The jolly Jewish holiday of Purim celebrated every year on the 14th of the Hebrew month of Adar (late winter/early spring). Purim 2022 begins on Wednesday night, March 16 and continues through Thursday, March 17, (extending through Friday in Jerusalem). It commemorates the (Divinely orchestrated) salvation of the Jewish people in the ancient Persian empire from Haman's plot "to destroy, kill and annihilate all the Jews, young and old, infants and women, in a single day." Literally "lots" in ancient Persian, Purim was thus named since Haman had thrown lots to determine when he would carry out his diabolical scheme, as recorded in the Megillah (book of Esther).

TODAY'S REAL ESTATE
Market has been fast! The price of houses are higher than ever before, but are still selling. Sellers are excited, but buyers worry if they are paying too much. Consider this, houses are higher but interest rates are still lower, so if you pay more for the house, the seller benefits, and if you pay higher interest the banks benefit. If you get an appraisal on the properties you buy, your chances are better you paid what it's worth. Call me and let's talk about real estate, if you need to sell or buy. Alabama Realty Group.
