SHOP TODAY'S LOW PRICE TAGS:

We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

NO LIMITS:

Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.

How Much Does the Average Funeral Cost in 2022?

Contact: Benjamin Joslin About ways to plan ahead.

Making end-of-life arrangements is a difficult and emotional task. There are many decisions, and the expenses are often unexpected.

Whether you're planning a traditional church service followed by a graveside ceremony, a simple cremation without a service, or an uplifting celebration of life with decor, live music, catering and more, we want to help you understand the costs involved in funeral, cremation and memorial services in 2022.

Choosing a prepaid funeral plan and making monthly payments can help to manage this cost.
