Bronx, NY 10461

COMMUNITY BOARD #10 MEETINGS

For nearly two-years, Bronx Community Board #10 has had nearly every meeting virtually. Starting this April, most if not all our Community Board meetings will now be held at our community district office at 3165 East Tremont Avenue as was the case prior to the COVID-19 Pandemic. We are hoping to finally see many of you and hope that you consider bringing concerns for us to address. As you know, Bronx Community Board #10 represents the communities of City Island, Co-op City, Morris Park, Pelham Bay, Throggs Neck and Westchester Square. We remain open every Monday through Friday to serve you.

NYC DOT STREET WORK PERMITS

Readers, as your District Manager, I would be remiss if I did not use this column to make you aware of ways on how to retrieve publicly available information. Every spring, summer and fall agencies such as the Department of Transportation repaves our roadways. As you know, any road work requires New York City Department of Transportation permits. All permits are publicly available on the "NYC Streets Permit Management System" at <https://nycstreets.net/public/permit/search>. We are available to help you at your earliest convenience so that you can use this valuable resource. To be sure, some permits are not actively available on this website as there are instances where, for example, Con Edison is performing emergency work. In these instances, you should always contact us at (718) 892-1161 with any questions.

"POP-UP CAR WASH"

We have seen unlicensed car wash vans set-up on streets such as Westchester Avenue and Throggs Neck Expressway Service Road. You must call 311 immediately when you suspect that one is operating without proper licensing. The car wash vans are not permitted to use any hydrant. The City of New York Department of Consumer Protection issues the license for this type of operation. Once you retrieve the 311-complaint number, call our office at (718) 892-1161 with it and the location of the pop-up car wash.
