County donates patrol vehicle to Lyndonville PD

By Tom Rivers, Editor
Posted 27 January 2022

LYNDONVILLE - The Orleans County Legislature has agreed to donate a 2013 Chevy Tahoe road patrol vehicle to the Village of Lyndonville's police department.

The vehicle was determined to have no value to the county and has been declared surplus.

However, Lyndonville wants to replace a

patrol car with 350,000 miles "at least," said Mayor John Belson.

The village operates a part-time police department with Bill Larkin, a retired deputy sheriff, as the officer. He works about 20 to 24 hours a week.

Belson said the village couldn't justify spending \$30,000 or more for a new patrol car.

"We really appreciate it," he said about the county donating the Chevy Tahoe.

THE LAW AND YOU

BY NATHAN D. PACE ATTORNEY AT LAW

THE FOUR ESSENTIALS OF ESTATE PLANNING

To guarantee that stipulations of an estate are executed properly, estate planning is vital. There are four key components that ensure a seamless estate resolution: A Last Will and Testament covering property, subject to probate, designating whom will receive your estate; Powers of Attorney, established in the event of incapacitation while living, designate an individual to make legal decisions on one's behalf; An Advance Directive, or Living Will, specifies one's wishes regarding life-sustaining medical treatments and interventions and end-of-life decisions; lastly, Beneficiary Designations, such as for life insurance, annuities, and pensions, ensure smooth transfer of assets and proceeds controlled by contracts. It is imperative to designate beneficiaries in such contracts within the will to ensure proper disbursement.

At the Law Office of MACK & PACE, we represent clients for a wide range of legal matters. We will meet with you to understand your situation, explain your options and address any questions or concerns you may have. Our goal is to help you find the best possible solution. Please call to schedule a legal consultation. Our areas of specialization include criminal law, family law, business law, and estate planning.

(585) 798-1000
534 Main St., Suite 6
Medina, NY 14103

Hint: Estate planning has existed for centuries, dating back to ancient Rome under the Code of Justinian, which recognized oral and written wills approved by a public official.

County accepts \$1.4 million bid for new bridge on Yates-Carlton Townline Road

By Tom Rivers, Editor
Posted 27 January 2022

ALBION - The Orleans County Legislature on Wednesday accepted a \$1,397,885 bid submitted by Union Concrete and Construction Corp. of West Seneca for a new bridge on Yates-Carlton Townline Road over Johnson Creek, just south of Route 18.

This is the low bid on a project that will be 80 percent funded by the federal government. The county cost will be \$279,577.

Union Concrete and Construction did the work last year on the new bridge on Route 104 in Ridgeway, a project which just won an award as "project of the year" from Genesee chapter of the American Public Works Association. That honor is for "Structures less than \$5 million."
