Salome's Stars

ARIES (March 21 to April 19) Put your restlessness to good use by indulging the Arian love of exploring new places and seeking new challenges. There also could be a new romance waiting to be "discovered."

TAURUS (April 20 to May 20) A surprise message from someone in your past could lead to a long-awaited reunion with a once-close friend. Also, look for a workplace problem to be resolved in your favor.

GEMINI (May 21 to June 20) Your self-confidence is rising, and that should be a significant factor in helping you adjust to a new social situation, as well as adjusting to a series of changes in the workplace.

CANCER (June 21 to July 22) Turnabout could be lots of fun when someone who previously accepted your tender, loving care without question now suggests that he or she wants to start taking care of you.

LEO (July 23 to August 22) Put the lessons you learned from past disappointments to work in planning your future. The way ahead opens to opportunities "purrfectly" suited to the adventurous Lion.

VIRGO (August 23 to September 22) This is a good time to renew contacts with family members and/or old friends who somehow slipped off your personal viewing screen in recent years. Travel also is favored.

LIBRA (September 23 to October 22) Most problems surrounding that recent personal situation have been resolved, and that means you should move on to other things that are important to you.

SCORPIO (October 23 to November 21) Spend this weekend recharging your physical and spiritual energies. When you return to your workaday world, you'll be ready to take on that new project.

SAGITTARIUS (November 22 to December 21) Be careful how you advise a troubled friend. Even your wise counsel could be misunderstood. Better to suggest that he or she seek professional help.

CAPRICORN (December 22 to January 19) Family problems once again dominate and, once again, everyone seeks your guidance in these matters. Later, you can indulge in some much-needed relaxation.

AQUARIUS (January 20 to February 18) Some mixed signals create confusion in the workplace. Best advice: Ask for explanations before you attempt to deal with any of these matters on your own.

PISCES (February 19 to March 20) A patch of roiling water in the workplace could be threatening, but stay the course and you'll soon be clear of it. Then go out and have a great time with loved ones.

BORN THIS WEEK: Your extraordinary leadership qualities mark you as someone people can turn to for guidance in difficult situations.

Piedmont Pets
 March 17, 2022 By Paulette Dean

Twenty years ago, I read a story in my church's magazine about what happened when a young father, Robert S. Wood, read a fairy tale to his daughter.

The fairy tale told the story about a king who offered the young man in his kingdom the chance to marry his daughter. The princess would become the wife of the man who created or did the most extraordinary, unbelievable thing in the kingdom.

Young men from all over the kingdom went to work. Marvelous creations and displays of physical agility were presented before the king. Finally, one man presented a clock to the king. This clock not only told the minutes, hours, days, months, and years, but also had sculpted within the figures of great philosophers, poets, and prophets. On the appointed hours, these figures would expound the wisdom of the ages. People agreed this was the most unbelievable thing. But then, another young man came and began to destroy this great clock with a sledgehammer. The people then agreed, with horror, that his act of destruction was the most unbelievable thing they had ever seen.

For a time, it appeared that the king would be forced to let the destructive young man marry the princess. But, since this was a fairy tale, all the stone figures came back to life and drove the young man away.

The father reading the tale to his daughter said, "When I first read this tale to one of my daughters, she asked, 'What was everyone doing while the young man was wrecking the clock?' A very sensible question! For too many, responsibility seems to end with hand-wringing and exclamations of dismay. Yet talk without action accomplishes little. We need to be vigorously engaged in the world."

Before March 2020 when the entire world went into lockdown, we had a vigorous volunteer program. Our large group socialized kittens, walked and bathed dogs

**996 South Boston Rd.,
 Danville, VA 24540
 Phone: (434) 799-0843**

and puppies, and generally made time in the shelter a busy, happy one for the animals. We were very grateful.

We maintained our volunteer program through difficult times, but the challenges of the past two years also affected the number of volunteers. We seek now to change that.

Youth who are at least 14 years of age may volunteer at the shelter without a parent or guardian in attendance. We welcome well-behaved children who can come with their responsible adult.

We require attendance at an orientation so we can explain policies, procedures, regulations, and laws that will keep the animals and volunteers safe. This orientation takes place the first Thursday of every month at 4:00 at the shelter. It lasts about an hour. Paperwork can be filled out prior to the meeting. We can either e-mail the paperwork upon request by e-mailing us at dahsinc@yahoo.com or you may come a few minutes early and fill it out.

We invite you to become part of action for the animals. Even small pockets of time can have a positive effect. Tiny acts of service do so much more good than hand-wringing or exclamations of dismay!

Ladderback Chair

Furniture made in America during its early days sometimes used expensive imported material like mahogany with hardware from Europe. But local woods, like pine, oak, walnut and cedar, iron and even paint were available and inexpensive. The use of a local wood helps identify furniture made in New Mexico, Louisiana and parts of Pennsylvania.

An early 19th-century ladderback chair from Louisiana was sold at a recent Neal auction. It was made of cypress wood, which is rot-resistant, hard and durable, has few knots, a light golden color, and, best of all, found near the furniture maker. The chair could also be dated from the shape of the stiles, rungs and its corn husk seat. Modern copies of this type of chair to be used outdoors are made of cypress because it lasts longer than other woods.

The ladderback chair sold in the auction is 32 inches high and a comfortable 17 inches deep. It sold for \$427. Cypress furniture is still being used but mainly for outdoor and garden furniture.

Q. We're downsizing and have to sell a beautiful Victorian baby stroller or carriage we've had for many years. There are large wicker scrolls on the sides, a cane seat and a scrolled woven footrest. The back wheels are much larger than the front wheels. It's in good, but not perfect, condition. What is it worth and where can we sell it?

A. The first push baby carriage was invented in 1848. It looked more like a stroller than a carriage. Wicker carriages with fancy scrollwork were popular in the 1880s and 1890s. They don't meet today's safety standards but are interesting, decorative items. Your wicker stroller would be hard to ship, so you should see if a local antiques shop or a consignment shop can sell it. If your stroller or carriage is very decorative, a buyer might use it to hold magazines or plants. If it's in great condition and an unusual shape, it could sell for \$200 to \$300.

This chair is made of a local wood, cypress, and local material for the seat by a Louisiana craftsman who sold inexpensive handmade furniture in the early 1800s. It sold for \$427 in a recent sale of Louisiana antiques by Neal Auctions.

CURRENT PRICES
Lladro figurine, Spotted Brown Cow, reclining, marked, 7 inches long, \$50.
Chair, chrome, continuous arm frame, cantilevered seat, green fabric, Milo Baughman for Thayer Coggin, 32 x 22 inches, \$175.
Libbey glass jam jar, lid and underplate, Harvard pattern, oval, faceted finial on lid, American Brilliant Period, 9 inches, \$345.
Necklace, pendant, three Muses dancing, trees on sides, tortoiseshell, openwork, tortoiseshell link chain, c.1925, pendant 2 3/4 inches, chain 30 inches, \$530.

TIP: To get a good shine on your antique furniture, use more rubbing, not more polish.

Caesars Virginia makes significant step forward in demolition - Finishing Plant starts to come down

Monday, March 14, the demolition contractor began work to remove the Finishing Plant on the Schoolfield site with a wrecking ball and crane, making room for Caesars Virginia. This step marks a significant push forward in the process of building the resort.

CITY MANAGER SUBMITS PROPOSED BUDGET

City Manager Ken Larking tonight submitted to the City Council a proposed budget that maintains basic government services, continues crime reduction and public safety initiatives, and invests in the success of youth.

The budget includes no increase in tax rates other than an aircraft tax increase approved by the Airport Commission. Also, no increase in utility rates and utility fees is proposed.

The total recommended budget for the next fiscal year is nearly \$285.7 million for operations, capital and debt service. This total is 1.93 percent or nearly \$5.4 million more than the current fiscal year's budget of \$280,279,860.

The proposed budget is a working draft for the next fiscal year, which begins July 1. City Council will hold public hearings prior to adopting a budget. Final adoption must take place no later than June 30.

Revenue forecasts

Larking told the City Council that major increases in revenue are expected in the next fiscal year. Those increases include:

- \$1.27 million in personal property taxes.
 - \$1 million in meals taxes.
 - \$846,170 in sales taxes.
 - \$513,450 in hotel taxes
 - \$340,000 in current and delinquent real estate taxes.
- The increases in sales, meals, and hotel taxes are because of the rebounding economy, Larking said.

Expenditure highlights

Larking highlighted two areas among expenditures planned for the next fiscal year. They are:

- A significant focus on efforts to invest in the success of the city's youth. Meeting rising personnel costs.
- "For Danville to have the kind of success we desire, we need to invest in the success of our youth," Larking said.

Education funding

Although the state has not released its budget for the next fiscal year, Larking said signs indicate that there will be increased funding for school systems with additional funds going to schools in high-poverty districts.

Crime reduction and public safety

Recently, the Police Department announced that since implementing neighborhood-oriented policing, the city has seen over a 50 percent drop in violent crime when comparing a three-year window prior to implementation to now.

For public safety, the budget draft provides funding for equipment for the new police headquarters and a video surveillance system. There are also two gang-prevention positions being added.

Economic and community development

Larking noted that investments in industrial recruitment, retention and expansion through incentives, and workforce development has led to over \$1 billion in capital investment and nearly 4,000 new jobs in the region since 2018.

In the River District, Larking said the \$50 million in public spending has resulted in \$252 million in private investment. This private investment includes over 1,100 apartments completed or in development, 17 eating/drinking establishments, and multiple retail and entertainment options.

To encourage continued economic development, the proposed budget is allocating over \$5 million for various economic projects including grant programs, already approved incentives, and investments in local sites and buildings.

The budget allocates \$650,000 for enhancements of the Coates Recreation Center, \$410,000 to pay for design services related to conversion of the White Mill bridge into a pedestrian bridge on the Riverwalk Trail, and \$200,000 to continue the tourism marketing program that will work to encourage new visitors to Danville to explore businesses in our city and region.

Also, \$1 million is proposed for neighborhood revitalization efforts.

OBITUARIES

"For whether we live, we live unto the Lord; and whether we die, we die unto the Lord: whether we live therefore, or die, we are the Lord's." - Romans 14:8

Tony Myers

August 18, 1959 ~ March 14, 2022 (age 62)

Mr. Tony Myers, age 62, of Yanceyville, NC, died on Monday, March 14th, 2022, at his residence.

Mr. Myers was born on August 18th, 1959, in Danville, VA, to the late Ryland and Margaret Myers. He worked as a roofing contractor and was of the Baptist faith.

He is survived by his siblings Franklin Myers (Sandra), Ricky Myers, and Patricia Cook, and many nieces and nephews.

In addition to his parents, he was predeceased by his wife Rosa Strader Myers and siblings Donald Myers, Andy Myers, Willies Myers & Jeanette Myers.

Graveside services will be conducted on Thursday March 17th, 2022, at 11AM at Lively Stones Baptist Church Cemetery with Pastor Joshua Cook officiating. The family will receive friends at 4163 Old HWY 86, Yanceyville, NC, 27379.

Swicegood Funeral Service is respectfully serving the Myers family.

* Here's a great tip for freezing strawberries: Slip a berry into each section of an ice-cube tray, and then stack trays in the freezer. When frozen, transfer berries to a zipper-top bag and store in the freezer. They won't stick together, and you can just use what you need.

* "Vinegar (1/3 cup) works just as well as rinsing agents in your dishwasher. Simply add it to the wash with your regular dishwasher detergent. It can help with cloudy glassware." -- W.C. in Washington

* "Another great use for a length of nylon stocking, or a knee-high, as we used to call them: Slip over your pet brush and poke the bristles through. Brush your cat or dog as normal. When you're done, you can pull the knee-high stocking right off and all the hair will be caught inside!" -- P.K. in Pennsylvania

* If you have a pickle- or jelly-jar lid that's stuck on, try using the handle end of a butter knife to tap a few indentations around the edges. This can sometimes loosen the seal, making it easier to remove the lid.

* "When you get to the bottom of a bag of chips or a box of crackers, there usually are a lot of crumbs. I save ours in a baggie, then add them to bread-crumbs to bread fish or chicken. They add a lot of flavor, and it's basically free! It's funny, because I see packages of flavored breadcrumbs at the grocery store, and they are pretty expensive." -- R.L. in Virginia

* Fresh ginger can be frozen. Simply grate as needed. The flavor remains, and it will stay fresh much longer.

St. Patrick's Day Mini Pizzas

INGREDIENTS

- 3 English muffins, halved
- 1 cup tomato or pizza sauce
- 1 1/2 cups shredded mozzarella or pizza-blend cheese
- 1 green bell pepper, sliced on its side into shamrocks (look for a pepper with 4 "feet" so you'll get the right shape)
- Italian seasoning
- Olive oil (optional)

INSTRUCTIONS

Preheat the oven to 400 and line a baking sheet with parchment or foil. Arrange the muffin halves on the sheet, then top each with 1-2 tablespoons of sauce, followed by about 1/4 cup of cheese. Arrange the green pepper slice on top of the cheese (shape into a shamrock if necessary) plus another slice of pepper for the stem, then sprinkle each with a pinch of Italian seasoning and (if you like) a quick drizzle of olive oil. Bake for 8-10 minutes, or until pizzas have achieved desired level of crispness. Serve hot.

Additional Notes:

The key to a good English muffin pizza is not to overload it with sauce and/or toppings, which will leave you with a soggy pizza. Some EMP pros prefer to pre-toast their muffins before topping to ensure they stay crisp.
