New Voter Registration Cards For Lincoln County, TN Voters

Redistricting will take place throughout Tennessee this year due to the 2020 Federal census. Every ten years' district lines are redrawn based on the population in Lincoln County. The newly drawn districts ensure equal representation by all our elected representatives. Lincoln County's growth required the redrawing of county commissioner district lines to meet the requirements of equal representation. Lincoln County will also be in a new Tennessee Senate District and a portion of the county will be in a new Tennessee State House District. New cards will be mailed to each registered voter in Lincoln County by the end of March.
