# 2022 TOUR PLANNER

*"Proudly Serving Our Customers with Tender Loving Care!"*

★ AMERICA THE BEAUTIFUL ★

# Welcome to TLC Tours!

Thank you so much for taking a look at our 2022 Tour Planner! Our first year as 'TLC', 2019, was successful beyond anything we could have anticipated, thanks to excellent people just like you. We are extremely grateful to each one who joined our family of travelers and journeyed with us all over the USA in grand and joyful style. We had planned for an even more exciting year in 2020, but alas, that was not to be. The only tour that went out that year was our February Florida tour, and then the entire bottom dropped out for the rest of the year. Because of our wonderful new owners and a truly amazing group of TLC Staff, we reopened our doors last Spring and enjoyed a very successful 2021 despite some challenges that still prevailed for the tour industry. Now we are at the threshold of the travel season for 2022, and although things have not yet returned to 'normal' as much as we had hoped, we are still excited, eager, and extremely ready to take you to all the places you've always dreamed of going (*with proper protocols in place*).

Our Office Staff and Team of Escorts and Drivers all worked together previously and have over 200 years of combined experience in the travel industry. Every one of us believes in treating people the way we would want to be treated! Our office is in Columbiana, OH, and our main areas of service are Northeastern OH and Western PA... but we will most happily welcome 'anyone from anywhere' who is looking for a warm, friendly group of people who really care about providing quality tours for those they serve.

There are over 100 tours on the next pages for you to pick from for this year, including One-Day Trips and Overnight Trips from 2 to 14 days. We use beautiful, modern Campbell coaches to ensure an excellent ride!~ Please see the back of the book for our Covid-19 Procedures and Sanitization Procedures.

On every trip, our goal is to give you an experience that's delightful, interesting, informative, high-quality, fair-priced, and just plain ol' "Good Clean Fun"! We have such a great time together and would love to get to know you better, so feel free to call anytime with questions or comments. ~ I now invite you to continue reading through

our wonderful variety of tours for this new year, and hopefully find the perfect ones that will take you to places you've always wished you could see! ~ Again, we welcome you to TLC Tours, and look forward to having you SAFELY join us on our many travels. Our guiding motto is "*Proudly Serving Our Customers with Tender, Loving Care!*"

## SAILING THE SEASIDE RESORT OF OCEAN CITY!

with Oceanfront Rooms & Gorgeous Views May 17-20 \* THREE Cruising Adventures! *If you love Seaside Resort Towns and the sensations that only sparkling waters & the gentle breezes of sailing can provide, you will want to join us for this VERY UNIQUE tour we have planned for you!* ~ The sun and surf of Ocean City, Maryland, has been attracting visitors since Algonquian tribes first came to the beaches to fish and sun themselves. Due to OC's isolation as a barrier island, the town remained a sleepy fishing village until the late 1800's when heroes took up residence and the ancestor of today's Coast Guard was established here. In 1900, the wooden Boardwalk was added - (Fun Fact: Originally the boards were all taken up in the winter and stored 'til spring - Wow!). With the building of the Chesapeake Bay Bridge in the 60's, in a few short years OC became the favorite resort for visitors from all over the eastern seaboard. Today, Ocean City stretches along 10 miles of beautiful beach from the Inlet to the Delaware state line, and the Boardwalk offers nearly 3 miles of food, games and shopping. ## Study Shows Five Conclusive Reasons Why Travel is Good for You!

- 1. It Promotes Heart Health**  
~ According to a landmark heart study, people who vacationed only every six years or less were nearly 8 times more likely to develop heart disease or have a heart attack compared to those who traveled at least twice a year.
- 2. It Keeps the Mind Sharp**  
~ When your brain is introduced to new experiences and environments (which happens during travel), it becomes challenged and builds resilience at the cellular level so degenerative disease is potentially delayed.
- 3. It Relieves Stress**  
~ Stress reduction is one of the most important benefits of travel, according to the Global Coalition on Aging. Eighty-nine percent of vacationers found they could let go of stress and relax after only a day or two into their trip. Pulling yourself out of your daily routines and into new surroundings significantly resets both your mind and body.
- 4. It Boosts Mental Health**  
~ Travelling can lower levels of depression and improve psychological functioning. You can experience a boost in happiness even while planning a trip (up to eight weeks before departure). Having something to look forward to, even if it's a short trip, can feel rewarding. And studies show the satisfaction lingers after returning home.
- 5. It Increases Your Social Connections to Others**  
~ Travel offers opportunities to meet new people that you otherwise wouldn't have. We were made to interact with others, and traveling provides a multitude of chances to connect with those in your traveling party as well as those you meet amidst your destinations. Endless studies affirm the immeasurable value of socializing, which travel bountifully provides.

## *Biltmore's Breathtaking Christmas*

November 29 – December 2

*The Most Gorgeous Time To See It!*

*Since Christmas Eve 1895, George Vanderbilt's Biltmore mansion has been a classic for unsurpassed Christmas cheer and celebration. It still is... and we can't wait for you to see it! Plus many other excellent elements are included in this top-shelf tour. If you've never been to Biltmore, you couldn't find a better trip to see it on – we've planned the best!* ~ Located in Asheville, NC, 'Christmas at the Biltmore' features America's largest home meticulously adorned with dozens of decorated fir trees, thousands of lavish holiday decorations, and endless miles of brightly lit evergreen garlands. To match the massive size of the mansion, a 35-ft. Fraser fir is erected every year by hand. In total, there are over 100 Christmas trees scattered around the 8,000-acre estate - more than half inside the house! ~ But here's one of the reasons our itinerary is ideal - if you only go for the evening candlelight tour, you aren't able to see the expansive, majestic grounds, nor take in the stunning views that caused Mr. Vanderbilt to build here, nor any of the other sights that can only be viewed in the daylight. So we do both! ...a daytime tour AND the Candlelight Tour so that you don't miss a thing = perfect!! On our evening visit, savor a Candlelight Dinner in the Stable House before beginning the tour of magnificent rooms lit by flickering candles and filled with elegant mid-century antiques and tapestries. The gentle glow of the candles, the cozy firelight, and live performances of holiday music make for a truly magical evening. ~ Our visit also includes a time at Antler Hill Village on the Estate, the unique Biltmore Winery, and lunch at Deerpark Restaurant (their former cattle barn). If you've ever thought about seeing this majestic mansion, this time of year is by far the most impressive... and magical!! \* Another highlight will be our time at the massive stone structure known as Grove Park Inn - Wow! Here we'll enjoy a special lunch and then look around at the 2022 National Gingerbread House Competition held right inside Grove Park - we love this place! \* We also include reserved seats at the Blue Ridge Mountain Opry for their excellent dinner show, a guided walking tour of Asheville with visits to the Mast General Store, Grove Arcade and the Basilica of St. Lawrence, and a delicious dinner at Stone Ridge Tavern \* 3B, 2L, 3D \*\* \$1,268 per/person, double occ \* \$1,198 p/p, triple/quad occ \* \$1,498 single ~ **Call Soon - this one often sells out!**

in order to avoid canceling a trip with a low passenger count, our Driver may serve both positions of Driver and Escort, and all are professionally trained to do so.

**Lodging and Meals:** Your quality lodging is included on all overnight tours. We never use second-rate hotels, restaurants, or activities on any tour, to the best of our ability to make that determination. We request that you express this on an individual basis, and let the quality of service received be your guide.

# Special Note Regarding TLC's COVID-19 Procedures

As you well-know, the Travel Industry was one of the hardest hit industries as a result of the pandemic. While we were excited to resume SAFE travel adventures together last year, at this writing we still need to require a few protocols for 2022 so that everyone is protected as much as possible and feels the needed level of safety and security when on one of our tours. We realize this is a controversial subject but are choosing to “Do Unto Others As You Would Have Others Do Unto You”, and conducting our tours so that EVERYONE can feel as safe as possible. Our decision to continue our tours in general has been based on the fact that ‘if we have to wear a mask more than we’d like, it is definitely worth it’ to be able to be out-and-about and enjoying our love of travel again! However, if what we are asking is against your personal beliefs, hang on to this book for later use -- we hope we may be able to lift these requirements, or at least most of these, later in the year if things improve. So please know that what is listed may change and/or be updated as the country rebounds and the pandemic subsides. Prayers!

But for now, we need to ask that everyone going on one of our tours agrees to abide to the following procedures at all times, i.e., throughout the entire tour. Please read them carefully to be sure you’re willing to carry them out. If any of these requirements should be revised throughout the year, we will inform you of the changes in our pre-trip letter which you will receive before your tour departs, or you can always call the office to check.

One other important note we must mention. At the time of this book’s publication, a few of the places we intend to visit are still not fully open – although all believe they will be by the time our tour is to arrive. Should there be some place that is not able to take us, we will do our very best to substitute an activity or attraction of an equal quality, or possibly cancel the tour if need-be. We just have to “go with the flow” again this year, but trust me, every single place we plan to journey to WANTS to be open for us and will be doing everything they can to do so. Adventure ahead!

Thank you so much for your understanding. We are ALL trying to find our way through this crazy time in our country’s history and are forced to make decisions that are very hard...

especially when we know some of our wonderful, valued customers may not be in agreement with all of them. We appreciate your faithful cooperation – You are truly “The Best”!  
**Here are our TLC Pandemic Procedures:**

**A.** If you have recently had Covid-19 or one of the variants, we ask that you not travel with us until the advised quarantine period has transpired. Please check with your Doctor or Hospital to be accurately updated on what that time frame currently is.

**B.** We ask that you take your own temperature before leaving home on the morning of Day One, and if you show any fever at all, please stay home. If you have additional/other symptoms that suggest Covid-19 or a variant, we ask that you please stay home. If you have been around someone with Covid-19/variant, or highly-suspected Covid-19/variant, we ask that you please follow the CDC guidelines according to their timeline, and possibly stay home. Any of these methods are somewhat dependent on the “honor system”. We trust that our upstanding TLC customers will “do the right thing” and not put anyone else at risk for contracting Covid or a variant on a TLC tour.

**C.** We do not have a vaccine requirement to travel with TLC Tours. But please bring a mask to wear over both your mouth and nose, and have it with you at all times to be used when needed. Currently, we ask that you have it on when you meet the bus and give your suitcase to our Driver, each time you use the steps getting on and off the coach, and anytime you are walking down the aisle in close contact with others. Once you are seated, you can leave it on or take it off – that is up to

you for anytime you are sitting down. When you are off the coach, as stated earlier, we will abide by the destination’s requirements at that time, whether we personally agree or not. The protocols that are being enforced can change week-to-week, so we are just going to have to be ready to “go with the flow” and do whatever we need to so that we can enjoy our time wherever we are. We can do it, TLC Family!!

**D.** Should someone come down with Covid during or after their tour, we assume no responsibility or liability. We cannot control every minute of everyone’s day, nor can we control how people handle themselves when off the coach. We have done our very best to secure accommodations and venues that state the highest sanitation protocols to the best of their ability. If on tour you should come down with Covid-19 or a variant, or strongly suspect it, you would be responsible to quarantine yourself and arrange for transportation home when appropriate. – By traveling with us, you are agreeing that TLC Tours, LLC will not be held responsible for contracting Covid-19 or a variant, nor liable for any expenses involved in any way.

**E.** If you do need to cancel at the last-minute because of having covid/variant, being exposed to covid/variant, or suspecting a possible case of covid/variant, our normal cancellation policies apply, just as they would to any other last-minute illness that prevents you from going on a tour. See General Information/Refunds in this book. Without insurance, there is no refund except what we might be able to get back from individual vendors on your behalf. We highly suggest taking out either our in-house Refund Protection Policy, or another more comprehensive insurance plan of your own choosing. Thank you for understanding.

**F.** Overall, we will continue using most of the covid/variant regulations that have been asked of us up to this point, some of which are common sense. Wear a mask when appropriate, especially if you can’t be 6-ft. apart, wash your hands with soap often, and use sanitizer. Additionally, lovingly respect the concerns of others - some may have health conditions that cause them to be more cautious than you may feel is necessary for yourself. ~ Again, we believe these things are a very small price to pay in order to be “On the Road Again”!

# TLC SANITIZING PROTOCOLS

We assure you that TLC TOURS is ready to serve all your travels with us as safely and thoroughly as possible.

## Bus Cleaning - Disinfecting Policy

Prior to March 1, 2020 Campbell Bus Lines was dedicated to the complete and effective cleaning of our vehicles in preparation for passengers to board and travel to the destination of their choice in comfort and quality. Following the outbreak of Covid-19, we became aware that we

needed to go even further above the level of cleaning that we had already been using for over 50 years.

1.) We have hired an outside firm to completely disinfect our buses when they finish a trip. You can be assured that every Campbell Coach that arrives to pick you up has been thoroughly disinfected.

2.) We have upgraded all air filters and increased the frequency that we change the air filters on the coach to reduce contamination. Our motor coaches refresh the air on the coach every five minutes, and combined with the upgraded filters, will reduce stale used air in the coach.

3.) We have added UV lights in our HVAC system to eliminate any airborne pathogens.

4.) Every coach will be disinfected prior to starting your trip, and every day while on your trip. We are using an environmentally friendly solution that is EPA-approved, and not diluted or mixed at our facilities. The solution is rated on the EPA K-List that supersedes the current EPA suggestion for elimination of Corona Virus. You can rest assured that the solution has no harmful properties and has received the Green Seal certification. We apply the solution with electrostatic sprayers to increase coverage to eliminate all pathogens on hard surfaces.

5.) We will have disinfecting wipes available for the Driver and/or Escort to wipe the high touch points while on the trip, and hand sanitizer will be on board for your use.

# TLC Reward Card

Fill in your TLC Card and have a free \$100 to spend on future overnight travel!

## HERE'S HOW IT WORKS:

Here's how it works: On your first overnight tour, we'll give you a TLC Reward Card with four little squares across the bottom. Each time you take an overnight tour with us, the Escort will punch out the respective square, and when all four are complete, you can turn it in for \$100 of free travel on any overnight tour of your choice. You must get it filled within a year from the first punch, but once you do, it never expires! It is also non-transferable. Feel free to call our office anytime for more details ~ these are already proving to be extremely popular!

## This Summer, Watch for Our 2022 UPDATE and 2023 PREVIEW!

It's our "mid-year mailer" coming to your mailbox showing which tours still have room on them, and giving a peek at some of our 2023 Tours! If you don't get a newspaper, call to make sure your name is on our Direct-mail list so we can send one right to your home! Also we'll be glad to send to any of your friends and family if you want to give us their addresses, too!

### HOW TO MAKE A RESERVATION:

To reserve your seat, call the office with a credit card deposit, or stop in the office with a credit card, check or cash payment for deposit. We cannot hold a reservation without the required deposit. We will also take your name, address, phone number, and pick-up point at this time.

Or, send your deposit to our office along with your name, address, phone number – and a note as to which date and tour you are reserving. However, if you choose to mail it in, your seat/s cannot be held until we actually receive the deposit. ~ Once we receive your deposit by any of the above methods, we will send you a confirmation showing what you have paid, your remaining balance, and other pertinent information. Your final payment is due 45 days prior to departure unless otherwise stated. We do not send a 2nd invoice – it is up to you to call, or send your check, by your balance-due date. For overnight trips, we will send you a letter about a week before departure with information regarding any itinerary updates, dress code, passenger list, hotel phone numbers, etc.

### DEPOSIT CHART - Per Person: (\*Unless otherwise noted in the tour description)

## You're Invited To One of Our Wonderful TRAVEL MEETINGS

**\*\* Updated Plan for 2022!!**

Traditionally, in order for you to meet us personally, each year we take our "Show on the Road" shortly after our Tour Books come out. Last year, because of the pandemic, we had to revise that somewhat as a means to create as safe of an environment as possible for everyone, yet provide you the opportunity to meet our great team of Escorts, Drivers and Office Staff, and give the ability to take part in all the other important things we always do at them. We arrived at a plan we felt would accomplish both goals, and because of your cooperation and great attitudes, it was extremely successful, albeit very different! We anticipated that this year we'd be able to go back to our normal format... but alas, that sadly is not the case, so we will have to hold our Travel Meetings in a manner much like last year... and here's how it works:

On the dates and at the locations below, along with meeting us, you'll be able to collect fully-detailed flyers of our overnight tours (2 nights or more), find out which trips have special Travel Meeting Incentives (discounts) if you book that day or by the following Monday, and receive a little bag of delicious home-style cookies to take home! You also can sign up early for your trips so you're sure to have a spot on the ones you're interested in by filling out one or more of the reservation forms available at the meeting, including your credit card info or a check, and then putting it/ them in one of the envelopes there and dropping it in the reservation box on your way out. Easy as that! ~ Also on the way out, you'll receive a very special cou-

pon for a FREE PUNCH on your TLC Rewards Card!

One thing that will be significantly different again this time is that we won't be able to put literally hundreds and hundreds of people into one auditorium at the same time to show our much-loved Destination Pictures on the big screen with live narration. However, never fear – we're repeating our "Plan B" which was extremely well-received!... So using the skilled services of a great "techie guy", you will receive a special 2022 Tour Video that is basically the same information as we normally give at our live meetings, only instead we've put it on a DVD that you will take home with you to watch at your leisure. In fact, this way, you can play it multiple times and go back and look at other trips you may not have noticed fully the first time. So it's a win-win... we keep everyone 'safe', but still give you the great TLC Travel Show experience – just in a little different form!

In order to keep everyone from coming at once (i.e., to keep the 'crowds' to a reasonably-distanced size), we do need you to call our office and sign up for one of the time slots listed below. We are allowing 30 minutes for each slot, and ask that you stick to the one you've signed up for so that all flows well thru-out each of the locations. ~~ Thank you so much for your help with this – we are all making adjustments for a little while longer as necessary, and are extremely appreciative of your great attitudes to make our Travel Meetings work!
