FAIRER

The Fines and Interest Reduction Enabling Recovery (FAIRER) is a City of New York program that will allow you to pay a reduced amount on our Environmental Control Board (ECB) violations. ECB violations are often issued to property and business owners. You would have had to receive an ECB violation prior to June 23, 2021, to be eligible for this program. To participate in this program, please visit www.nyc.govmysummons. The deadline to apply is March 20, 2022. You are welcomed to visit our office if you need any help or need access to a computer. You may also visit your local library.

CLEANLINESS

Our service roads need all the help they can as the barrage of illegal dumping continue. Our business corridors need litter removal. If you see any conditions that need immediate help, please report it to 311 and contact our office thereafter. If you have neighbors with trees, please remind them to clean their tree pits and remove any litter. We must do our part to continue our community's success. We already know that city agencies like the Department of Transportation do little to no maintenance of its own properties. If you want an area serviced, do not hesitate to contact us at (718) 892-1161.
