# SPEAK OUT

Dear "Speak Out",

The title of this week's article is "Russia in the Bible". The Bible contains 31,121 verses, and of this total, 8,352 verses, or 26.8%, of the Bible contains Bible prophesy.

We look to our wonderful area pastors for spiritual leadership and guidance. I would respectfully suggest that our area ministers and church leaders submit their views on Bible prophesy.

Until recently, most people have told me that End Time Prophecy is just fairy tales from the Bible. But now, with the Russian invasion of Ukraine, many of these same people are becoming interested in what the Bible says about Russia and the future.

God has told all of us what we need to know of the future through His Word. We first need to go back to the Great Flood of Noah's time. Noah had three sons: Shem, Ham, and Japheth. Genesis 10:1-2 KJV: "Now these are the generations of the sons of Noah, Shem, Ham, and Japheth: and unto them were sons born after the flood. The sons of Japheth; Gomer, and Magog, and Madai, and Javan, and Tubal, and Meshech, and Tiras." Gomer migrated with his brother, Magog, into what is today southern Russia.

Madai migrated into central Asia. Javan migrated into the area of Greece. Tubal is modern day Turkey. Meshech, aka Rosh, is modern day Russia. Tiras migrated into the area of Greece.

During the End Times, God will judge Russia and all the nations which hate and wish to destroy the Apple of His Eye, Israel. God the Holy Spirit revealed to the prophet Ezekiel in chapter 38 verses 1 to 6 KJV: "And the word of the LORD came unto me, saying, Son of man, set thy face against Gog, the land of Magog, the chief prince of Meshech and Tubal, and prophesy against him, And say, Thus saith the Lord God; Behold, I am against thee, O Gog, the chief prince of Meshech and Tubal: And I will turn thee back, and put hooks into thy jaws, and I will bring thee forth, and all thine army, horses and horsemen, all of them clothed with all sorts of armour, even a great company with bucklers and shields, all of them handling swords: Persia, Ethiopia, and Libya with them; all of them with shield and helmet: Gomer, and all his bands; the house of Togarmah of the north quarters, and all his bands: and many people with thee."

Persia is modern day Iran. Togarmah is in southeast Turkey. Ethiopia is in the Horn of Africa. Libya is in northern Africa. We do not know if the present-day president of Russia will be the Gog of the Bible, but someday a Russian leader will be that person. If anyone sees any errors, please let us know. So, as we see Russia committing all these war crimes against innocent civilians, and seemingly not being punished by other countries of the world, we ask why no-one is helping Ukraine.

This was prophesized in the Bible that nations would not come to the aid of their fellow nations and that God would intervene. He will destroy Russia and all the armies of these other countries and do a much better and more thorough job than we humans could ever do.

Romans 12:19 KJV "Dearly beloved, avenge not yourselves, but rather give place unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord." Lord willing, I will submit an article again next week. Please comment and give us your views on these topics.
