

Who Else Wants To Lose Weight?

Elk River Medical

With a Brand New Doctor Supervised
Weight Loss Program Designed to
Get Results When Others Have Failed.

Fayetteville - This may come as a surprise to many, but Americans being classified as obese or overweight has tripled since 1975. The next logical question is ...

Why?

The answer is multifactorial. Meaning there is not one simple explanation, but major reasons involve diet and lack of exercise.

Hello, my name is Dr. Walter Bennett and part of my practice is helping people that are struggling with weight loss. I have a unique plan to help people regain a more healthy weight and lifestyle. My program entails 3 parts The first part is

Diet

I was a competitive bodybuilder and powerlifter for many years. I have taken decades of knowledge and condensed

it into a program that the majority of people can easily follow I learned through years of helping people that "its got to be easy to implement or people will not be able to follow it". Second is ...

Exercise

I have also learned exercise is another big key for weight control for the simple fact that exercise will burn glycogen from the muscles, build the muscles and increase metabolism ... these things lead to weight loss. And what if I told you this can be done in minutes per day!

And The Final Part Is The Glue That Makes It All Work Better ...

The final step is weight loss **medication**. The medications used will work to help you utilize sugars better, control appetite and are proven **to help people lose weight!**

This program availability won't last very long. I only have 20 available slots for weight loss patients. And to make sure we are not wasting each others time I am offering a free consultation to see if you are a good fit for this program. If you are not a good fit we will part ways and it did not cost you a dime! But if you are a good fit this could be what you have been looking for. I look forward to meeting you.

Yours In Health,

Walter Bennett, DC, MSN, NP-C

New Voter Registration Cards For Lincoln County, TN Voters

Redistricting will take place throughout Tennessee this year due to the 2020 Federal census. Every ten years' district lines are redrawn based on the population in Lincoln County. The newly drawn districts ensure equal representation by all our elected representatives. Lincoln County's growth required the redrawing of county commissioner district lines to meet the requirements of equal representation. Lincoln County will also be in a new Tennessee Senate District and a portion of the county will be in a new Tennessee State House District. New cards will be mailed to each registered voter in Lincoln County by the end of March.

AVOIDING CASHIER'S CHECK AND MONEY ORDER FRAUD. Be extremely cautious about accepting a cashier's check or money order for payment. Never accept a check or money order that is more than your selling price. Don't accept cashier's checks, money orders or any checks for that matter, for payment from buyers you do not know. If you are willing to take a cashier's check or money order in payment, insist on one drawn from a local bank or a bank that has a local branch and have it checked by someone at a bank before depositing/cashing.

Thank you, team members.

Our founder, Bill Thomas, started Exchange to connect local businesses with customers.

More than 100 team members have contributed to our success over the past 42 years.

Alongside the national award-winning weekly Exchange, our talented team members design magazines, websites, and marketing plans.

It has taken cohesive teamwork the last 42 years to publish a weekly Exchange.

Our team is full of talented individuals. Team members each week work with individuals to write ads for personal items and businesses to construct the ideal display ads. Our creative team designs hundreds of ads each week on a tight turnaround. The distribution team then efficiently delivers all copies to local post offices. We'll miss the weekly grind but look forward to publishing a monthly Good News in all the communities we serve.

Thank you current and former team members for your 42 years of work. We look forward to the next 42.

The future begins here ... join our Tiger family!
