### CON EDISON RATE HIKES

Many of you saw some surprising increases in your recent Con Edison bill. There are some ways to offset these increases. You still can apply for the Home Energy Assistance program (HEAP) now through March 15, 2022. We have applications at our office. There is also the Regular Arrears Supplements that is a one time only, limited availability program that helps with past due utility payments. You are welcomed to give us a call at (718) 892-1161 to discuss some of these programs, but as you know any application is income-determinant.

### PUBLIC LIBRARIES

Many of our area's public libraries hold computer and literacy classes, play movies, have games for children, and most importantly, many books and periodicals for us to read at our leisure. Please visit one and visit as often as possible. Supporting our local libraries proves to the City of New York that it needs more resources and that it should be opened to the public for additional hours. Please take the time out of your day to visit your nearest library and thank its staff members for their dedication to public service. For events, please visit <https://www.nypl.org/events>.

### NEIGHBORHOOD CLEANLINESS

Our community has long held the rank of first place when it comes to cleanliness. Simply put, I do not want to lose it. Please help our Department of Sanitation (DSNY) by sweeping sidewalks, tying up garbage and, most importantly, by not placing household garbage in public litter baskets at our intersections. We risk the litter baskets being taken away. Property owners risk fines for leaving garbage in out when it is not its scheduled pick-up day. If you know of a property that needs a gentle reminder of what we expect as a community, do not hesitate to contact me at either (718) 892-1161 or [bx10@cb.nyc.gov](mailto:bx10@cb.nyc.gov).
