CITIZENS TRI-COUNTY BANK

The Welcome Home Program (WHP) funds are for reasonable down payment and closing costs incurred in conjunction with the acquisition or construction of owner-occupied housing located only in Tennessee by low- and moderate-income homebuyers. The funds are limited to \$7,500 for homebuyers who are honorably discharged veterans or active duty military personnel and \$5,000 for all other homebuyers. Homebuyers must contribute at least \$500 of their own funds towards down payment and/or closing costs. WHP funds are subject to a five-year retention in which repayment of all or a portion of the funds may be required if the home is sold or refinanced within five years from loan closing. Monthly payment will also include an escrow account to pay annual real estate taxes and insurance premiums. A pre-qualification is not an approval or commitment to lend but includes a preliminary determination on whether potential applicant(s) would likely qualify for credit based on information provided to us or authorized by the potential applicant(s) for us to review, as well as a review of the potential applicant or application qualifies for the WHP. An approval or commitment to lend can only occur after a comprehensive analysis of creditworthiness is made. This latter analysis could include, but not limited to, a formal residential mortgage application with identification of a suitable property, recent credit report, employment verification, income verification, downpayment verification (if applicable), and an acceptable appraisal, marketable title, and proof of satisfactory insurance coverage. Funds are available on a first-come first-serve basis, when a formal loan application is received on or after March 1, 2022, in which a written sales contract has been executed and provided to us. The total income for all applicants must be at or below 80% of the Mortgage Revenue Bond limit for the county and state where the property is located (we can provide this information upon request). The interest rate will not be known at the time of pre-qualification and will be based on factors relating to the loan request during the formal application process. As WHP funds are utilized, the depletion of available WHP funds occurring after March 1, 2022, may occur without further notice.

Our founder, Bill Thomas, started Exchange to connect local businesses with customers.

More than 100 team members have contributed to our success over the past 42 years.

Alongside the national award-winning weekly Exchange, our talented team members design magazines, websites, and marketing plans.

It has taken cohesive teamwork the last 42 years to publish a weekly Exchange.

Our team is full of talented individuals. Team members each week work with individuals to write ads for personal items and businesses to construct the ideal display ads. Our creative team designs hundreds of ads each week on a tight turnaround. The distribution team then efficiently delivers all copies to local post offices. We'll miss the weekly grind but look forward to publishing a monthly Good News in all the communities we serve.

Thank you current and former team members for your 42 years of work. We look forward to the next 42.
