meet... **Daisy**

Daisy was brought to us because her owner's daughter developed an allergy. Daisy is a very sweet and loving dog who really enjoys being around people. He said that she got along well with other animals and that she was house broken and crate trained (of course, we have no way of knowing this for certain.)

Daisy is looking for a couch to call home! She has mountains of love to give and I promise you will love this girl's personality and curly tail!

Please visit the shelter to choose your pet. The shelter has an ongoing need for donations of dog food, collars, leashes, treats, stainless steel food bowls and monetary donations to provide medical care. We greatly appreciate all donations made to the shelter.

AVOIDING CASHIER'S CHECK AND MONEY ORDER FRAUD. Be extremely cautious about accepting a cashier's check or money order for payment. Never accept a check or money order that is more than your selling price. Don't accept cashier's checks, money orders or any checks for that matter, for payment from buyers you do not know. If you are willing to take a cashier's check or money order in payment, insist on one drawn from a local bank or a bank that has a local branch and have it checked by someone at a bank before depositing/cashing.
