Did you know that 1 of every 5 persons over the age of 65 become seriously injured due to falls each year?

The Livingston County Department of Health reminds all seniors of the importance of fall prevention.

Some simple fall prevention tips include getting your vision and hearing checked regularly, developing an exercise routine with your physician, making sure medications are appropriate, and making sure that there are no trip hazards around the home. Help protect yourself or a loved one.

For information on Fall Prevention, call the Livingston County Department of Health at 585-243-7520 with questions or concerns.

### Martha J. Gorton "Martie"

February 27, 2022

Groveland: At age 69, Martie passed peacefully on February 27, 2022 at Noyes Memorial Hospital in Dansville, NY. She was born on September 6, 1952 in Rochester, NY to the late Milo and Martha (Wright) Turner. Survived by her husband of 42 years, Leigh Gorton and children, Ben Gorton of Rochester, Tracy Kingsley of Victor, and Kevin (Timaris) Gorton of Perry; grandchildren, Jessica, Adara, Oran, Nadia, Liam, Isaiah, Eliana, Zechariah, Annaliese, Alleyne, Matthia, and Malachi; siblings, Milo Turner of Livonia and Alice Trippi of Seneca Falls; also survived by several nieces, nephews, and many dear friends.

Martie will be missed by so many that she has touched. From the fellowship at Grace and Truth Church, where she was an active member, to the children she drove to school. She was always doing for others with no hesitation and was a staple in her church, community and family. In her precious spare time she loved to quilt, travel to local historic sites with her husband and dogs, often while geocaching, and spend time with her grandchildren. She was the thread of the family and nothing was more important than bringing everyone together. Praise the Lord for taking her home.

Family and friends may call on Friday, March 4th from 4-7pm at the Grace & Truth Christian Fellowship Church, 3462 East Groveland Road, Mt. Morris, NY 14510 where Martie's Funeral Service will be held at 11am on Saturday, March 5th. Interment will be held at Oak Ridge Cemetery, South Livonia, NY in the springtime. In lieu of flowers memorial contributions may be made to the Grace & Truth Christian Fellowship at the address above.

# SPEAK OUT

Dear "Speakout",

The title of this week's article is "The Date Which Russia Would Invade Ukraine".

I am amazed that our leaders in Washington and most Americans did not know the exact date which Russia would invade Ukraine. I repeatedly wrote President Biden and Secretary of State Blinken regarding this date but all I heard on the news was that an invasion was imminent.

So, you are probably saying why I think I knew when the invasion would occur. Simple, because I am an avid historian and have open ears to what I hear.

American main-stream media does not tell us the truth and often perverts and edits the news to their own political agendas.

The 2014 Winter Olympics was held from February 7 to 23, 2014, in Sochi, Krasnodar Krai, Russia. Russia views February 22, 2014, as the day in which they lost control of Ukraine in what was called the "Maidan Revolution". Vladimir Volfovich Zhirinovskiy is a Russian politician and leader of the Liberal Democratic Party of Russia. He said that the invasion of Ukraine was inevitable and would begin on the eve of "Defender of the Fatherland Day".

In a video of LDPR-TV, recorded on December 27, 2021, Vladimir Volfovich Zhirinovskiy unequivocally stated that less than two months are left before the start of the war with NATO. He explained that if NATO refuses to fulfill the conditions of the Russian ultimatum, Russia will accept another program. And you will feel it at 4 o'clock in the morning on February 22, 2022.

His speech to the Russian State DUMA was as follows: "If you don't want to do that, then you can approve a different program. And what kind, you'll see. You'll see at 4 am, 22 February. I would have liked for 2022 to be a peaceful year. But I prefer the truth – I've spoken the truth for 75 years. This will not be a peaceful year. It will be a year in which Russia once again becomes a great power. Everyone will have to shut up and respect our country. The alternative is they shut us up and begin to exterminate Russians – in the Donbass at first, and then in Western Russia.

So, in this regard, so let's support this new direction in Russia's foreign policy." So, you can see that Russia told us back in December that they were going to invade the Donbass on February 22, 2022.

So, if Russia invaded Ukraine on February 22nd and Vladimir Volfovich Zhirinovskiy said that there would be a war with NATO, why would we think that their ultimate goal would not be to invade countries in Europe which are members of NATO?

Anyone who looks at this situation and does not see an invasion of NATO and the involvement of the United States in a war with Russia must not wish to accept the facts. The United States of America has become an isolationist nation much like it was before World War II. But, we are on the verge of being awakened to the fact that we must rise up to deter aggression before we are forced to speak another language and accept a dictatorship and lose our freedoms.

I do not wish to be negative and viewed as a war monger, but I believe we need to see the handwriting on the wall. Currently we are concerned about the price of gasoline and the increase in food prices. There is much more which we should be concerned.

Lord willing, I will submit an article again next week.

**RADON** is a cancer-causing radioactive gas that you cannot see, smell or taste. Radon is produced in the soil and moves upward to enter your home through the foundation or with groundwater from a well. The only way to know if you are at risk is to have your home tested for the presence of radon. The Surgeon General recommends that all households be tested for radon levels. The Livingston County Department of Health provides free radon test kits to County residents who own a home. The Livingston County Board of Supervisors recently resolved to partner with Empire Access, a local internet service provider, in jointly applying to Round 3 of the U.S. Department of Agriculture's Rural Utilities Service Rural eConnectivity (ReConnect) Program.

The \$1.15 billion ReConnect Program offers loans and grants to facilitate broadband deployment in areas of rural America that do not have sufficient access to broadband. If funding is awarded, the public-private partnership will bring the County closer to realizing the goals of the 'Light Up Livingston' initiative, which aims to offer high-speed, fiber-optic internet access to every address in the County.

"During Round 2 of the ReConnect Program, our public-private partnership with Empire Access was successful in securing \$11.3 million in grant funds. We want this momentum to continue with another successful ReConnect award in Round 3," stated Livingston County Administrator Ian M. Coyle. "Universal broadband access will foster economic development and increase the quality of life for residents throughout Livingston County."

A County-commissioned survey and study in 2019 designed to collect data on current broadband services in Livingston County determined: 41% of residents lack sufficient internet access, 90% of respondents consider broadband internet to be a vital public infrastructure, and 79% stated that government should play a role in financing high-speed internet development.

For more information on 'Light Up Livingston', please call 585.243.7040 or visit <https://www.livingstoncounty.us/1175/Light-Up-Livingston>

## The Family of John Crandall

wishes to thank our friends, neighbors and helpers for their support at the time of John's passing and for the cards, food, hugs and prayers during that time.

People were supportive in so many ways and always treated John with respect and affection, including Doctors Hanson and Tallman, "Our" VA nurse, Alicia, who stopped in regularly and was so very helpful, Our Pastor Ron Duttweiler and Sylvia, John's personal beautician, Our Lifespan volunteer, Gary Czerkas, Anne and Paul Rangere and McKenzy Bennett who were especially knowledgeable and helpful as John's illness progressed, Our neighbors who came when I needed a hand — Gene VanSickle, LeRoyWood, Tom Burt and Ethan Boss (Of course, our son-in-law Sam was John's favorite) And Mr. D'Angelo of Martin Funeral Home who was very professional, knowledgeable and patient.

We hope you'll remember John as the hard-working, sports loving, kind, fun loving, good looking person he was who loved his family and friends.

## Livingston County Dialysis Center

Wyoming County Community Health System (WCCHS) announces the opening of the Wyoming County Hospital Dialysis Center (WCHDC) located on the first floor of the Livingston County Center for Nursing and Rehabilitation facility, located at 11 Murray Hill Drive, Mount Morris, NY.

The dialysis center is a joint venture, with Livingston and Wyoming County sharing a much needed service for both Counties.

The WCHDC has a capacity to treat six

dialysis patients at one time. Dr. Edwin Anand, Dialysis Medical Director, stated, "We are excited to bring state of the art, safe, high quality dialysis to the area, so that our kidney patients can receive safe care and their dialysis treatment close to home, without the need to travel far."

Dr. Anand is Board Certified in Internal Medicine/Nephrology and completed his fellowship in Nephrology at the Jacobs School of Medicine and Biomedical Sciences at the University of Buffalo.

Michael Corcimiglia, Acting CEO of WCCHS, stated, "We continue to expand services and are very pleased to join with Livingston County and offer dialysis services to the people of Wyoming County and the surrounding area.

Stephen Woodruff, Director of Long Term Care at the Livingston County Center for Nursing & Rehabilitation, added, "This partnership will provide our residents the opportunity to get these life-sustaining treatments in the comfort of their own living space, in addition to providing the community with a medically necessary service on our beautiful campus. Through partnerships like this, we will continue to bring best-in-class services and procedures to residents here in Livingston County."

Rebecca Ryan, Wyoming County Board of Supervisors Chairwoman, "We are very excited to open the Wyoming County Hospital Dialysis Center. This is will provide vital, quality care to both Wyoming and Livingston County residents. It is a perfect example of 'shared services' producing a state of the art facility with cost-savings and the utmost efficiency built in. This would not have been possible without the dedication, hard work and collaboration of the two county governments and Wyoming County Community Hospital."

To schedule an appointment with Dr. Anand, please contact the WCCHS Specialty Clinic Office at (585) 786-1555.
