets/dsny/site/services/snow-response/work-with-us](http://www1.nyc.gov/assets/dsny/site/services/snow-response/work-with-us).

### HEAP APPLICATION

The New York State Home Energy Assistance Program Benefit (HEAP) application is open! As you know, HEAP assists low-income people with their heating costs. Eligibility and benefits are based on income, household size, primary heating source and whether a household member is under six years of age or over 60. You may be eligible even if you own your home or pay for heat as part of your rent. To be sure, there are income guidelines. For example, a household size of four may not exceed a gross monthly income of \$4,598. A household size of one may not exceed a monthly gross income of \$2,729. If you think you are eligible, please schedule a time for you to pick-up an application or we can mail it to you.

### PROTECTING YOUR PROPERTY

According to precinct crime statistics, our communities of Throggs Neck, Country Club, Morris Park and Pelham Bay often see instances of grand larceny auto. Many private properties have surveillance camera systems on doors and windows. Be sure to check camera footage weekly or a couple of times a week to ensure your family and tenant's safety. Remove all valuable personal belongings from your car. Always lock the doors behind you. Never leave the engine running. The 45th and 49th Precincts have crime prevention programs and guidelines on how to protect your personal property – particularly your vehicle. Feel free to pay a visit to your respective precinct for more information.
