When the weather warms up, Geauga Park District's 10th annual summer day camps will be rarin' to get kids outdoors and exploring, with experiences this year for campers as young as third grade all the way up through 10th!

Kayaking, hiking, geocaching, biking, fishing, building model rockets, launchin' 'em, and exploring stream life are just some of our anticipated outdoor adventures, depending on which week campers are enrolled.

Registration opens March 20 for week-long day camps for kids entering grades 3-4 the week of July 11; kids entering grades 5-7 the weeks of June 13, 27, July 18, 25, and August 1; and teens entering grades 8-10 the weeks of June 20 and July 11.

Also check out the listings for Junior Natural-

ist Day Camp, for kids entering grades 5-7, and single-day adventures for teens entering grades 8-10 (high ropes July 20, kayaks July 27).

those places home.

Other week-long camps start and end at various parks throughout the week with the exception of Junior Naturalist Day Camp the week of June 6, which will stay at Swine Creek Reservation.

Camp Ho Mita Koda!

Ho Mita Koda! That's Sioux for "Welcome my friend!" Founded in 1929 by Dr. Henry and Betty John, pioneers in the use of insulin to treat diabetes, Camp Ho Mita Koda stands as the oldest and longest running summer camp for Type 1 Diabetes in the U.S.

Located on 72 beautiful wooded acres in Newbury, OH (25 miles east of Cleveland), Camp Ho Mita Koda is home to 400 children each summer and over 30 unique activities and programs. Campers learn lifelong diabetes management skills in a fun, interactive, and age-appropriate setting. Our lifestyle enhancing programs empower campers

to manage their diabetes, make healthy choices, take personal responsibility, and build self-esteem, friendships, and a life-long support network.

Around-the-clock supervision is provided by experienced, licensed physicians and nurses from northeast Ohio's top-ranked medical institutions; trained counselors - many of whom have diabetes and are camp alumni; registered dietitians attending to menus and camper nutrition needs; program specialists at each camp activity; certified lifeguards; and a Camp Director in charge of all camp operations. Minimum staff to camper ratio is 1 to 5.

Surrounded by friends and a world-class staff,

every camper learns to 'stretch'...spiritually, physically, mentally, emotionally, and socially. Self-assured in these new skills, campers come away with a strong foundation for living their best life, increased capabilities and newfound independence in managing their own personal T1D journey.

Summer Fun at FAA

The Fine Arts Association (FAA) located in Willoughby has summer camps for the littlest campers at age 3 through high school grads, ranging from one week to six weeks long. Programming has been offered in a hybrid arts education format with instruction happening both in-person and virtually.

FAA is a place for creative discovery! Classes, private lessons, and workshops will also be available with FAA this summer. Explore programming in dance, music, theatre, visual arts, and creative arts therapies. With over 50 faculty who are committed to providing an enriching arts experience, there is a creative pathway for anyone interested in the arts recreation-ally or professionally!

“No matter what program we have been involved in, my children rave about it. They continually ask to participate in more activities offered by FAA. There really is something for everyone to enjoy!” says Jayme N., a parent of an

FAA student.

Jaime M., also an FAA parent says “I highly recommend FAA’s acting classes. First and foremost, they rolled with the punches of COVID. They started in the theatre and when our family went into quarantine, they provided a Zoom

option for Bryce. Not the same as the stage, but better for a large audience! He was proud of himself. We were all thankful for what his teacher had done to create that moment.”

FAA is located at 38660 Mentor Avenue, Willoughby, Ohio 44094. To

learn more about their offerings, visit fineartsassociation.org or call (440) 951-7500

CEO, Paul Holm says “We are adhering to all health mandates and protocols to help ensure a safe and welcoming place for all.”

COVID-19: Over the last year, FAA has remained a safe and sanitary place for all students. For more information on FAA’s COVID-19 protocol and guidelines, please visit: fineartsassociation.org/faq-arts-ed/
